The Method of Grace, in the Holy Spirit's Applying to the Souls of Men the Eternal Redemption Contrived by the Father, and Accomplished by the Son. A Sequel to the Fountain of Life, &c John Flavel,1852 **The Method of Grace, in Bringing Home the Eternal Redemption, Contrived by the Father, and Accomplished by the Son Through the Effectual Application of the Spirit Unto God's Elect; Being the Second Part of Gospel Redemption, Etc** John FLAVELL,1681 **Methods Which Are Opposed to the Spirit of Christ's Teaching** Cyril Scott,2005-12-01

Matthew Frederick Dale Bruner,2007-06-25 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner s study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God s people love what Matthew s Gospel says Bruner s work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew s Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner s commentary is replete with lively verse by verse discussion of Matthew s text While each chapter expounds a specific topic or doctrine the book s format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Bruner s Matthew will remain as a reviewer for Interpretation wrote the most dog eared commentary on the shelf Volume 1 of Bruner s commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus coming chapters 1 4 his teaching 5 7 his miracles 8 9 his sermon on mission 10 and his person 11 12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner s two volume commentary on Matthew now stands among the best in the field *The Method of Grace in Bringing Home the Eternal Redemption ... Being the Second Part of Gospel Redemption* John Flavel,1699 **1 Corinthians: A Social Identity Commentary** J. Introducing Christian Education will become a major resource text for church leaders and Christian education leaders who are professors of Christian education It will be a valuable resource in my personal library The desired outcome will be Psalm 78 72 He cared for them with a true heart and led them with skillful hands *The Holy Bible ... with Explanatory Notes ...*
By Thomas Scott. A New Edition, with Corrections by the Author ,1814 *Messenger and Visitor* ,1919 **Capture the Moment** Gregg Matte,2021-12-01 Teach us to number our days carefully so that we may develop wisdom in our hearts These words from Psalm 90 prayed by Moses reflect an eternal truth we need God s help to number our days and to capture every moment so that we can live it with wisdom Capture the Moment is a 365 day devotional that will help you do just that For those who get bogged down in the mundane distracted by the noise and lost in the busyness pastor and author Gregg Matte has written these daily devotions to point us back to what matters most Begin or end each day with a short snippet of Scripture and a helpful devotional thought so that you can capture each moment rather than letting it slip away **A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder

and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
