*The Jew as Legitimation* David J. Wertheim, 2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine's witnesses to the truth of Christianity as Christian Kabbalist's source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism

*The Art & Craft of Writing Christian Fiction* Jeff Gerke, 2012-06-01 Let's face it Christian fiction is fun Even if you're writing a serious minded study of man's inhumanity to man there is something exhilarating about story about creating people and worlds and events about telling a tale that keeps readers enraptured and maybe just maybe leaves them fortified in their walk with Jesus But for all of the fun it's also hard work There is skill involved in writing excellent Christian fiction There is craftsmanship to be learned And there are the long hours pounding away on a manuscript that by the time you're done with it has you convinced it's the worst piece of garbage ever penned by man That's not even talking about trying to get your book published It's a wonder anyone would choose such a way to spend otherwise useful time So maybe you put your novel away for awhile You've tried to do more sensible things with your spare moments You've attempted to be engaged with workaday matters laundry and bills But one day a new story idea will pop into your head or you won't be able to stop hearing the voice of a character demanding to be written about On that day you'll be right back where you were counting the cost of writing Christian fiction and loving it like nothing else

Lewis, 2023-12-29 C S Lewis's *The Complete Works: Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography* is a rich tapestry of intellectual exploration that spans multiple genres. Lewis, renowned for his imaginative narratives and theological insights, masterfully weaves fantastical elements with profound philosophical inquiries. From the enchanting realms of Narnia to the cosmic odysseys in *Out of the Silent Planet*, this collection challenges the boundaries of reality while his essays in religious studies provoke deep contemplation about faith and morality, evidencing a literate style that is both accessible and profound, reflective of mid-20th century thought. C S Lewis, a scholar of literature and a devout Christian, draws from his own experiences, both personal and academic, to craft narratives that resonate with universal truths. His time at Oxford University, coupled with his conversion to Christianity during the tumultuous times of World War II, profoundly influenced his writing. The juxtaposition of imaginative storytelling with theological themes reflects Lewis's desire to explore human nature and spirituality amid a rapidly changing world. Readers seeking a multifaceted journey through literature, religion, and self-discovery will find Lewis's comprehensive collection a vital addition to their library. This anthology not only entertains but also encourages introspection, serving as an invitation to reflect on the deeper questions of existence, purpose, and the human condition.      *The Rapture and the Antichrist* Russell R.
