Lost In Atlanta:

Lost in Atlanta Dean McCrary, Rikeem Wilburn, 2003 *Lost in Atlanta* Dean McCrary, 2005 *Lost in Atlanta* is an engaging tale about the affects of pretense and insecurity in Atlanta's youthful African American culture. The story follows the experiences of several characters male and female alike who have each subscribed to deception as a means of getting what they want from those who they have chosen to interact with. Throughout the course of the story they come to discover that they have each become victims of their own practices forcing them to re-evaluate their priorities. **The Crisis** William Edward Burghardt Du Bois, 1927 **Crisis** William Edward Burghardt Du Bois, 1927 A record of the darker races **NBA Register** George Puro, 1994 **Lost Atlanta** Michael Rose, 2015-05-01 A vivid journey back into Atlanta's past revealing some of the city's most grievous losses to the wrecking ball. Old theaters, hotels, ballparks, civic buildings and the early transport system of Atlanta are recalled in this book written by an Atlanta historian and his colleagues at the Atlanta History Center. Listed in chronological order the losses stretch back to 1821 and the Creek Indians. Major events in Atlanta history are covered such as the Civil War destruction of 1864, the Cotton States International Exposition of 1896, the Great Atlanta Fire of 1917, right through to 1996 and the dismantling of key venues after the 1996 Olympic Games. Sites include Georgia State Capitol, Ponce de Leon Springs, Jacob's Pharmacy, Candler Race Track, Union Passenger Depot, Kimball House Hotel, Atlanta Crackers, Buttermilk Bottom, Hebrew Orphanage, Henry Grady Hotel, Plaza Park, 1904 Atlanta Terminal Station, The Omni, the Greyhound Bus Terminal, Fort Hood and the Ponder House, Piedmont Hotel, Lake Abana, the Howard Theatre and ferries across the Chattahoochee. The history of her regiments, and other military organizations Whitelaw Reid, 1868

Many Were Held by the Sea R. Neil Scott, 2012-06-18 At 8:43 a.m. on the morning of Sunday October 6, 1918, HMS Kashmir rammed HMS Otranto off Islay, Scotland. Both ships were former British passenger liners from the P & O Steamship Company that had been pulled into the war to ferry American soldiers between New York and various British ports. On this stormy morning, however, they were part of Convoy HX 50 carrying troops to Liverpool. On board were 372 British officers and sailors and 701 American soldiers. The Americans were mostly Southern farm boys from Fort Screven in Savannah under the command of Lt Sam Levy, a Georgia Tech graduate from Atlanta. The Kashmir managed to back away and follow the harsh wartime order that required her to ignore any maritime disasters that might befall her sister ships and to continue on her prescribed course rather than stop and take on survivors. Thus it was that with winds blowing at 70 to 75 mph and waves at more than 60 feet, the severely damaged Otranto was left dead in the water with more than a thousand souls aboard. Many Were Held by the Sea. The Tragic Sinking of HMS Otranto tells the story of what happened during that voyage, mostly from the perspective of the American soldiers and builds to the disastrous conclusion. The narrative details the courage of the young men on board, men who for the most part had never seen the ocean or learned to swim. It tells of the anguish from the home front as family members had to wait weeks to learn the fate of their relatives. In addition, Scott's narrative tells the

personal story of Lieutenant Craven of the Royal Navy serving as Commander of the rescue ship who was forced to gamble with the lives of those on both ships in order to save the maximum number of passengers Nineteenth century John Clark Ridpath,1890 **The Ordeal of Mansart** W. E. B. du Bois,2025-06-18 W E B Du Bois The Ordeal of Mansart is the first volume in The Black Flame trilogy a sweeping historical novel series that chronicles the complex and often painful journey of African Americans from Reconstruction to the mid 20th century Through the life of its central character Manuel Mansart Du Bois explores themes of race education power and identity in a society defined by systemic racism and inequality Beginning in the late 19th century the novel follows Mansart from childhood through his early years as a student and educator depicting his struggles to navigate a world where Black ambition is met with resistance at every turn Set against the backdrop of the post Civil War South and the early stirrings of the civil rights movement Mansart s story reflects the broader experiences of a people striving for dignity and self determination Blending fiction with historical realism Du Bois brings to life the challenges faced by Black Americans during a critical era of change using Mansart s personal journey as a lens through which to examine racial injustice political upheaval and the transformative power of education The Ordeal of Mansart lays the foundation for the epic trilogy offering a profound meditation on perseverance leadership and the enduring fight for freedom and equality A vital work of historical fiction this novel is essential reading for those interested in African American history literature and the legacy of one of the 20th century s most influential intellectuals
