Lost Childhood Children Of World War II:

Lost Childhood Janet Pack, Margaret Weis, 1986-01-01 Relates the experiences of several groups of European children caught up in the devastating turmoil of World War II *Doing History* Linda S. Levstik, Keith C. Barton, 2011-01-26 Now in its fourth edition this popular text offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The central assumption is that children can engage in valid forms of historical inquiry collecting and data analysis examining the perspectives of people in the past considering multiple interpretations and creating evidence based historical accounts In each chapter the authors explain how the teaching demonstrated in the vignettes reflects basic principles of contemporary learning theory thus providing specific examples of successful activities and placing them in a theoretical context that allows teachers to adapt and apply them in a wide variety of settings New in the Fourth Edition Expanded coverage of world history in two new chapters Integration of new technologies to support history instruction Updated classroom examples bibliographies and references

Hidden Teens, Hidden Lives Linda Jacobs Altman, 2010-01-01 In simple poignant prose these primary source accounts capture the tragic and courageous experiences of young people who lived through the Holocaust and whose lives were forever altered by it *Healing Holocaust Survivors* Stella Maria Frei, 2025-06-30 *Healing Holocaust Survivors* examines the psychological rehabilitation strategies implemented by two major international humanitarian organizations the United Nations Relief and Rehabilitation Administration UNRRA and the Jewish Joint Distribution Committee JDC in Displaced Persons Camps across postwar Europe from 1944 to 1948 Focusing on the mental health needs of Holocaust survivors and other refugees the book explores how psychosocial expertise became entangled with citizenship politics and visions of Europe's reconstruction after World War II Drawing from archival sources institutional reports and psychological literature of the period this is the first in depth account of how mental health professionals approached psychological rehabilitation trauma identity and recovery in a humanitarian setting It reveals how psychological strategies were often shaped by and instrumentalized for broader political and regulatory goals including refugee resettlement nation building and international diplomacy Bridging the fields of history psychology refugee studies and humanitarian aid this book sheds new light on the origins of modern refugee mental health practices and the complex role of international organizations in shaping the lives and minds of displaced populations Read the interview with Stella Maria Frei on De Gruyter Conversations and learn more about the author and her book A powerful and timely study on the politics of psychological rehabilitation in the aftermath of war and mass displacement This meticulously researched book sheds new light on how international organizations not only helped rebuild societies but also intervened in the inner lives of survivors It compellingly shows that psychological recovery in post conflict settings is never apolitical but shaped by humanitarian

agendas strategic interests and competing visions of international order Essential reading for global leaders policymakers and all who shape the future of refugee protection and recovery in a world defined by crisis Bert Koenders Professor for Peace Justice and Security Leiden University Former Minister of Foreign Affairs of the Netherlands and UN Special Representative in Cote d'Ivoire and Mali

Visual Encounters in the Study of Rural Childhoods April Mandrona, Claudia Mitchell, 2018-07-02 Visual Encounters in the Study of Rural Childhoods brings together visual studies and childhood studies to explore images of childhood in the study of rurality and rural life The volume highlights how the voices of children themselves remain central to investigations of rural childhoods Contributions look at representations and experiences of rural childhoods from both the Global North and Global South including U S Canada Haiti India Sweden Slovenia South Africa Russia Timor Leste and Colombia and consider visuals ranging from picture books to cell phone video to television

The Lost Childhood Yehuda Nir, 2002 Describes six years in the life of a daring and resourceful Polish Jewish boy and his family who survived the Holocaust by using false papers and posing as Catholics

Problematizing Law, Rights, and Childhood in Israel/Palestine Hedi Viterbo, 2021-08-05 In this book Hedi Viterbo radically challenges our picture of law human rights and childhood both in and beyond the Israel Palestine context He reveals how Israel rather than disregarding international law and children s rights has used them to hone and legitimize its violence against Palestinians He exposes the human rights community s complicity in this situation due to its problematic assumptions about childhood its uncritical embrace of international law and its recurring emulation of Israel s security discourse He examines how and to what effect both the state and its critics manufacture shape and weaponize the categories child and adult Bridging disciplinary divides Viterbo analyzes hundreds of previously unexamined sources many of which are not publicly available Bold sophisticated and informative Problematizing Law Rights and Childhood in Israel Palestine provides unique insights into the ever tightening relationship between law children s rights and state violence at both the local and global levels

Encounters in the Rubble Erica J. Lansberg, 2025-08-12 The US occupation of Germany after World War II was a time in which encounters between American soldiers and young German civilians were especially ubiquitous Overall German children and youth played a fundamental role in the US occupation impacting both personal and political relations Using a blend of sources ranging from German children s diaries to official US military records this work provides a wide reaching examination of the youngest civilians under occupation in the postwar aftermath of the Nazi regime It centers on the personal experiences of both German children and American military personnel during the occupation and also examines the ways that young Germans impacted transatlantic policies especially in the context of the emerging Cold War including during the Berlin Airlift This

work thus considers the youngest members of the occupied German population as important historical actors during a time of major transition from war to peace marked by encounters made in the rubble **Steven Spielberg's Children** Linda Ruth Williams, 2025 Steven Spielberg's Children is the first book to investigate children's childhood and Spielberg's employment of child actors together and in depth. Through lively readings of both the celebrated performances he elicits from his young stars as well as less discussed roles, this book shows children to be key players in the director's articulation of childhood since the 1970s.
