Dench,2018-01-16 Over the past few years there has been a surge of interest in Britain on grandparenting although it is still a long way behind the USA and several European countries in research in the area The driving impetus for research is coming from parenting organizations and government departments concerned about the effects on female employment of shortages in nursery places and about the effect of parenting deficits on children Greater involvement of grandmothers in caring for children has seemed to offer a solution to many related problems It promises to improve care within the family and enable mothers to take on paid work with fewer fears for the consequences without removing other working adults in the family from their jobs This text discusses how today s grandmothers are changing the image and role that they filled in the past **My Russian Grandmother and Her American Vacuum Cleaner** Meir Shalev,2018-01-02 From the author of the

outdoors She allowed only the most privileged guests to enter her spotless house Hilarious and touching Grandma Tonia and her regulations come richly to life in a narrative that circles around the arrival into the family's dusty agricultural midst of the big shiny American sweeper sent as a gift by Great uncle Yeshayahu he who had shockingly emigrated to the sinful capitalist heaven of Los Angeles America to little Meir and to his forebears was a land of hedonism and enchanting progress of tempting luxuries dangerous music and degenerate gum chewing and of women with painted fingernails The sweeper a stealth weapon from Grandpa Aharon's American brother meant to beguile the hardworking socialist household with a bit of American ease was symbolic of the conflicts and visions of the family in every respect The fate of Tonia's svieeperrr hidden away for decades in a spotless closed off bathroom after its initial use is a family mystery that Shalev determines to solve The result in this cheerful translation by Evan Fallenberg is pure delight as Shalev brings to life the obsessive but loving Tonia the pioneers who gave his childhood its spirit of wonder and the grit and humor of people building ever new lives **The Dry Goods Reporter** ,1912 **Codes and Contradictions** Jeanne Drysdale Weiler,2012-02-01 This book examines the variations in the constitution of female gender in a group of young working class women of African American Latina U S Puerto Rican and white European backgrounds who are enrolled in an alternative high school for students at risk of academic failure It then analyzes the school processes that impact on the shaping of the young women's gender identities and provides evidence that female gender identity among various racial or ethnic backgrounds can be very dissimilar It also illustrates the enormous power of schools to re orient young women who have previous experiences of academic failure to view education as crucial to attaining their future goals **Becoming a Grandmother** Sheila Kitzinger,1997-12-05 Explores ways in which grandmothers can find satisfaction in their new roles have better understanding of family tensions communicate more effectively with their daughters and daughters in law and provide emotional support
