Lost Children Of Wilder The Epic Struggle To Change Foster Care:

The Lost Children of Wilder Nina Bernstein, 2011-03-23 In 1973 Marcia Lowry a young civil liberties attorney filed a controversial class action suit that would come to be known as Wilder which challenged New York City's operation of its foster care system Lowry's contention was that the system failed the children it was meant to help because it placed them according to creed and convenience not according to need The plaintiff was thirteen year old Shirley Wilder an abused runaway whose childhood had been shaped by the system's inequities Within a year Shirley would give birth to a son and relinquish him to the same failing system Seventeen years later with Wilder still controversial and still in court Nina Bernstein tried to find out what had happened to Shirley and her baby She was told by child welfare officials that Shirley had disappeared and that her son was one of thousands of anonymous children whose circumstances are concealed by the veil of confidentiality that hides foster care from public scrutiny But Bernstein persevered *The Lost Children of Wilder* gives us in galvanizing and compulsively readable detail the full history of a case that reveals the racial religious and political fault lines in our child welfare system and lays bare the fundamental contradiction at the heart of our well intended efforts to sever the destiny of needy children from the fate of their parents Bernstein takes us behind the scenes of far reaching legal and legislative battles at the same time as she traces in heartbreaking counterpoint the consequences as they are played out in the life of Shirley's son Lamont His terrifying journey through the system has produced a man with deep emotional wounds a stifled yearning for family and a son growing up in the system's shadow In recounting the failure of the promise of benevolence *The Lost Children of Wilder* makes clear how welfare reform can also damage its intended beneficiaries A landmark achievement of investigative reporting and a tour de force of social observation this book will haunt every reader who cares about the needs of children

Out of Harm's Way Richard J. Gelles, 2017 Despite efforts to create revise reform and establish an effective child welfare system in the United States the system continues to fail to ensure the safety and well being of maltreated children *Out of Harm's Way* presents four specific changes that would lead to a more effective system and unlike many other studies of this system the changes recommended here are affordable scalable and proven

Policing Not Protecting Families Jennifer Randles, Kerry Woodward, 2025-03-11 Controlling surveilling and punishing poor families through the child welfare system In a typical year one in five US children have some interaction with the child welfare system Countless other families particularly those who struggle to care for their children due to poverty or economic insecurity fear child welfare system involvement Though imagined as a system that protects children from caregivers maltreatment contributors to *Policing Not Protecting Families* argue that the child welfare system polices and punishes poor parents who are unable to meet white middle class parenting standards due to structural inequalities Bringing together scholars from anthropology sociology law and social work this collection is the first to critically examine the child welfare system's role in governing poor disproportionately Black and Native families It shows that the child welfare system is a key

site of poverty governance or state control and management of poor families Chapters bring together empirical research from diverse settings across the US highlighting the system s interactions with other state systems and its wide impact on marginalized families Together the chapters illustrate the failure of the child welfare system to protect children and families from the structural inequalities that shape the lives of poor and other marginalized families **Another Mother** Sarah Gerstenzang,2007 The author describes her experiences being a foster parent discussing home visits intervention evaluation parenting training sessions transracial placement and other related topics **Parenting for the State** Teresa Toguchi Swartz,2020-11-25 Through careful ethnography and rich in depth interviews at a non profit foster family agency this book takes a look behind the scenes of our troubled foster care system [Child Care Policy at the Crossroads](#) Sonya Michel,Rianne Mahon,2013-12-16 Whether childcare is seen as part of society s educational policy welfare policy or employment policy affects not only its form and content but also its public image The contributors in this volume use current polices for the care of infants and preschool children to analyze debates and track the emergence of new state welfare practices across a variety of social and political configurations and offer some conclusions about which methods work the best **Six Steps to Successful Child Advocacy** Amy Conley Wright,Kenneth J. Jaffe,2013-11-26 Six Steps to Successful Child Advocacy Changing the World for Children by Amy Conley Wright and Kenneth J Jaffe offers an interdisciplinary approach to child advocacy nurturing key skills through a proven six step process that has been used to train child advocates and create social change around the world The approach is applicable for micro advocacy for one child mezzo advocacy for a community or group of children and macro advocacy at a regional national or international level This practical text offers skill building activities and includes timely topics such as how to use social media for advocacy Case studies of advocacy campaigns highlight applied approaches to advocacy across a range of issues including child welfare disability early childhood and education Words of wisdom from noted child advocates from the U S and around the world including a foreword from Dr Jane Goodall illustrate key concepts Readers are guided through the process of developing a plan and tools for a real life child advocacy campaign [Climate Change, Social Inequality, and Doom](#) William M. Epstein,2025-09-16 A critical examination of how inequality and cultural inertia hinder meaningful climate action The challenges of climate change like so many issues today are not evenly distributed across social and economic lines In this sobering exploration of the interconnected crises of climate change and social inequality William M Epstein examines how entrenched cultural values and systemic inequities thwart meaningful climate action driving humanity closer to catastrophic consequences Epstein outlines three potential climate futures ranging from manageable to devastating and scrutinizes society s inability to confront these realities with meaningful action He argues that solutions exist but they demand sacrifices and transformations that clash with deeply rooted societal norms Epstein highlights the global indifference to equality and environmental stewardship and exposes the tragic inertia that imperils democracy the environment and humanity itself By examining the broader

