Board of Directors, 1889     **The Los Angeles Review No. 1** Kate Gale, 2004-03 We live in an age where to speak may not always be wise Big Brother is watching you as you call and as you write So why not write something that really stirs up ideas The enemy for most Americans the one thing that makes our lives sordid and uneventful is the mind numbing life we all live If our mind is too numb because we cannot turn off electronic stimulus long enough to think then where will good writing come from The Los Angeles Review is the voice of Los Angeles and the voice of the nation We will not have one editor who chooses work based on their idiosyncratic tastes but instead will bring in a variety of editors for each issue This year s editors are focusing on Language Silence and Oppression     *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State).,     Digest; Review of Reviews Incorporating Literary Digest, 1918     **To Establish Justice for All** Earl Johnson, 2013-11-12 For over a century many have struggled to turn the Constitution s prime goal to establish Justice into reality for Americans who cannot afford lawyers through civil legal aid This book explains how and why American statesman Sargent Shriver called the Legal Services Program the most important of all the War on Poverty programs he started American Bar Association president Edward Kuhn said its creation was the most important development in the history of the legal profession Earl Johnson Jr a former director of the War on Poverty s Legal Services Program provides a vivid account of the entire history of civil legal aid from its inception in 1876 to the current day The first to capture the full story of the dramatic ongoing struggle to bring equal justice to those unable to afford a lawyer this monumental three volume work covers the personalities and events leading to a national legal aid movement and decades later the federal government s entry into the field and its creation of a unique institution an independent Legal Services Corporation to run the program The narrative also covers the landmark court victories the attorneys won and the political controversies those cases generated along with the heated congressional battles over the shape and survival of the Legal Services Corporation In the final chapters the author assesses the current state of civil legal aid and its future prospects in the United States     **Racism on Trial** Ian F. Haney Lopez, 2009-07-01 In 1968 ten thousand students marched in protest over the terrible conditions prevalent in the high schools of East Los Angeles the largest Mexican community in the United States Chanting Chicano Power the young insurgents not only demanded change but heralded a new racial politics Frustrated with the previous generation s efforts to win equal treatment by portraying themselves as racially white the Chicano protesters demanded justice as proud members of a brown race The legacy of this fundamental shift continues to this day Ian Haney Lopez tells the compelling story of the Chicano movement in Los Angeles by following two criminal trials

including one arising from the student walkouts He demonstrates how racial prejudice led to police brutality and judicial discrimination that in turn spurred Chicano militancy He also shows that legal violence helped to convince Chicano activists that they were nonwhite thereby encouraging their use of racial ideas to redefine their aspirations culture and selves In a groundbreaking advance that further connects legal racism and racial politics Haney Lopez describes how race functions as common sense a set of ideas that we take for granted in our daily lives This racial common sense Haney Lopez argues largely explains why racism and racial affiliation persist today By tracing the fluid position of Mexican Americans on the divide between white and nonwhite describing the role of legal violence in producing racial identities and detailing the commonsense nature of race Haney Lopez offers a much needed potentially liberating way to rethink race in the United States
