Lisa M. Russell,2020 The textile era was born of a perfect storm When North Georgia s red clay failed farmers and prices fell during Reconstruction opportunities arose Beginning in the 1880s textile industries moved south Mill owners enticed an entire workforce to leave their farms and move their families into modern mill villages encased communities with stores theaters baseball teams bands and schools To some workers mill village life was idyllic They had work recreation education shopping and a home with the modern conveniences of running water and electricity Most importantly they got a paycheck But after the New Deal workers started to see the raw deal they were getting from mill owners and rebelled Strikes and economic changes began to erode the era of mill villages and by the 1960s mill village life was all but gone Author Lisa Russell brings these once vibrant communities back to life The Lost Tree Of Life Don Johnson,2014-01-04 Welcome to

Beaver Village Pit in Alaska where botanist Kenai Cranston searches for extinct plants within the frozen tundra of The Last Frontier During his research Cranston discovers seeds from the Garden Of Eden s Tree Of Life The tree s seeds are stolen and the fight for the fruit is the beginning of what could become World War III The Lost Tree takes an intensely personal look at a wide range of human relationships and personality extremes Characters run from outrageously callous to the extremely tender The story chronicles senseless human greed mixed with the humor of trying to obtain excessive wealth Great care is shown in closely tracking mankind s history while suggesting possible earthly and heavenly mechanisms which could have been used in generating that history The Lost Tree Of Life is a fictional account of what may have been going on behind the scenes during some of mankind s most amazing history *Unicorn Magic* Morgan B.
