Pastoral Theology Hardcover:

Pastoral Theology Thomas C. Oden, 1983-05-25 This much needed book fully integrates principles of pastoral care leadership and theology to restore to ministers a clearly defined pastoral identity Moving from a critique of inadequate models for ministry from community organizer to T V evangelist Oden develops a more classical model rich in its references to the past and compatible both with Christian faith and theology through the ages and with current needs Reconciling classical tradition with practice Pastoral Theology will be a standard resource and reference in the field Oden distills the best ideas of the two millennia of ecumenical Christian thinking concerning what pastors are and do Pastoral Theology provides the foundational knowledge of the pastoral office requisite to the practice of ministry It will be of interest to persons preparing for ordination in its review of key issues at the same time Pastoral Theology will appeal to all those who have considered entering the ministry those who want to know more about what clergy do and why and those ministers who want to review their ongoing work in the light of a systematic reflection on the pastoral gifts and tasks

Pastoral Theology in an Intercultural World Emmanuel Y. Lartey, 2013-03-13 In today's world the challenge of care is how to respond to people's emotional as well as their economic circumstances How can we be respectful of the individual and the community in ways that affirm both How are we to live respectfully with difference and ambiguity Where shall we find our models of life and care from the dominant Western or else some kind of global perspective that includes indigenous knowledge In our theologies do we continue to privilege the study of abstract conceptual theory or do we give place to pragmatic aesthetic and nonverbal forms In the face of increasing extremism terrorism and violence is it possible to make a sensible choice between radical relativism and absolute essentialism Are we to be drawn towards the various expressions of religion or to the opportunities and ambiguities of spirituality as it is called upon in many societies today With the scarce resources available or allocated to health care in many national budgets across the world shall we give greater attention to the eradication of disease through increasingly advanced technologies and therapeutic strategies or to the promotion of health through primary health care and public health education Pastoral Theology in an Intercultural World presents practical theological resources for the broad vision deep passion and thoughtful action needed for pastoral care in the twenty first century

Reconstructing Pastoral Theology Andrew Purves, 2004-09-20 In Pastoral Care in the Classical Tradition Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal the fiefdom of psychology and the social sciences He builds further on this idea here presenting a christological basis for ministry and pastoral theology

[SCM Studyguide Pastoral Theology](#) Margaret Whipp, 2013-04-18 Through the course of their work with people engaged in ministries of various kinds spiritual directors healthcare chaplains local clergy theological educators youth workers the authors of this groundbreaking book have become convinced of the need to provide a practical guide to the practice of pastoral supervision understood as a core discipline of the Christian church and enriched by the best

of what other supervision disciplines have to offer Each chapter focuses on a different aspect of pastoral supervision embedding it theologically and offering rooted examples from their own practice At the end of each chapter practical exercises are offered to help the reader reflect on their own practice and tools are suggested for use with supervision groups and in work with individuals **Transforming Practice** Elaine Graham,2002-03-21 *A Pastoral Theology* ,1835

Living in Tension, 2 Volume Set Douglas D. Webster,2012-08-13 If you have picked up this book chances are you are a committed follower of Christ Like many searching Christians you are tired of religious busywork and showy piety You long for authentic worship and meaningful service You came to Christ with deep expectations of transformation and service but those passions have been starved by shallow theology and superficial relationships You are looking for something more You are ready to sink your mind into what the Bible says about the call of God the priesthood of all believers and what it means to live for Christ and his kingdom The two volume *Living in Tension* offers in depth spiritual direction on the crucial issues shaping a theology of ministry This is not a book for pastors only Webster intentionally blurs the distinction between pastor and congregation This book is for all believers who take God s call to salvation service sacrifice and simplicity seriously *Living in Tension* provides need to know insights for every congregation Pastors will find that this passionate and practical theology translates well into their own lives and into the life of the church *The New Guidebook for Pastors* Mac Brunson,James W. Bryant,2007 *The New Guidebook for Pastors* is written in the tradition of classics like Criswell s *Guidebook for Pastors* But since most pastoral guidebooks available today date back to 1980 or earlier this new resource by Mac Brunson and James W Bryant will offer fresh experience based encouragement to all pastors in their pursuit of excellence and development in their God called profession Among the twenty chapters are *The Pastor and His Call* *The Pastor and His Family* *The Pastor and His Staff* *The Pastor and Worship* *The Pastor and Finances* *The Pastor Wedding and Funerals* *The Pastor Politics and Moral Issues* and *The Pastor and His Denomination* **Pastoral Theology** James H. Harris, A taut analysis of black liberation theology connecting scholarship to practical congregational ministry The chapters of this book focus on liberation and evangelism the urban community and black theology as well as church administration worship education and self esteem *For the Work of the Ministry* William Garden Blaikie,2013-08-09 Hardcover reprint of the original 1873 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Blaikie William Garden *For The Work Of The Ministry A Manual Of Homiletical And Pastoral Theology* Indiana Repressed Publishing LLC 2012 Original Publishing Blaikie William Garden *For The Work Of The Ministry A Manual Of Homiletical And Pastoral Theology* London Strahan 1873 Subject Ministers Of The Gospel *Pastoral Theology* Martin Thornton,2010-06-01 This is a book about pastoral priorities and parochial spirituality Mr Thornton argues that considerations of biblical and philosophical theology history and psychology

