Books of the Bible and The Forgotten Books of Eden Rutherford Hayes Platt, 1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style **The Lost Books of the Bible and the Forgotten Books of**

Eden Anonymous, 1974-12-01 Suppressed by the early Church Fathers who compiled the Bible these Apocryphal Books have for centuries been shrouded in silence Now for the first time in paperback the reader can discover the hidden beauties of the Lost Books To be found in this volume are the Apostles Creed the Psalms and Odes of Solomon and other Apocryphal writings that have become part of our religious heritage The story of Joseph and Potiphar s wife of Adam and Eve of the girlhood and betrothal of Mary of the childhood of Jesus are here in all the warmth intimacy and humanity of their first telling The

Forgotten Bible J.R. Porter, 2012-01-01 In the years leading up to the Common Era the Jewish people drew faith from hundreds of sacred writings many of which claimed to contain the words of prophets kings and patriarchs even Adam Similarly the early Christians produced a wealth of texts that the established Church dismissed or branded heretical they range from legends about the boy Jesus to the mystical Gnostic gospels Because these powerful often beautiful works were written out of the Jewish and Christian Bibles for centuries most remained unknown outside a small circle of theologians and academics With profound scholarship Professor J R Porter has now gathered these ancient texts in a richly illustrated anthology pairing translated extracts in accessible modern language with commentaries that illuminate their character and importance Forbidden Texts on the Western Frontier Tony Burke, 2016-01-28 North American study of the Christian

Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer s theory on the development of early Christianity The papers in this volume presented in

September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus Forbidden Texts on the Western Frontier demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field

What source material outside of the Bible was used by the authors of the Gospels How does patch stitching work How might religious terminology commonly used in ancient Israel be filtered and given a different meaning by a Gentile pagan audience What implications did this hold for the rise of Christianity How were the crucifixion scenarios constructed Were all of the sources used in their construction Biblical Did the writings of Josephus influence the written Word How did Jesus evade arrest How did he operate a supply and intelligence network which reached into the palace of Herod the tetrarch and into the temple Details of its operation such as departmentalization and recognition signals are noted How did Jesus send a message to Herod along this grapevine What were the circumstances of his arrest What was Judas' role The evidence holds out the intriguing possibility that his role as traitor may not be accurate What were the charges Based upon the Gospels was Jesus sentenced to death for blaspheming According to the Gospels was a terrorist a member of Jesus' inner circle If a criminal profile was put together for Jesus using the Gospels as our source what would it look like What would it tell the law enforcement personnel of his day about him What was his mission from God How did he fulfill his role Why did he have to die How has his message and its implications changed the world in positive ways and ways not so positive How did he radically

redefine western culture How does the world still grapple with the implications of what he said and what he was about

The Gospel of Mary Magdalena And Me Rethy Devi,2021-08-31 I m pleased to introduce my novel I have invested last 10 years of my life researching writing and rewriting this book More than 500 books I have read before I wrote this novel Born out of diversity each of these women lived apart for centuries without any meeting finally provides a context and a narrative style unique to this novel And it unravels a freshness of spirit The tug of war between the ideologies of the east and west the interplay of similarities in human nature spread over a vast expanse of time help interpret and understand herself The story draws its inspiration from my interest in the intriguing nature of feminist ideas alongside spirituality and sexuality It was a sincere effort to highlight my passion for feminist philosophies psychology and politics I chose to write a fiction as I enjoy telling stories and found it a good medium to weave in my other interests in sociology history metaphysics and quantum physics The first part of the novel deals with the recital of life experiences of Mary Magdalene who lived nearly two thousand years ago there was a noble woman called Lexmi who lived in modern era In the second part Lexmi relates to Mary Magdalene her woes as a philosopher and her frustrations reflective of life in today s world War is just like terrorism 20 million people died in the two world Wars and 10 million people vanished at the time of partition of India My novel is seriously discussing these issues

Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

Building Bridges of Time, Places and People: Volume I J. Marc Merrill,2012-05-03 Mysteries associated with ancient Egypt are not confined to the pyramids of Giza For example consider these One Egyptian hieroglyph is patterned after a bird known as the jabiru another is an image of a saguaro cactus Both the jabiru and the saguaro are found only in the Western Hemisphere so how did they become hieroglyphs Tutankhamen is referred to as the boy king by Egyptologists Why then were statues found in the tomb portraits of a young woman Hatshepsut is said to have been a female pharaoh who reigned for 22

years but then disappeared from the scene What happened to her And why was her image expunged from the walls of temples Senenmut a favorite of Hatshepsut wrote that he had access to all the writings of the prophets Which prophets did he mean Why does the face of the mummy of Ramesses II not match the statues of this great pharaoh Also why did the embalmers remove the stomach and place the heart on the right side of the thorax And why were diced tobacco leaves from the Western Hemisphere used to line the chest cavity Why was Yuya supposedly the father of the great Queen Tiy buried with three coffins while his wife had only two Moreover why did the mask that covered his face along with the face on the innermost coffin look totally different from the mummy and from each other Death masks were found not just in Egypt but in Greece as well The most famous of these came from grave 5 at Mycenae Each eye of this gold mask has double eyelids In addition like the Sphinx at Giza and the Shroud of Turin the left eye is higher than the right and the mouth is not centered How can such similarities be explained Turning to Italy on the underside of the right wrist of the Prima Porta statue of Augustus there is the distinct impression of the head of a spike According to historians this statue depicts the first emperor of Rome but what if it is instead a portrait of a man who was crucified These mysteries along with many others are examined in detail and then convincingly explained in this first of two volumes to explore crucial links between Egypt Israel Greece and Italy

Being Human - A Guide to Metaphysics Vaughan Wynne-Jones, 2000-12-20 It s an exploration of humanity from its early beginnings to the precarious situation we find ourselves in now It s a study of the world s religions and mores and how they all point back to a single starting point It s an attempt to make people think for themselves for a change and to see that whatever our outward differences we are all ultimately the same

5000 Years of Popular Culture Fred E. H. Schroeder, 1980 This collection of insightful essays by outstanding artists anthropologists historians classicists and humanists was developed to broaden the study of popular culture and to provide instances of original and innovative interdisciplinary approaches Its first purpose is to broaden the study of popular culture which is too often regarded in the academic world as the entertainment and leisure time activities of the 20th century Second the collection gives recognition to the fact that a number of disciplines have been investigating popular phenomena on different fronts and it is designed to bring examples of these disciplines together under the common rubric of popular culture Related to this is a third purpose of providing instances of original and innovative interdisciplinary approaches Last the collection should be a worthwhile contribution to the component disciplines as well as to the study of popular culture

Bounded Choice Janja A. Lalich, 2020-11-30 Heaven s Gate a secretive group of celibate monks awaiting pickup by a UFO captured intense public attention in 1997 when its members committed collective suicide As a way of understanding such perplexing events many have seen those who join cults as needy lost souls unable to think for themselves This book a compelling look at the cult phenomenon written for a wide audience dispels such simple formulations by explaining how normal intelligent people can give up years of their lives and sometimes their very lives to groups and beliefs that appear bizarre and irrational Looking closely at Heaven s Gate and

at the Democratic Workers Party a radical political group of the 1970s and 1980s Janja Lalich gives us a rare insider's look at these two cults and advances a new theoretical framework that will reshape our understanding of those who join such groups Lalich's fascinating discussion includes her in depth interviews with cult devotees as well as reflections gained from her own experience as a high ranking member of the Democratic Workers Party Incorporating classical sociological concepts such as charisma and commitment with more recent work on the social psychology of influence and control she develops a new approach for understanding how charismatic cult leaders are able to dominate their devotees She shows how members are led into a state of bounded choice in which they make seemingly irrational decisions within a context that makes perfect sense to them and is in fact consistent with their highest aspirations In addition to illuminating the cult phenomenon in the United States and around the world this important book also addresses our pressing need to know more about the mentality of those true believers who take extreme or violent measures in the name of a cause **Building Bridges of Time, Places**
