My Grandfather His Wives And Loves:

My Grandfather, His Wives and Loves Diana Holman-Hunt, 1969 The Long Sexual Revolution Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s The Love Wife Gish Jen, 2005-10-11 From the massively talented award winning author of Thank You Mr Nixon comes a big story about families and identity and race and the American Dream Jen s most ambitious and emotionally ample work yet The New York Times The Wongs describe themselves as a half half family but the actual fractions are more complicated given Carnegie s Chinese heritage his wife Blondie s WASP background and the various ethnic permutations of their adopted and biological children Into this new American family comes a volatile new member Her name is Lanlan She is Carnegie s Mainland Chinese relative a tough surprisingly lovely survivor of the Cultural Revolution who comes courtesy of Carnegie s mother s will Is Lanlan a very good nanny a heartless climber or a posthumous gift from a formidable mother who never stopped wanting her son to marry a nice Chinese girl Rich in insight buoyed by humor The Love Wife is a hugely satisfying work Sound, Sin, and Conversion in Victorian England Julia Grella O'Connell, 2018-04-19 The plight of the fallen woman is one of the salient themes of nineteenth century art and literature indeed the ubiquity of the trope galvanized the Victorian conscience and acted as a spur to social reform In some notable examples Julia Grella O'Connell argues the iconography of the Victorian fallen woman was associated with music reviving an ancient tradition conflating the practice of music with sin and the abandonment of music with holiness The prominence of music symbolism in the socially committed quasi religious paintings of the Pre Raphaelites and their circle and in the Catholic Wagnerian novels of George Moore gives evidence of the survival of a pictorial language linking music with sin and conversion and shows even more remarkably that this language translated fairly easily into the cultural lexicon of Victorian Britain Drawing upon music iconography art history patristic theology and sensory theory Grella O'Connell investigates female fallenness and its implications against the backdrop of the social and religious turbulence of the mid nineteenth century *Love in the Rich Family: The Elegant Ex-wife* Lan BingQianYing, 2020-07-03 Ji Ge had been married for three years but her husband didn t even care to touch her He was pregnant with Little San and Mi Mei so he tried to make her move in front of Ji Ge It was fine if she moved but she suddenly became popular after making her mental preparations Scum husband changed his mind the domineering CEO repeatedly expressed his goodwill and he didn t know

when he fell in love with his senior Ji Gongle didn't even know what to do anymore In the face of danger the domineering CEO could only use his trump card Ji Ge this child was born by you It meant that he already knew where he would go from here Looking at the little bun Ji Ge reluctantly gave up on a large group of handsome guys CEO Man when you are competing you must be prepared See I now have beauties and a son I would like to give my IQ a Like **The two sons.