implications of inequality ranging from resource distribution to policy inertia he reveals how societal values shape environmental outcomes and the growing divide between those who bear the brunt of climate change and those who remain insulated Offering a sharp critique of romanticized individualism and its role in undermining collective action this provocative book challenges readers to rethink society's capacity and willingness to confront existential and environmental threats A profound and timely work Climate Change Social Inequality and Doom confronts the moral and political failures that define the climate crisis and reveals the stark choice between an equitable sustainable future and irreversible decline

Community Practice David A. Hardcastle, Patricia R. Powers, Stanley Wenocur, 2004 Community Practice is a comprehensive resource for social workers and students eager to learn how to practice effectively in complex systems and diverse communities In this completely revised edition of the definitive text in the field the authors have thoroughly updated each chapter and added two entirely new chapters on community building and community organizing New material on topics such as negotiation and mediation community advocacy participatory rural appraisal the narrative approach to social change community involvement representative client boards and the latest in grassroots endeavors make this text as inspiring as it is practical Drawing upon the wealth of information available from local organizations the Internet newspapers and academic journals the authors introduce contemporary experiments and analyze classic modes of community practice and change The content exercises and references offer instructors the flexibility necessary to tailor their courses to undergraduate graduate and doctoral level students This new edition will continue to provide a comprehensive and integrated overview of the theory and skills fundamental to all areas of social work practice Broad in scope it offers students as well as practitioners the tools necessary to promote the welfare of individuals and communities

Civil Liberties in America Samuel Walker, 2004-04-15 A concise authoritative guide to civil liberties issues in American society from freedom of speech and religious liberty to due process equal protection and privacy Written for a general audience this work clearly defines civil liberties and explains their legal basis in the Bill of Rights state constitutions legal statutes and administrative regulations It reviews the subject's history from 1917 to the present and covers the full range of civil liberties issues the First Amendment due process equal protection and privacy In addition to extensive material on past controversies such as the Scopes trial and the internment of Japanese Americans during World War II the book discusses important contemporary issues such as censorship on the Internet and drug testing The coverage also examines conflicting civil liberties issues such as hate speech which pits one person's freedom of expression against another's right to equal protection The book contains extensive bibliographic references to books and articles and a long list of website links to organizations active on all sides of today's civil liberties controversies

Shattered Bonds Dorothy Roberts, 2009-02-23 The story of foster care in the United States is the story of the failure of the social safety net to aid poor largely black parents in their attempt to make a home for their children Shattered Bonds tells this story as no other book has before from the perspective of a prominent black female legal

