

Sex for the Clueless

Sure, sex is great for everybody else—but what have I been doing wrong?

Let Marcy Sheiner, an open-minded and proud advocate of the panorama of loving sexual experience and a widely published author of erotica and honest sex reporting, guide you through the ins and outs of great sex. Whether you've only thought about the possibilities or claim years of a satisfying sex life, you'll find information and encouragement here. Personal anecdotes, humor, and a lack of moralizing are styled into this unique and timely guide to healthy sexual attitudes.

Sex for the Clueless emphasizes communication between partners and will help you get in touch with your own sexuality by overcoming embarrassment, confronting taboos, and learning what really turns you on. You'll be encouraged to experiment, to "talk dirty," play roles, enact fantasies, and use sexual aids. You'll learn about sex clubs, swingers, strippers, erotic massage, workshops, books, and videos.

Illustrated with lighthearted line drawings and including a resource section listing recommended reading and viewing, sex toy catalogs, sex information services, and much more.

MARCY SHEINER has written for *Penthouse*, *Playgirl*, *High Times*, and many other magazines. She is the editor of several erotic anthologies, including *Herotica* 4, 5, and 6. She lives in California.

Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy's sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what

we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty
