My God Its A Cyclone:

Short Stories Alfred Ludlow White,1891 **Stopped Rocking and Other Screenplays** Tennessee Williams,1984

Written at various times over the last twenty five years but never produced the four scripts included in Tennessee Williams s Stopped Rocking and Other Screenplays encompass both the realistic style of the early Williams the author s quotes and the more experimental dramatic devices of many of his later plays Two screenplays from the fifties All Gaul Is Divided and The Loss of a Teardrop Diamond remained in the files of Williams s New Orleans apartment until a thorough cleaning uncovered them in the mid seventies Thus All Gaul an expanded version of the story of a St Louis teacher s dreams of love told in A Lovely Sunday for Creve Coeur 1978 actually predates that play A companion piece in mood and style The Loss of a Teardrop Diamond lyrically evokes the late twenties debutante society of Memphis and the Delta plantations Adapted from the graphic short story of the same name One Arm concerns a young male hustler awaiting execution for murder Because much of the visual action is combined with a voice over narration Williams considered the form of this film play from the late sixties somewhat experimental In Stopped Rocking 1977 Williams returns to a familiar theme the institution as the last haven of those who cannot cope with daily conflict and have resigned from life He was confident that this play like so many of his others would eventually find its audience I know that the dark of the work is more than balanced by its humanity and that this light of humanity will tip the balance favorably as a natural act of grace Signs and Wonders Maria

Woodworth-Etter,1997-03-01 Maria Woodworth Etter s ministry is often called the most powerful of the modern era As God used this yielded vessel many dramatic healings of the incurably sick occurred Broken bones were instantly mended the lame walked demons were cast out and the dead were even raised to life Included with the dozens of testimonies she discusses The fullness of the Holy Spirit Current displays of God s power The power of faith How to be healed How to receive a miracle Both Maria and her audiences reported many visions they had of heaven angels the New Jerusalem and forthcoming events including earthquakes and wars which subsequently occurred Hundreds of thousands were saved through her ministry On many occasions she received supernatural protection against murderous enemies Discover how God is willing and able to reveal Himself through Signs and Wonders in the lives of believers today **The Shroud of the Second Coming** Scott

Simpson,2022-07-02 What if in one possible future that the burial cloth of Jesus Christ is proven to be authentic That the technology of the given time can identify the creation of something so extraordinary that it goes way beyond scientific understanding And what if someone was to tell you that it could happen in this lifetime Well there is such a possibility And based on scientific facts with biblical understanding is a story describing such an event as it unfolds Based on facts this fantasy has it all The Shroud of Turin The Hadron Particle Collider Spiritual Intervention Paranormal Events World Involvements Battles and Global Terrorism In the near future an Earthquake erupts out in the West Bank desert creating an eerie blue glow that forms over a valley they call The Corridor Looked upon as a scientific phenomenon science and religion