theoretician The current state of the child welfare system in America is a well known tragedy Thousands of children every year are removed from their parents homes often for little reason other than the endemic poverty that afflicts women and children more than any other group in the United States Dorothy Roberts an acclaimed legal scholar and social critic reveals the racial politics of child welfare in America through extensive legal research and original interviews with Chicago families in the foster care system She describes the racial imbalance in foster care the concentration of state intervention in certain neighborhoods the alarming percentages of children in substitute care the difficulty that poor and black families have in meeting state s standards for regaining custody of children placed in foster care and the relationship between state supervision of families and continuing racial inequality **IICAPS** Joseph L. Woolston, Jean Adnopoz, Steven Berkowitz, Steven Jay Berkowitz, 2007-01-01 This book presents a model of mental health treatment for children with serious psychiatric illnesses The IICAPS Intensive In Home Child and Adolescent Psychiatric Services program initially implemented by the authors in 1996 offers an alternative treatment paradigm for families Adopted at thirteen sites across Connecticut IICAPS has proven effective in reducing the need for inpatient and other institutional based services Intended for health providers and planners this book addresses the service system issues that confront child and adolescent mental health providers today The authors fully explain and outline the IICAPS treatment approach They conclude with a discussion of some of the unresolved challenges related to home based care for children with serious psychiatric disorders Juvenile Justice Francine Sherman, Francine Jacobs, 2011-09-15 The lessons in this book remind us that we can and that we must do better for the sake of our children their futures and the sake of our nation This volume is a call to action and I encourage everyone who reads it to take steps to ensure that all America s children are given an equal chance to succeed We must all work together to replace the cradle to prison pipeline with a pipeline to responsible productive adulthood From the Foreword by Marian Wright Edelman JD President and founder Children s Defense Fund Washington DC Juvenile Justice Advancing Research Policy and Practice appears at a critical time when promising juvenile justice reforms are underway in so many jurisdictions across the United States Sherman and Jacobs and their impressive array of expert authors fill a significant gap in the literature making the current body of juvenile justice research and experience accessible to policy makers researchers and funders and doing so through a practical and positive lens Patrick McCarthy President and Chief Executive Officer Annie E Casey Foundation Baltimore MD Most people have narrow views of what it means to be a delinquent youth In Juvenile Justice Advancing Research Policy and Practice Sherman and Jacobs have diligently collected essays from the top experts in the juvenile justice field who tell an empirically based and powerful narrative of who is really in the delinquency system As this book makes clear until we ask and answer the right questions we will remain unable to help the youth most in need Alexander Busansky President The National Council on Crime and Delinquency Oakland CA A comprehensive reference presenting a rehabilitative youth and community centered vision of juvenile justice Juvenile Justice Advancing Research

Policy and Practice brings together experts in juvenile justice child development and public health to explore the intersections between juvenile justice and needed development of programs and policies that look out for the health and well being of the youth who enter this system This timely book provides a usable framework for imagining juvenile justice systems that emphasize the welfare of juveniles achieved primarily through connections within their communities A must read for professionals working in juvenile courts and within juvenile justice agencies Juvenile Justice Advancing Research Policy and Practice reflects both the considerable advances and the challenges currently evident in the juvenile justice system with an emphasis on the development and implementation of policies that can succeed in building a new generation of educated young people able to embrace their potential and build successful futures **Becoming a Social Worker** Alex

Abramovich,Tasha Blaine,2021-03-23 A revealing guide to a career as a social worker based on the real life experiences of three distinguished social workers required reading for anyone considering a path to this profession Becoming a Social Worker takes you behind the scenes to find out what it s really like and what it really takes to become a social worker Acclaimed authors Alex Abramovich and Tasha Blaine shadow three distinguished social work professionals to reveal how this compassionate field changes lives Discover what it s like to tirelessly advocate for victims of domestic violence and sex trafficking investigate accidental drug overdose deaths in New York City and assist clients in a full time private practice Gain insight from these social workers paths as they offer wisdom and insight from their years of service Social workers have a common mission to serve people in need here is how this life changing job is actually practiced at the highest levels

