Message Of Acts To The Ends Of The Earth:

The Message of Acts John R. W. Stott, 1991 **The Message of Acts - to the Ends of the Earth** Jo Saxtron, 2020-12-03

How does the life of the early church help us live as Christians today John Stott unpacks Acts in this readable and relevant Bible commentary **Experiencing Irony in the First Gospel** Karl McDaniel, 2013-10-24 The Gospel of Matthew is both deliberately deceptive and emotionally compelling Karl McDaniel explores ways in which the narrative of the Gospel of Matthew elicits and develops the emotions of suspense surprise and curiosity within its readers While Matthew 1:21 invites readers to expect Jewish salvation progressive failure of the plot's main characters to meet Jesus' salvation requirements creates increasing suspense for the reader How will Jesus save his people The commission to the Gentiles at the Gospel's conclusion provokes reader surprise and the resulting curiosity calls readers back to the narrative's beginning Upon rereading with a retrospective view readers discover that the Gentile mission was actually foreshadowed throughout the narrative even from its beginning and they are invited to partake in Jesus' final commission *Preaching as the Word of God* Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory Eschatological Discipleship Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus **Discovering the Mission of God** Mike Barnett, Robin Martin, 2012-07-03 Written by a team of 21st century scholar practitioners Discovering the Mission of God explores the mission of God as presented in the Bible expressed throughout church history and in cutting edge best practices being used around the world today *ESV Gospel Transformation Study Bible: Christ in All of Scripture, Grace for All of Life (Ebook)* Crossway, 2019-04-02 This study Bible is a must have to help us see Jesus Christ throughout the whole Bible biblereviewguys.com The ESV Gospel Transformation Study Bible is designed to help readers see Christ in all of

Scripture and grace for all of life It features book introductions gospel centered study notes and a series of all new articles written by a team of over 50 pastors and scholars This content explains passage by passage how God s redemptive purposes culminate in the gospel and apply to the lives of believers today Readers will be challenged to see how the message of the gospel transforms sinners from the inside out **James of Jerusalem** Patrick J. Hartin,2004 By paying attention to passages in the New Testament where James the brother of the Lord or James the Righteous One or simple James the Just appears directly or indirectly this study illustrates James role within the early Christian movement It shows the richness and diversity of early Christianity and how it defined itself in relationship to its roots in Judaism and ever increasing number of believers who joined the movement from the wider Greek and Roman worlds **Echoes of Exodus** Bryan D.

Estelle,2018-01-30 Israel s exodus from Egypt is the Bible s enduring emblem of deliverance But more than just an epic moment the exodus shapes the telling of Israel s and the church s gospel In this guide for biblical theologians preachers and teachers Bryan Estelle traces the exodus motif as it weaves through the canon of Scripture wedding literary readings with biblical theological insights *The Art of the Saint John's Bible* Susan Sink,2013 From the time that pages of The Saint John s Bible began touring in major exhibitions nearly a decade ago people have been moved captivated and inspired by this stunning work of modern sacred art But they often have questions about the illuminations that are scattered throughout the Bible especially as they first become familiar with it Why was a certain Scripture passage chosen for illumination rather than another What materials and source imagery are behind the illuminations The Art of The Saint John s Bible provides answers to these important questions and many others Initially published in a series of three volumes each book has now been revised by the author and included together in this helpful single volume Since The Saint John s Bible is now complete Susan Sink makes connections between recurring images and motifs throughout the work and reflects on the images with a view to the whole Her book promises to intensify and expand the experience of all who come in contact with The Saint John s Bible

Theology and Practice of Mission Bruce Riley Ashford,2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing Theology and Practice of Mission provide a clear biblical theological framework for understanding the church s mission to the nations Toward that goal the book holds three major sections God s mission the church s mission and the church s mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible s four movements Creation Fall Redemption and Restoration Part two sees the mission of God s people in the light of God s mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at

God's disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns After Emmaus Brian J. Tabb, 2021-11-17 The church's mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24:46-47 reveals about God's messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus's last words to his disciples Christians today will be motivated to participate in the Messiah's mission *The Gospels* Mark L. Strauss, 2018-02-01 The four New Testament books known as the Gospels give us a rich perspective into the life of Jesus While each may focus on various spiritual themes or present different aspects of Jesus's earthly life each gospel should be respected and appreciated for its literary and historical integrity Each writer's gospel book fueled by the Holy Spirit gives a unique window into who Jesus Christ is and what He came to accomplish Together they weave a beautiful tapestry of the story of salvation *NIV® Standard Lesson Commentary® 2025-2026* Standard Publishing, 2025-06-03 As the world's most popular annual Bible commentary for more than three decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume Designed for all types of Bible study every lesson includes Printed Scripture text in either KJV or NIV Verse by verse commentary to explain and interpret Scripture Discussion questions to spark conversation and deeper reflection How to Say It pronunciation guide for biblical names and places Verbal illustrations that connect lesson themes to modern life Learning activities to encourage life application This Quarter in the Word daily Bible readings to encourage study throughout the week A quarterly review quiz to test comprehension of Scripture Free reproducible student activity pages and other helpful resources for each lesson Trusted for over 60 years this verse by verse commentary will guide you in an in depth study of the Bible Following the International Sunday School Lessons ISSL Uniform Series Standard Lesson explores new topics every year Deepen your understanding of Scripture in 2025-2026 with these areas of study Judah From Isaiah to the Exile Isaiah 2 Chronicles Jeremiah 2 Kings Ezekiel This section invites us to discover and appreciate how God through prophets and other leaders gave help and guidance to the people of Judah As we study these people we will see God's hand at work in their lives just as he is at work in our lives and all human affairs Enduring Beliefs of the Christian Faith Exodus Psalms The Gospels Acts Romans 1 and 2 Corinthians Ephesians 2 Timothy 1 John Revelation This section encourages us to meditate on the fundamental beliefs of the Christian faith This study will show us that God has revealed his grace and mercy As a result God's
