Pastoral Care To Muslims Building Bridges:

Pastoral Care to Muslims Neville A. Kirkwood, 2013-01-11 Fulfill Christ's injunction in Matthew 25 Pastoral Care to Muslims Building Bridges recognizes that more and more often pastoral care workers are encountering Muslims in hospitals This is the guidebook you need to provide the spiritual support these patients are able to accept support that doesn't conflict with their religious affiliations The first section of Pastoral Care to Muslims provides an outline of the major beliefs of Islam chiefly those that relate to illness and dying The Koran is freely quoted to support these beliefs and practices The second section of the book delivers a set of guidelines for the practice of pastoral care to hospitalized Muslims These guidelines have been field tested with positive results The book's two appendixes supply you with samples of the kinds of prayers that are acceptable to Muslims In this valuable book you'll find background information about the Muslim faith quotations from the Koran that you can use in your practice what you need to understand about the Muslim view of sickness death and dying Plus explanations of terms and concepts found in Islam including the Islamic Creed Tawhid the concept of the unity of God Gehenna Hell the Five Pillars of Islam Pastoral Care to Muslims Building Bridges will help you do just that build bridges between Christians and Muslims It will supply you with material you can use to minister to Muslims without the fear of offending them and give you the confidence you need to deliver effective pastoral care to this growing segment of the population *From Seed to Fruit (Revised and Enlarged Second Edition)* J. Dudley Woodberry, 2008-06-01 The revised and enlarged second edition of J. Dudley Woodberry's *From Seed to Fruit* expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness including a new chapter on building Christlike relationships with Muslims The Global Trends Research Group has continued to update the demographic materials on Muslim people groups their access to Christian witness and when and how Christian groups covenant to provide meaningful access *From Seed to Fruit* presents the most recent worldwide research on witness to Christ among Muslim peoples using biblical images from nature to show the interaction between God's activity and human responsibility in blessing these peoples

Ministry Among God's Queer Folk, Second Edition Bernard Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self-described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide

variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care Reconciliation, Forgiveness and Violence in Africa Marius J. Nel,Dion A. Forster,Christo H. Thesnaar,2020-04-07 What might reconciliation and forgiveness mean in relation to various forms of personal structural and historical violence across the African continent This volume of essays seeks to engage these complex and contested ethical issues from three different disciplinary perspectives Biblical Studies Systematic Theology and Practical Theology Each of the authors reflects on aspects of reconciliation forgiveness and violence from within their respective African contexts They do so by employing the tools and resources of their respective disciplines The end result is a rich and textured set of interdisciplinary theological insights that will help the reader to navigate these issues with a greater measure of understanding and a broader perspective than what a single approach might offer What is particularly encouraging is that the chapters represent research from established scholars in their fields recent PhD graduates and current PhD students This is the first book to be published under the auspices of the Unit for Reconciliation and Justice in the Beyers Naud Centre for Public Theology **Spiritual Wisdom for Successful Retirement** James W Ellor,C.W. Ali,2016-02-24 Understanding Muslim Chaplaincy provides a lens through which to explore critical questions relating to contemporary religion in public life and the institutionalisation of Islam in particular Providing a rich description of the personnel practice and politics of contemporary Muslim chaplaincy the authors consider the extent to which Muslim chaplaincy might be distinctive in Britain relative to the work of Muslim chaplains in the USA and other countries This book will make a major contribution to international debate about the place of religion in public life and institutions This book derives from research that has depended on exclusive access to a wide range of public institutions and personnel who largely work behind closed doors By making public the work of these chaplains and critically examining the impact of their work within and beyond their institutions this book offers a groundbreaking study in the field of contemporary religion that will stimulate discussion for many years to come about Islam and Muslims in Western societies A Journey Called Aging James C. Fisher, Henry C. Simmons,2012-11-12 A Journey Called Aging presents an insightful exploration of the years between the entry into older adulthood and death This text examines the significant changes and major landmarks of older persons between 60 and 90 Grounded by a developmental framework based on empirical research this book presents a new way of looking at older adulthood describing the older adult years in intensely human terms through both anecdotes and research based findings to engage the reader as both guide and traveler Using a series of sequential stages as a framework A Journey Called Aging discusses the experiences of older adults addressing the challenges and opportunities presented at each stage This clear analysis can be used as a guide to help persons plan their own odyssey through the older years Topics in A Journey Called Aging include research and results of the study entering older adulthood the long stable stage of Extended Middle Age Early Transition Older Adult Lifestyle Later Transition the stable stage near the end of life the final transition A Journey Called Aging is crucial reading for professionals who work with older adults including pastors attorneys facilities managers and program directors gerontology educators and students and older adults themselves their families and those who care for and about them **Living, Loving and Loss** Brad DeFord, Richard Gilbert,2016-12-05 One of the unspoken aspects of mourning concerns the ways that loss affects our intimate relationships and our sexual expressiveness This text opens these subjects for conversation with the aim of promoting the trust care and respect that enable us to be vulnerable It purposefully covers a range of topics including 1 the meaning of intimacy and the significance of sexuality providing a basis for the use of these terms throughout the book 2 death grief and differences in sexual orientation including death and intimacy in the lesbian gay bisexual and transgender LGBT community and the losses endured by young people due to gender issues 3 loss of relationship and restoration of intimacy in families including pharmacological effects on the grief processes of widowers grieving a not so loved parent the layered losses of infertility and intimacy and the tolls of war intimacy and sexuality challenges for soldiers and their families 4 adjusting to life's losses associated with aging or illness or infirmity including Alzheimer's and dementia related illnesses physical health losses after 50 and intimacy sex and hospice self determination

