Oates,Wayne Edward Oates,1982-01-01 A standard work in seminaries and a reliable guide for clergy in many denominations for over thirty years The Christian Pastor has been revised to include up to date research on the role of pastors in contemporary life In examining today s changing ministry Wayne Oats makes use of recent psychological interpretations and at the same time preserves the biblical and theological emphases of earlier editions To Be Cared For Nathaniel Roberts,2016-04-26 To Be Cared For offers a unique view into the conceptual and moral world of slum bound Dalits untouchables in the South Indian city of Chennai Focusing on the decision by many women to embrace locally specific forms of Pentecostal Christianity Nathaniel Roberts challenges dominant anthropological understandings of religion as a matter of culture and identity as well as Indian nationalist narratives of Christianity as a foreign ideology that disrupts local communities Far from being a divisive force conversion integrates the slum community Christians and Hindus alike by addressing hidden moral fault lines that subtly pit residents against one

another in a national context that renders Dalits outsiders in their own land **The Duty of Pastors** John Owen,2015-07-01 The Duty of Pastors was written to help both ordinary churchgoers and called out leaders of the church understand their vital ministry roles John Owen believed that both of these groups of people play a vital role in promoting a healthy church environment He believed that the people in the pew shouldn't fear but rather embrace their ministry role just as their church leaders are called to embrace theirs This book helps both groups clearly understand and apply basic biblical principles so that local churches grow closer to the Lord closer to each other and stand out as a light in the darkness wherever they may be Jesus' Table Talk Scott Townsend,2019-04-23 This book will guide the reader through a variety of passages of Scripture recorded in the Gospel of Luke that placed Jesus at the dinner table The stories represented in the passages of Scripture demonstrate a number of situations into which Jesus was either thrust or into which he placed himself My desire with this book is to encourage the reader to come back to what is important the table but more crucially to recognize the importance of engaging people around a proverbial table with whom you may not normally associate The purpose of this book is to challenge your thinking as a believer regarding people's needs and how you might meet them and to challenge your view of contemporary Christianity and the hypocrisy with which we are so often accused Finally I hope to make Jesus's table talk a welcome part of your faith and life as a believer **Every where** ,1911 Every where ... Letters to a Young Pastor Ian Stackhouse,2019-03-01 Speaking out of twenty seven years of pastoral ministry Ian Stackhouse writes a series of letters to a young pastor just starting out Responding to the various challenges his young charge faces in the first few years of congregational leadership Letters to a Young Pastor is something of a spiritual reflection on leadership in the context of Christian ministry To say that the letters are addressed to a fictitious pastor is not to say that the issues are unreal Letters to a Young Pastor addresses matters that anyone in leadership eventually has to face It seeks to offer encouragement and practical wisdom but also an insight into the inner world of a person wrestling with the demands of a vocational life In this sense Letters to a Young Pastor has relevance to anyone who is seeking to remain faithful to a calling whether ecclesial or not in a world dominated by consumerism formulas and success **The Epworth Herald** ,1903 **Basic Types of Pastoral Care & Counseling** Howard John Clinebell,Howard Clinebell,Bridget Clare McKeever,2011 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This third edition is enlarged and revised with updated resources methods exercises and illustrations from actual counseling sessions This book will help readers be sensitive to cultural diversity ethical issues and power dynamics as they practice holistic growth oriented pastoral care and counseling in the parish
