**The Collected Works of Witness Lee, 1953, volume 1** Witness Lee, Brother Witness Lee traveled to Manila Philippines on December 10 1952 and stayed there until June 30 1953. During this time he released messages that compose the first six chapters of The Bridge and Channel of God which appears in volume 1 of this set. A collection of his personal notes written in January is included in volume 1 of this set. On June 1 through 14 he conducted a training on service in the mornings with brothers who attended from the Philippines as well as from other Southeast Asian countries. The main subject of these meetings was on the conditions for God to use man and on the knowledge needed for those who serve the Lord. In the evenings he spoke to the whole church on God's need for man and the life of service. After this he conducted meetings in Baguio Philippines for three days beginning on June 15 with two meetings every day. The subject of these meetings was on the life and living of the Lord's serving ones and the revelation and way for service. These messages were originally published in The Ministry of the Word Issue Nos 27 and 28 and are included in volume 1 of this set under the title The Ministry of the Word Miscellaneous Messages 1953. After returning from Manila on June 30 Brother Lee remained in Taiwan for the rest of the year. Beginning on August 9 he conducted an eleven day conference on life and the church with over two thousand in attendance. These messages are included in volume 1 of this set in the section entitled Knowing Life and the Church. The most significant event of this year was a sixteen week training that began in September and ended in the middle of December. This was the most crucial training during the first few years of the work in Taiwan. All the sections in the remainder of the 1953 set are from messages released during this training. These include The Knowledge of Life and The Experience of Life both of which have become crucial books in the Lord's recovery since that time. Some of the messages in these sections were given in 1954. The Collected Works of Witness Lee 1953 volume 1 contains messages that Brother Witness Lee gave in 1953. This volume also includes notes, articles for publication and an outline written in the same year. Additionally, prayers offered by Brother Lee in meetings from 1953 through 1957 are included in this volume. Historical information concerning Brother Lee's travels and the content of his ministry in 1953 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into nine sections as follows: 1. Eight messages given in Taipei Taiwan and

Manila Philippines in 1953 These messages were previously published in a book entitled The Bridge and Channel of God and are included in this volume under the same title 2 A collection of personal notes written in January 1953 These are included in this volume under the title Witness Lee s Personal Notes 3 Two messages given in Manila Philippines on June 12 and 13 1953 These messages are included in this volume under the title Concerning the Lord s Work and God s Move 4 Twenty three messages given in Taipei Taiwan in August 1953 These messages were previously published in a book entitled Knowing Life and the Church and are included in this volume under the same title 5 Nine articles and reports that appeared in various issues of The Ministry of the Word in 1953 They are included in this volume under the title The Ministry of the Word Miscellaneous Messages 1953 6 Four messages given in Taipei Taiwan on August 18 and 20 1953 These messages are included in this volume under the title Fellowship in Preparation for the Service Training in Taipei 7 A detailed outline written in 1953 showing the subjects that were covered in the training on service in Taipei Taiwan This outline is included in this volume under the title Outline of the Service Training in Taipei 8 Five messages given during an intensified sixteen week training on service in Taipei Taiwan on September 1 through December 18 1953 These messages are included in this volume under the title The Human Conduct and the Ministry of the Word of the Lord s Serving Ones Most of the content of the service training and the fellowship that followed the training is published in volume 2 of this set in the section entitled Messages and Fellowship Given during the Service Training in Taipei 9 A collection of nineteen prayers offered by Brother Lee in meetings held in Taipei Taiwan and Hong Kong from 1953 through 1957 They are included in this volume under the title A Collection of Prayers

**Newer Paths in Muslim-Christian Understanding** Ron George, 2007-10 This book tries to outline most inadequately the conclusion that God is not limited by man s ways and wants all men to come to know the truth Christ himself A man can be a Messianic Jew a Hindu Sadhu as was Sadhu Sundar Singh or a Messianic Muslim So often our faith is culture bound we have often interpreted the Bible from a cultural perspective and not seen the God who relates to all men He does not want a Western form of Christianity to be imposed upon others In Genesis 2 v 18 20 we have the cultural mandate that man was to rule over the earth and create his own society Most Muslim converts go back into Islam not because of a failure to be enamored by Christ but because of a loss of their identity and unacceptance by the Christian community Few understand the forces that are at play within all of us Ron George has been involved in missions in the Islamic world for over 44 years He has written widely on the subject traveled to over 30 lands and met with Muslim leaders to try to understand their points of view His views come out of a serious study of the Islamic peoples and the Qur an a love for those peoples and an appreciation of their roots He takes what well known missiologists present and brings them to their logical conclusion in evaluating Muslim Christian understandings He feels that only the eyes of love can fully appreciate the task of communicating Christ to Islamic peoples building upon what they have and not destroying what God has already started He sees that in trying to understand others leads to better understanding our own faith This is a book about new

beginnings in understanding Muslims and adds to that process      **Praying** J. I. **Bible and Ethics in the Christian Life** Bruce C. Birch, 1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority

Uses of Scripture in Christian ethics      **Christian Life God's Way** Larry Harmsen, 2022-08-01 Larry has come to understand that there are two basic ways that the Bible can be taught. The first is the most prevalent. It consists of telling the Christian the things that he or she should be doing and the things that he or she should not be doing, sometimes accompanied with relatively meaningless ways of doing or not doing these things. The second way to teach the Bible is to teach it by revealing what God says in the Bible, which we call expository preaching or teaching. I am very much in favor of expository teaching. If a Christian is taught the Bible not taught about the Bible but actually taught to understand God and God's desire to live in and through us in a fulfilling meaningful way, the Christian will be able to determine for him or herself what to do or what not to do as it becomes a part of the person's life rather than just something added to the person's life. If living the vibrant Christian life through knowing God and His Word becomes the desire and goal of the Christian, life learned from the Holy Spirit through God's Word, that inner force becomes an external force far more useful to God than being told what to do or what not to do. That desire to teach Christians in a way to build that inner force of God through knowing Him has been mine for many years. This book contains Bible studies to help develop that inner force that is only by grace.
