Lost Victories The Military Genius Of Stonewall Jackson

Bevin Alexander

Lost Victories The Military Genius Of Stonewall Jackson:

Lost Victories Bevin Alexander,1996-09-01 Drawing on primary sources an authoritative account of the first two years of the Civil War **Lost Victories** Bevin Alexander,1992 An account of the career of the Civil War s master tactician argues that it was Lee s strategic timidity and not his prescience that prevented Jackson from striking north across the Potomac to force a peace 15 000 first printing **The Stonewall Brigade in the Civil War** Steven M. Smith and Patrick Hook,

How the South Could Have Won the Civil War Bevin Alexander,2008-11-25 Destroying conventional historical wisdom acclaimed military historian Bevin Alexander reveals how the South most definitely could have defeated the North and how close a Confederate victory came to happening Alexander shows How the Confederacy had its greatest chance to win the war just three months into the fighting but blew it How the Confederacy s three most important leaders President Jefferson Davis and Generals Robert E Lee and Thomas Stonewall Jackson clashed over how to fight the war How the Confederate army devised but never fully exploited a way to negate the Union s huge advantages in manpower and weaponry How Abraham Lincoln and other Northern leaders understood the Union s vulnerability better than the Confederacy s leaders did How the South Could Have Won the Civil War provides a startling account of how a relatively small number of tactical and strategic mistakes cost the South the war and changed the course of history **Chancellorsville 1863** Carl Smith,2012-10-20 Fully illustrated including with battle maps this account of the Battle of Chancellorsville features detailed coverage from experienced military writer Carl Smith Following the debacle of the battle of Fredericksburg in December 1862 Burnside was replaced as commander of the Army of the Potomac by General Joseph Hooker Having reorganised the army and improved morale he planned an attack that would take his army to Richmond and end the war Although faced by an army twice his size the Confederate commander Robert E Lee split his forces Jubal Early was left to hold off Sedgwick s Fredericksburg attack and Stonewall Jackson was sent with 26 000 men in a wide envelopment around Hooker s right flank This title details how at dusk on May 2 Jackson s men crashed into the Federal right flank and how stiffening Federal resistance slowed the Confederate advance the next day Genteel Rebel Sheila R. Phipps,2003-10-13 As a Confederate sympathizer in the hotly contested small border town of Winchester Virginia she ran an underground postal service hid contraband under her nieces dresses abetted the Rebel cause and was finally banished Jacket *Parameters* ,1993 *How Great Generals Win* Bevin Alexander,2011-07-25 An astute military historian s appraisal of what separates the sheep from the wolves in the great game of War Kirkus Reviews If a key to military victory is to get there first with the most the true test of the great general is to decide where there is the enemy s Achilles heel Here is a narrative account of decisive engagements that succeeded by brilliant strategy more than by direct force The reader accompanies those who fought from Roman legionaries and Mongol horsemen to Napoleonic soldiery American Civil War Rebels and Yankees World War I Tommies Lawrence of Arabia s bedouins Chinese revolutionaries British Desert Rats Rommel s Afrika Korps and Douglas MacArthur s

Inchon invaders However varied their weapons the soldiers of all these eras followed a commander who faced the same obstacles and demonstrated the strategic and tactical genius essential for victory All warfare is based on deception wrote Sun Tzu in The Art of War in 400 BCE Bevin Alexander shows how great generals have interpreted this advice and why it still holds true today

America's Military Adversaries John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history

The Human Tradition in the Civil War and Reconstruction Steven E. Woodworth,2000-02-01 The Human Tradition in the Civil War and Reconstruction brings alive this decisive period in American history by taking the reader beyond the realm of generals presidents and the other towering figures of history and introducing fourteen individuals who represent the variety of people who made up the great mass of the nation in the middle of the nineteenth century Readers will meet women like LaSalle Pickett whose activities not only reveal a good deal about marriage and gender during the period but also offer a fascinating look at the postwar southern propaganda effort on behalf of the Lost Cause A chronicle of the home front is offered in the piece on journalist poet and novelist Lucy Virginia French The abolition movement particularly as an outgrowth of religious conviction is covered in the sketch of Charles Grandison Finney The chapters on Robert Smalls and Willis Augustus Hodges illustrate the roles played by African Americans during the war and Reconstruction Francis Nicholls s virulent southernism is counterpointed in the sketch of Charles Henry Foster whose unionism in a southern state highlights the complexity of choices and motivations of Americans in the Civil War era Readers will also meet people like Winfield Scott Hancock and Richard S Ewell whose experiences illustrate the challenges confronted by mid ranking military commanders The naval war often a neglected aspect of the era is the focus of the piece on Raphael Semmes and a chapter on common soldier Peter Welsh reflects the important part played by immigrants in this conflict An excellent resource for courses on this tumultuous era The Human Tradition in the Civil War and Reconstruction examines a side of this historical period rarely seen in standard texts

Immerse yourself in the artistry of words with is expressive creation, **Lost Victories The Military Genius Of Stonewall Jackson** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
