Losing Absalom Alexis D. Pate, 1994 As Absalom Goodman an African American lies dying in a Philadelphia hospital surrounded by his wife and two grown children he retraces his life A study of parenthood the inner city and the American way *Losing Absalom* Alexis D. Pate, 1995-01-01 Sonny who has escaped the streets of North Philadelphia for a corporate job in Minneapolis returns home only to be held captive by history and broken dreams in a novel about the struggles of one African American family **Absalom Falls** Alexis D. Pate, 1992 *Silent No More* John Potter, 2022-08-08 Suicide is a leading cause of death More people die from suicide than in all of the combined wars conflicts and natural disasters across the globe Suicide is also an issue that few seem willing to discuss Suicide remains a hidden or taboo topic Stigma culture and theological misunderstanding are contributing factors to this reality *Silent No More* A Christian Response to Suicide examines how scripture spiritual practices and congregations can address suicide Religion spirituality is frequently listed as a strong protective factor against suicide Years of research studies and literature show that religion spirituality is even stronger when beliefs religious activity and community are engaged to support people at risk of suicide Religion spirituality must be fully integrated into suicide prevention plans and efforts if a total wellness approach of spirit mind and body are to be utilized The book also addresses that Christian congregations must have love soaked people who are ready to provide community and fellowship to hurting people inside and outside of the church doors The author concludes the book with seven steps that will enable congregations and churches leaders to help those who are at risk of suicide These strategies can make simple strides to address suicide and help hurting people in any community It is time for Christian communities to rejoin the battle against suicide Christianity has a rich legacy of caring for people in crisis historically having started hospitals mental health centers and compassionate care ministries There is a way for Christianity to regain its voice and care for people at risk of suicide It is time for Christians to be silent no more **Spirited Minds** Archie Givens, 1997 Descriptions of more than one hundred outstanding selections for readers of all ages fiction poetry biography autobiography folk tales drama and history that celebrate the African American male experience from childhood to adulthood Dust jacket **The Late Novels of Eudora Welty** Jan Nordby Gretlund, Karl-Heinz Westarp, 1998 The Late Novels of Eudora Welty offers readings of two of the works considered to be Welty's most exciting both in innovative technique and postmodern existential statement Fourteen new essays by internationally distinguished critics of Southern literature provide focused appraisals of Welty's last two novels *Losing Battles* 1970 a provocative experiment in narration and Pulitzer Prize winning *The Optimist's Daughter* 1972 a profound comment on our time *The Innocent Classroom* Alexis Pate, 2020-08-17 When children of color enter their classrooms each year many often encounter low expectations disconnection and other barriers to their success In *The Innocent Classroom* Alexis Pate traces the roots of these disparities to pervasive negative stereotypes which children are made aware of before they even walk through the school door The cumulative weight of these stereotypes eventually takes

shape as guilt which inhibits students engagement learning and relationships and hurts their prospects for the future If guilt is the primary barrier for children of color in the classroom then the solution according to Pate is to create an Innocent Classroom that neutralizes students guilt and restores their innocence To do so readers will embark on a relationship construction project in which they will deepen their understanding of how children of color are burdened with guilt discover students good or the motivation behind their behaviors and develop strategic responses to that good and nurture protect and advocate for students innocence Ultimately students will reclaim their innocence and begin to make choices that will lead to their success Teachers will renew their commitment to their students And the current ineffective system can give way to one that reflects a more enlightened understanding of who our children are and what they are capable of