alike demand that pastoral work should be based on that Remnant of faithful souls often very few in number to be found in any parish and that their training and direction is of very much greater importance than devising schemes to interest the multitude He argues forcefully against the parochial activity which aims at adding numbers of individuals to the Church by methods of recruitment this he holds to be theologically unsound and ascetically ineffective His faith is that God will add to the Church such as are being saved when there is at the heart of the parish this Remnant living by rule a center of adoration and charity the rightful heir he contends of medieval monastic Order There is probably no other modern work which attempts such a serious and thorough examination of the type of spirituality to which Christians can aspire in the world today

A Pastoral Theology ,1835 *Preface to Pastoral Theology* Seward Hiltner,1958 *From Ministry to Theology* John H. Patton,2009-06-02 His most creative book yet clear concise and accessible to a wide audience The procedures suggested would redeem many clinical pastoral education groups from stereotyped ruts Wayne E Oates Senior Professor of Psychiatry and Behavioral Sciences University of Louisville Sheds light on how students of pastoral care appropriate theology meaningfully James M Gustafson Henry R Luce Professor of Humanities and Comparative Studies Emory University

Survival and Liberation Carroll A Watkins Ali,1999-01-01 For African American congregations and churches that would like to be more sensitive to African Americans in their community Watkins Ali offers an exciting new conceptual framework for an African American pastoral theology bringing together womanist theology traditional black theology psychological theory and spiritually informed clinical practice **The Shape of Practical Theology** Ray S. Anderson,2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is *The Shape of Practical Theology* a new and renewing foundation for engaging in Christian ministry Anderson lays out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies *The Shape of Practical Theology* is aimed at seminary students at Christian educators and at working pastors and counselors Anderson s work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry **The Skilled Pastor** Charles W. Taylor,1991-01-01 *The Skilled Pastor* is a creative and practical training book that details the specific skills necessary for sound pastoral guidance in

various situations The author integrates theological reflection with practice while incorporating religious resources with counseling technique **Pastoral Theology in the Baptist Tradition** R. Robert Creech,2021-10-26 A veteran Baptist pastor and ministry professor offers a distinctive free church vision for pastoral leadership attending to voices from the past four centuries as they speak about the practice of ministry The book contains theological reflection on current ministry issues among Baptists based on biblical and historical foundations and reflects a diversity of Baptist life across time and around the world including many different voices Each chapter contains reflection questions to help readers consider the implications of Baptist thinking Christian Theology in Practice Bonnie J. Miller-McLemore,2012-02-02 For the past fifty years scholars in both pastoral and practical theology have attempted to recapture human religious experience and practice as essential sites for theological engagement redefining in the process what theology is how it is done and who does it In this book Bonnie J Miller McLemore shows how this trend in scholarship has led to an expanded subject matter alternative ways of knowing and richer terms for analysis in doing Christian theology Tracing more than two decades of her own search for a more inclusive discipline one that truly grapples with theology in the midst of life Christian Theology in Practice shows not only where Miller McLemore herself has traveled in the field but also how pastoral and practical theology has developed during this time Looking forward Miller McLemore calls on the academy and Christian congregations to disrupt conventional theological boundaries and to acknowledge the multiplicity of shapes and places in which the wisdom of God appears *Ministry by the Book* Derek Tidball,2009-05-29 Focusing on pastoral leadership within local churches or groups of churches Derek Tidball provides a comprehensive survey of the variety of ministry models and patterns found in the New Testament with applications for today s ministry
