**The Way of Chuang Tzu** Thomas Merton, 2004 Chuang Tzu considered along with Lao Tzu one of the great figures of early Taoist thought used parables and anecdotes allegory and paradox to illustrate that real happiness and freedom are found only in understanding the Tao or Way of nature and dwelling in its unity The respected Trappist monk Thomas Merton spent several years reading and reflecting upon four different translations of the Chinese classic that bears Chuang Tzu's name The result is this collection of poetic renderings of the great sage's work that conveys its spirit in a way no other translation has and that was Merton's personal favorite among his more than fifty books Both prose and verse are included here as well as a short section from Merton discussing the most salient themes of Chuang Tzu's teachings *The Children's Hour* Timothy Shay Arthur, 1867 **A Companion to the Gawain-poet** Derek Brewer, Jonathan Gibson, 1997 It ends with a discussion of the reception of the Morte Darthur from the sixteenth to the twentieth centuries and a select bibliography

**An Artist in the Rigging** William B. Dillingham, 2008-08-01 An Artist in the Rigging is a study of Herman Melville's early novels Typee Omoo Mardi Redburn and White Jacket The author considers these fictions from the standpoint of thematic relationship rather than of chronological development He shows that while the five hero narrators are separate and distinct entities they have much in common and can be seen as representing different facets of an emergent composite hero from the sensitive and restless young man who leaves home to search hungrily for experience to the wanderer immersed in a deep probing of himself and his world The hero's thirst for psychological independence what comes to be his overriding ambition is never satisfied and destruction becomes inevitable culminating in a paradoxical apotheosis in which the narrator hero achieves this independence but only at the expense of his humanity Dillingham persuasively demonstrates the interrelated qualities of these five novels and in so doing he shows that the young Melville was a far greater literary artist than he gave himself credit for being This fiction constitutes a powerful achievement in richness of texture range of effect and depth of characterization as An Artist in the Rigging makes clear **The Gnostic Religion** Hans Jonas, 2015-11-10 The Message of the Alien God and the Beginnings of Christianity

Harris,2023-12-30 The dual purpose of the revision of this work has been simplification and amplification The language has been recast in parts and there have been added sub titles within each chapter cross references and an index Ideas such as Religion as law the Logos of Philo and the development of Messianism have been made as simple as these subjects admit of In seeking illustrations to vivify the narrative it is unfortunate that so little is available Ah if we had pictures of Hillel of Akiba the Martyr of Judah the Saint of the Jamnia Academy of the splendor of the Babylonian Exilarch But this very absence of pictures is in itself a bit of Jewish history This new edition contains quotations from the literature of the periods covered from the Apocrypha Philo Josephus and the Mishna Three chapters have been added two on Stories and Sayings of the Sages of the Talmud and one on Rabbi Judah and his times Other chapters have been placed in more logical sequence Both the Chronological Tables and the Notes are fuller A new feature has been introduced in a theme for discussion at the close of each chapter that may be found helpful to study circles and Chautauqua societies This has also been introduced in the recently issued Modern Jewish History The author expresses his grateful indebtedness to Dr David de Sola Pool for a most careful reading of the manuscript and for many corrections and suggestions also to Mr Philip Cowen for the aid rendered in collecting the illustrations The author has availed himself of writings that have appeared on this epoch

since the edition of 1904 He hopes he has succeeded in producing a more readable book When the impatient youth demands like the heathen from Hillel a definition of Judaism bid him go and learn the history of the Jew Let him follow the fascinating story from hoar antiquity when the obscure Hebrews leaving kindred and father s house took a bold and new departure for the land that God would show the land that would show God Point to the colossal figure of Moses on Sinai greatest of the prophets who gave the first uplifting impulse with his Ten Words of Faith and Duty Trace with him the soul struggle of this fewest of all peoples to reach the truth of divinity beginning with a crude conception that became steadily more exalted and more clarified with each successive age until at last the idea is realized of an all pervading Spirit with righteousness and justice as the pillars of His throne the refuge of all generations Make clear to him how the revelation of the divine will came to be expressed in Law And how the preservation and development of this Law in the interpreting hands of prophets scribes rabbis poets and philosophers became henceforth the controlling motif of the history of the Jew his modus vivendi whether under Babylonians Persians Greeks Romans Arabians or Franks Help him to see that through it the Jew held in his keeping the religious fate of Orient and Occident that took from him their respective impressions of Islamism and Christianity Let him see the God intoxicated teaching his message by living it the Suffering Servant whose martyrdom brought healing to his smiters Then perhaps he may understand that no one definition can completely express the Faith of the Jew and his place in the divine economy But with this glimpse of his history the grandeur of his inheritance will sink into his consciousness becoming part of himself and he will be thrilled with the tremendous responsibility devolving upon him as a member of the priest people the witnesses of God whose mission was and is to bring light to the Gentiles that salvation may reach to the ends of the earth By e Kitap Projesi Illustrated by Murat Ukay **A Thousand Years** Maurice H. Sex, Drugs, and Sea Slime Ellen Prager,2024-05-31 When viewed from a quiet beach the ocean with its rolling waves and vast expanse can seem calm even serene But hidden beneath the sea s waves are a staggering abundance and variety of active creatures engaged in the never ending struggles of life to reproduce to eat and to avoid being eaten With Sex Drugs and Sea Slime marine scientist Ellen Prager takes us deep into the sea to introduce an astonishing cast of fascinating and bizarre creatures that make the salty depths their home From the tiny but voracious arrow worms whose rapacious ways may lead to death by overeating to the lobsters that battle rivals or seduce mates with their urine to the sea s masters of disguise the octopuses Prager not only brings to life the ocean s strange creatures but also reveals the ways they interact as predators prey or potential mates And while these animals make for some jaw dropping stories witness the sea cucumber which ejects its own intestines to confuse predators or the hagfish that ties itself into a knot to keep from suffocating in its own slime

there's far more to Prager's account than her ever entertaining anecdotes again and again she illustrates the crucial connections between life in the ocean and humankind in everything from our food supply to our economy and in drug discovery biomedical research and popular culture Written with a diver's love of the ocean a novelist's skill at storytelling and a scientist's deep knowledge *Sex Drugs and Sea Slime* enchants as it educates enthralling us with the wealth of life in the sea and reminding us of the need to protect it **Jewish Meditations on the Meaning of Death** Chaim Z.
