My Friend Jenni:

My Friend Jenni Peter Rogers, 2005 Jon Stern is nearing the end of his school days and he doesn't know what to do. Neither athletic or clever, his options seem limited; the only thing he is interested in is playing the piano. But when Jenni comes along, she fills Jon with the confidence he so badly needs, and soon he is performing on the concert platform.

Jennifer, Where Are You? Katherine Ann Longo, 2011-09-06 In November of 1982, Katherine Ann Longo's life changed forever. Her daughter disappeared. It was a mother's worst nightmare. When the authorities failed to solve the case, Kathy didn't take "we don't know" for an answer. She began her own investigation. In her opinion, she gathered strong supporting evidence that pointed to a viable suspect for the police. But even with what Kathy considered to be proof, the authorities refused to cooperate. The person she deemed responsible for her daughter's disappearance went unquestioned. Even after she supplied them with photographic evidence, she couldn't get anyone to listen to her. What she was forced to endure in the course of her own personal investigation is chilling. Kathy was jailed, fired, and threatened. She was faced with sexual blackmail by those in authority just for trying to get them to do their jobs. Hers was a terrifying descent into a world of deceit, pornography, child trafficking, and suicide. And for her efforts, she received a trip negotiated by the FBI into a state penitentiary. Her family was threatened, her friends were harassed, and a newscaster actually lost his job for airing her story on TV. Police officials didn't appreciate the bad publicity they received and actively tried to discredit Kathy. But throughout this entire nightmarish event, the residents of Tampa, Florida, assisted Kathy in every possible way imaginable. This book is her thank you to those people who didn't give up on her. *Jennifer* Robert Mitchell, 2012-09-14 George's family were working class, moving from one tied cottage to another, which eventually took them to a private girls' school. George was still pining for his childhood sweetheart who drowned in a boating accident along with her family. A chance meeting with a new pupil at the school, Jennifer helped him close that chapter in his life. There now followed a warning from the past: schoolboy girl romance, ghosts, and chilling music. He had lost the love of his life and was now building a new relationship, or was he?

Please Don't Go Back where You Came from John O'Brien, 1994 **Jennifer Lawrence: Girl on Fire - The Biography** Nadia Cohen, 2016-03-03 JENNIFER LAWRENCE is the reigning queen of lots of things: Hollywood, the awkward award ceremony stumble, and hundreds of priceless BuzzFeed pages, to name a few. She announced herself to the world at a young age in *The Burning Plain* and *Winter's Bone*, gripping dramas set in America's deprived heartland. Ironical then that such a gifted character actress has become a household name through two of the biggest fantasy roles in the business: the deadly shapeshifting assassin Mystique from Marvel's *X-Men* series, and the gutsy warlike heroine of Suzanne Collins' bestselling *Hunger Games* trilogy, Katniss Everdeen. As Katniss and Mystique, she owns the screen, oozing grace, attitude, and menace, redefining the roles of women in action films as more than ragdolls to be saved by muscle-bound men. This girl doesn't need saving by anyone. But Jennifer couldn't be more different off screen. Always ready with a smile or a quip about
