*The Wisdom of My Grandmothers* Adriana Trigiani,2012-02-02 Adriana Trigiani s two remarkable grandmothers Lucia and Viola lived through the 20th century from beginning to end as working women who juggled careers and motherhood From the factory line to the family table the two of them the very definition of modern women cut a path for their granddaughter by demonstrating courage and skill in their fearless approach to life love and overcoming obstacles Trigiani visits the past to seek answers to the essential questions that define the challenges women face today how we hold on to the values that make life rich and beautiful how we can take risks and reap the rewards how to stand resilient in the face of tragedy Be bold be direct be different Blessed Ellen Michaud,2012-04-12 Sometimes we just need to stop for a moment and absorb the quiet moments in the world around us to take a deep breath and appreciate the things in life that make us thankful and bring us joy Blessed is a call to do just that In this heartfelt collection of her online columns from Diane the flagship magazine of the Curves women s fitness center organization author Ellen Michaud reminds us of the everyday blessings that surround us but we all tend to overlook Entries include Summer in a Jar On a 200 acre farm known for its Jersey cows and prizewinning cheese two women harvest a cornucopia of produce that looks like it came from the Garden of Eden Although the visit was intended to pick up ingredients for one of the finest salsas in the near world the end result is a view of a fertile valley the rich smell of vegetables freshly tugged from the earth that speaks to the soul and the natural rhythm of friendly conversation The Teapot During a snowy winter storm the author pulls her great grandmother s worn silver teapot down from a shelf As she polishes the teapot s tarnished surface she contemplates its long journey over an ocean and through the generations As she discovers engraved hallmarks that lead to a deeper understanding of its 200 year history her appreciation for the women who traveled with it grows Welcome Home As an Airbus 321 begins its descent toward the coastal lights of Los Angeles International Airport the pilot makes an overhead announcement that stills the restless and rustling passengers What follows are moments of contemplation about the sacrifices of soldiers and how regardless of one s politics there is still a shared sense of love and respect for those who fight for our freedom The Courage to Change After a lifetime of self built barriers the author s 88 year old aunt overcomes discouraging memories and years of grief to prove that it s never too late to open yourself to new experiences take risks and start over Contemporary Consumption Rituals Cele C.