and dignity at the end of life and 5 religious bases that have shaped our perspectives for understanding intimacy sexuality and healing after loss and which give us hope including the spiritual reflections of a rabbi and a Christian voice in defining what is right Set in a framework that is both psychological and spiritual the well researched contributions are intended to acknowledge these experiences both professionally and personally The book concludes with an extensive bibliography valuable for research and reference This book will be of value in undergraduate and graduate courses on thanatology as well as for anyone interested in knowing more about grief both those currently bereaved and those who wish to support others in mourning The contributors appreciate both the importance of our capacities for intimacy and sexuality and our inhibitions and hesitations in giving voice to our needs and concerns perhaps especially when we are grieving The information and compassionate understanding they provide encourage us to bridge the gap between the secret and the private and to share what is close to our hearts

Tough-minded Christianity William A. Dembski, Thomas Schirrmacher, 2009-03 Popular academic authors and scholars from John Ankerberg and J I Packer to Ravi Zacharias pay written tribute to the immensely influential work of living apologetics legend John Warwick Montgomery

The Psychology of Prayer Bernard Spilka, Kevin L. Ladd, 2012-09-01 Reviewing the growing body of scientific research on prayer this book describes what is known about the behavioral cognitive emotional developmental and health aspects of this important religious activity The highly regarded authors provide a balanced perspective on what prayer means to the individual how and when it is practiced and the impact it has in people s lives Clinically relevant topics include connections among prayer coping and adjustment as well as controversial questions of whether prayer for oneself or another can be beneficial to health The strengths and limitations of available empirical studies are critically evaluated and promising future research directions are identified

Methods in Religion, Spirituality & Aging James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation

Wu Wei, Negativity, and Depression Siroj Sorajjakool, 2014-06-11 Discover a pastoral approach to depression that combines Eastern wisdom and Western science Wu Wei Negativity and Depression reveals a way to break the cycle of depression not by denying it or fighting it but by the ancient principle of wu wei non trying The bleak cycle of

depression starts when people experience negativity They turn inward to try to find self esteem but the negativity strips all the power of self affirmation from them The gap between is and ought how they see themselves and how they want to be is too great to bridge The cycle known as self regulatory perseveration means that depressed persons are caught in a desperate fruitless search for affirmation Instead of self esteem they find self criticism and further negative thoughts Yet they keep looking and looking and looking The more they look for self worth inside the less they find and the harder they try the cycle continues When trying simply doesn t work wu wei the principle of letting go may help break that cycle When trying simply doesn t work wu wei not trying may help Wu wei is the principle of letting go By giving up on the self imposed and unattainable oughts and shoulds the depressed person stops focusing on self Wu wei breaks the cycle of negativity allowing the depressed person to begin to heal Wu Wei Negativity and Depression offers a comprehensive discussion of depression including epidemiology of depression etiology and biological causes psychosocial theories standard treatments of the past and present pastoral care of depressed persons This important book constructs a possible approach to depressed souls weary of fighting and trying to fix themselves Wu Wei Negativity and Depression can bring new hope to those who most need it
