## **My Glorious Brothers:**

**My Glorious Brothers** Howard Fast, 2011-11-01 Fast is at his best as a storyteller Christian Science Monitor The strength of five brothers will define a nation My Glorious Brothers is the epic story of perhaps the most breathtaking chapter in the history of Israel a stirring tale of courage for those who like to find meaning for today's world in the great events of history After witnessing a ransacked and desecrated Jerusalem Simon and his four brothers soon to be known and revered as the Maccabees rise to lead an earthshaking rebellion Their tale has almost no parallel in human history Theirs was the will fire and unbending spirit that inspired the timeless rite of Hanukkah transforming a society of farmers and scholars into an unconquerable army that would wage the first modern fight for freedom and the first victory for religious freedom Master storyteller Howard Fast recounts the story of great battles brutal atrocities and undying love and loyalty But it is also a sensitive and sure picture of a people and an age in which the mood of a small but spirited segment of humanity two thousand years ago is recreated with gripping authenticity PRAISE FOR HOWARD FAST Emotional exciting and entertaining Philadelphia Inquirer Relentless pace of events real experience leaping full bodied from Fast's imagination New York Times

Stonewall Jackson and Religious Faith in Military Command Kenneth E. Hall, 2005-05-03 The relationship between war and religion is nothing new For millennia humankind has waged war over religion and derived religion from war It is not surprising then that military leadership and religious conviction frequently coincide This study documents the long tradition of the religious warrior in Western history and literature with a special focus on Civil War general Thomas J. Stonewall Jackson It also provides a general survey of the religious antecedents of Jackson and other more modern American military heroes The book begins with an introduction to the Confederate general largely from the perspective of those who lived with and served under him whose testimonies attest to his courage initiative innate tactical talent deep religious faith and eccentric personal habits The author analyzes the extent to which Jackson's national zeal has elevated him to the status of a religious martyr remembered today within an epic frame of sainthood and heroism Concise comparisons are drawn between Jackson and his Old World predecessors including Ulrich Zwingli John

Knox and Oliver Cromwell Similar associations are made between Jackson and such Civil War contemporaries as William Dorsey Pender and Oliver Otis Howard A chapter addressing the representation of Stonewall in modern Civil War literature and film particularly in the novel and subsequent motion picture Gods and Generals provides an insightful juxtaposition of Jackson's status among the gods of the Civil War and his own reverence for the God of his Presbyterian faith **How to Spell Chanukah...And Other Holiday Dilemmas** Emily Franklin, 2012-09-11 Ring in the holiday with eighteen writers who extol, excoriate and expand our understanding of this most merry of Jewish festivals as they offer up funny irreverent and yes even nostalgic takes on a holiday that holds a special place in Jewish hearts and stomachs Pieces by Jonathan Tropper Jennifer Gilmore Steve Almond Joanna Smith Rakoff Adam Langer and others address pressing issues what is the weight gain associated with eating 432 latkes in eight nights Offer joyous gratitude What a holiday No pestilence no slavery no locusts no cattle disease or atonement Thank God And afford tender truths You are reminded of your real gifts a family you get to come home to Whether your family tradition included a Christmas tree or a Chanukah bush whether the fights among your siblings rivaled the battles of the Maccabees or even if you haven't a clue who the Maccabees were this little book illustrates the joys frustrations and small miracles of the season Howard Fast Andrew F. Macdonald, 1996-08-28 Howard Fast one of the most prolific American writers of the 20th century has enjoyed wide popularity for his writing and suffered from great notoriety for his politics but has never been given full credit for his contribution to the essential tales of American culture the American Revolution and immigrant acculturation Although his novels have sold close to eighty million copies this is the first book length critical study of his work In addition to an overview of his fiction it offers close critical readings of his historical novels of the American Revolution Citizen Tom Paine April Morning and his most recent Seven Days in June his novels about slavery Freedom Road and Spartacus and his popular series about the American experience The Immigrants A biographical chapter is partly based on an extensive interview granted by Fast exclusively for this book A comprehensive bibliography completes the work This critical study begins with a biographical chapter that links life and works showing how Fast transmuted his experience into fiction Macdonald asserts that for all Fast's notoriety as a Communist in the 1940s and 1950s his works show him to be deeply committed to the principles that inspired the American Revolution A chapter on literary background discusses all of Fast's major works and most of his minor ones placing the historical novels into literary context and the other works into their genre traditions The remaining six chapters focus on his most important individual novels Each novel is analyzed for plot structure characterization and thematic elements In addition Macdonald defines and applies alternative critical perspectives from which to read each novel A genealogy table for The Immigrants series and a complete up to date bibliography of all of Fast's nearly one hundred published works as well as selected reviews and background reading make this study invaluable for research and critical understanding This study of Fast's classic works of historical fiction will aid the student and support the interdisciplinary American history literature curriculum Lie on your wounds