Beginning with an analysis of cultural themes and ending with a discussion of evolving and expanding political and corporate institutions The Columbia History of Post World War II America addresses changes in America s response to the outside world the merging of psychological states and social patterns in memorial culture scandal culture and consumer culture the intersection of social practices and governmental policies the effect of technological change on society and politics and the intersection of changing belief systems and technological development among other issues Many had feared that Orwellian

institutions would crush the individual in the postwar era but a major theme of this book is the persistence of individuality and diversity Trends toward institutional bigness and standardization have coexisted with and sometimes have given rise to a countervailing pattern of individualized expression and consumption Today Americans are exposed to more kinds of images and music choose from an infinite variety of products and have a wide range of options in terms of social and sexual arrangements In short they enjoy more ways to express their individuality despite the ascendancy of immense global corporations and this volume imaginatively explores every facet of this unique American experience Southern Mercy
Annette Louise Bickford,2017-01-06 From the late nineteenth to mid twentieth century juvenile reformatories served as citizen building institutions and a political tool of state racism in post emancipation America New South advocates cemented their regional affiliation by using these reformatories to showcase mercies which were racialized gendered and linked to sexuality Southern Mercy uses four historical examples of juvenile reformatories in North Carolina to explore how spectacles of mercy have influenced Southern modernity Working through archival material pertaining to race and moral uplift including rare photos from the private archives of Samarcand Manor the State Home and Industrial Manor for Girls and restricted archival records of reformatory racial policies Annette Bickford examines the limits of emancipation and the exclusions inherent in liberal humanism that distinguish racism in the contemporary post race era **Encyclopedia of Law and Society**
David S. Clark,2007-07-10 This work will be very valuable for academic and public libraries supporting prelaw law social and cultural studies Summing Up Highly recommended Upper level undergraduates through professionals practitioners general readers CHOICE There are two aspects of scholarship about the legal systems of our day that are especially salient one being for the first time there is a fair amount of genuine research on legal systems and two that this research is increasingly global As soon as you cross a jurisdictional line even if it separates countries that are very similar you enter a different legal system It cannot be assumed that any particular rule doctrine or practice is the same in any two jurisdictions regardless of how close these jurisdictions are in terms of history and tradition The Encyclopedia of Law and Society is the largest comprehensive and international treatment of the law and society field With an Advisory Board of 62 members from 20 countries and six continents the three volumes of this state of the art resource represent interdisciplinary perspectives on law from sociology criminology cultural anthropology political science social psychology and economics By globalizing the Encyclopedia s coverage American and international law and society will be better understood within its historical and comparative context Key Features Includes more than 700 biographical entries that are historical comparative topical thematic and methodological Presents the rich diversity of European Latin American Asian African and Australasian developments for the first time in one place to reveal the truly holistic interdisciplinary virtues of law and society Examines how and why legal systems grow and change how and why they respond or fail to respond to their environment how and why they impact the life of society and how and why the life of society impacts in turn these legal systems With borders more

porous than ever before this Encyclopedia reflects the paradoxical reality of modern life including legal life This valuable resource aims to present research along with the theories on which it is grounded fairly and comprehensively and is a must have for all academic libraries Writing Immigration Marcelo Suarez-Orozco,Vivian Louie,Roberto Suro,2011-09-01

Bringing nuance complexity and clarity to a subject often seen in black and white Writing Immigration presents a unique interplay of leading scholars and journalists working on the contentious topic of immigration In a series of powerful essays the contributors reflect on how they struggle to write about one of the defining issues of our time one that is at once local and global familiar and uncanny concrete and abstract Highlighting and framing central questions surrounding immigration their essays explore topics including illegal immigration state and federal mechanisms for immigration regulation enduring myths and fallacies regarding immigration immigration and the economy immigration and education the adaptations of the second generation and more Together these writings give a clear sense of the ways in which scholars and journalists enter shape and sometimes transform this essential yet unfinished national conversation *Kinship by Design* Ellen

Herman,2009-08-01 What constitutes a family Tracing the dramatic evolution of Americans answer to this question over the past century Kinship by Design provides the fullest account to date of modern adoption s history Beginning in the early 1900s when children were still transferred between households by a variety of unregulated private arrangements Ellen Herman details efforts by the U S Children s Bureau and the Child Welfare League of America to establish adoption standards in law and practice She goes on to trace Americans shifting ideas about matching children with physically or intellectually similar parents revealing how research in developmental science and technology shaped adoption as it navigated the nature nurture debate Concluding with an insightful analysis of the revolution that ushered in special needs transracial and international adoptions Kinship by Design ultimately situates the practice as both a different way to make a family and a universal story about love loss identity and belonging In doing so this volume provides a new vantage point from which to view twentieth century America revealing as much about social welfare statecraft and science as it does about childhood family and private life
