Minutes of the Annual Meeting of the General Convention of Congregational Ministers and Churches of Vermont Congregational Churches in Vermont. General Convention,1888 **Churches and Social Issues in Twentieth-century Britain** G. I. T. Machin,1998 During this century the Christian Churches of Britain have lost support and influence to the extent that their future is considered by some observers to be problematic They have also been confronted with an unprecedented concentration of social changes some of which have challenged central religious traditions and teachings This multi denominational study is the first to investigate these changes public and private across virtually the entire Christian spectrum Professor Machin shows that while there are examples of growing division between Churches over some social issues the more general response has been one of differences within Churches This fascinating and broad ranging study will be invaluable to all those interested in the Churches response to the social and moral challenges of twentieth century Britain Byzantine Churches in Constantinople Alexander Van Millingen,1912 Reports from Committees of the House of Commons Great Britain. Fargher,2023-09-20 This study describes the beginnings of a movement which has created another face for Ethiopian Christianity The expatriate missionary evangelists who in 1927 were encouraged by Emperor Haile Selassie to work in southern Ethiopia intentionally by passed the Orthodox model and made a fresh start Three of the many facets of the movement comprise the body of the book There is the religious backdrop of Orthodox Christianity and the expatriates fundamentalist traditions then the praxis and polity of their work finally the post Occupation outcome which confirmed their choices Since its beginning in 1932 the New Churches Movement has impacted every part of Ethiopian society religious political and socio economic It demonstrates that a fresh start can be complementary rather than competitive The movement s success encourages missionary evangelists to continue making new beginnings **American Baptist Missionary Magazine and Missionary Intelligencer** ,1871 Volumes 7 77 80 83 include 13th 83rd 86th 89th annual report of the American Baptist missionary union **Proceedings [of the National Council of the Evangelical Free Churches].** ,1897 *The Americanization of the Danish Lutheran Churches in America* Paul C.
