My Lesbian Husband:

My Lesbian Husband Barrie Jean Borich, 2013-03-12 In *My Lesbian Husband* Barrie Jean Borich asks a fascinating question do the names we give our relationships change their meanings Each chapter entertains an aspect of this question with prose that is spirited artful anything but pat Here is an author who takes neither love nor the power of language for granted and her book is as provocative and lively as the love it evokes An extraordinary performance by a writer who renews our wonder at the complexity of human connection Bernard Cooper Barrie Jean Borich wins my respect with her ingenious and original description of feelings which for many need translating into a familiar language She writes about her lover and their life together with a rare deftness clarity and antic sense of humor never strident or defensive rather self confident and as if she herself were curious to discover what she is thinking about their relationship Rosellen Brown **My Next**

Husband Will Be a Lesbian Pasha Marlowe, 2021-02-03 If the title and cover of this book resonate with you you may be questioning your sexuality Hooray We celebrate your curiosity You might be in a heterosexual marriage possibly even your second with a minivan full of kids and still be the perfect person to read this book We understand that there may be an element of terror mixed with thrill in even choosing this book You are about to see yourself clearly and it is about time Welcome to your truth Deep breaths friend No matter where you are in your knowing we welcome you to the LGBTQ community The authors in this book are a diverse group of womxn all figuring out creative ways to design relationships while honoring their sexuality Some authors have not yet come out publicly and are bravely sharing their stories in service to you We wish there had been a book like this available to us on our journey It is important to know that you are not alone We hope reading these stories will feel like looking into a mirror and finally seeing yourself No everything does not have to fall apart for you to claim your desires In this book you will read about options possibilities and a world of expansiveness Being courageous and coming to a place of radical truth telling can be lifesaving for you and can help liberate those you love May this book come to you at exactly the right time **Lesbian Couples** D. Merilee Clunis, G. Dorsey Green, 2004-12-21 Written

by two experienced lesbian therapists *Lesbian Couples* covers a range of topics from marriage to money to conflict resolution and presents a variety of helpful examples and problem solving techniques drawing from research done on lesbian couples over the past decade *Lesbian Intimacies and Family Life* Rebecca Jennings, 2023-11-16 Focusing on patterns of intimacy this book traces the historical roots of parenting practices and familial patterns constructed by lesbians and same sex attracted women living in Britain and Australia between 1945 and 2000 It foregrounds women's unique lived experiences as they expressed desire fell in love and created families against the backdrop of changing cultural legal and medical attitudes to female same sex desire in the late 20th century Including almost 100 original oral history interviews conducted by the author *Lesbian Intimacies and Family Life* reveals the subjective histories of lesbian intimacy during the period both highlighting the huge variety in women's experiences and tracing shifting patterns of relationship and family formation

Combined with analysis of representations of lesbian intimacy in literature press articles medical texts and archival material the book demonstrates the ways in which changing political and cultural concepts of sexuality impacted on individual and collective attitudes With a unique transnational perspective Jennings uncovers how feminist and lesbian networks between Britain and Australia promoted knowledge sharing and helped foster change in the familial practices of each country such as through the adoption of reproductive technologies and alternate routes into motherhood Through considering the rise of divorce and challenges to traditional marriage practices in the period this book highlights how lesbian relationships provided alternative models of interpersonal relations impacting on broader patterns of sexuality and helping redefine notions of the family in the modern era

Media Messages Linda Holtzman, Leon Sharpe, 2014-03-15 The new edition of this widely acclaimed book reveals how the popular media contributes to widespread myths and misunderstanding about cultural diversity Along with updated media examples expanded theories and analysis this edition explores even more deeply the coverage of race in two chapters discusses more broadly how men and boys are depicted in the media and socialized and how class issues have become even more visible during the Great Recession of the 21st century and the Occupy movements

Body Geographic Barrie Jean Borich, 2019-05-15 A memoir from the award winning author of *My Lesbian Husband* Barrie Jean Borich's *Body Geographic* turns personal history into an inspired reflection on the points where place and person intersect where running away meets running toward and where dislocation means finding oneself One coordinate of Borich's story is Chicago the prototypical Great Lakes port city built by immigrants like her great grandfather Big Petar and the other is her own port of immigration Minneapolis the combined skylines of these two cities tattooed on Borich's own back Between Chicago and Minneapolis Borich maps her own Midwest a true heartland in which she measures the distance between the dreams and realities of her own life her family's and her fellow travelers in the endless American migration Covering rough terrain from the hardships of her immigrant ancestors to the travails of her often drunk young self longing to be madly awake in the world from the changing demographics of midwestern cities to the personal transformations of coming out and living as a lesbian *Body Geographic* is cartography of high literary order plotting routes real and imagined and putting an alternate landscape on the map

Lives of Lesbian Elders J Dianne Garner, D. Merilee Clunis, Pat A. Freeman, Nancy M. Nystrom, Karen I. Fredriksen-Goldsen, 2014-07-16 The untold history of lesbian life from those who have lived it *Lives of Lesbian Elders Looking Back Looking Forward* illuminates the hopes fears issues and concerns of gay women as they grow older Based on interviews with 62 lesbians ranging in age from 55 to 95 this very special book provides a historical account of the shared experiences of the lesbian community that is so often invisible or ignored in contemporary society The book gives voice to their thoughts and feelings on a wide range of issues including coming out identity and the meaning of life the role of family and personal relationships work and retirement adversity and individual sources of strength and resilience Cast off and overlooked at best or victims of scorn and prejudice at worst lesbians in the twentieth century lived dual lives their

full voices unheard until now *Lives of Lesbian Elders* chronicles the life choices they made and their reasons for making them set against the contexts of culture politics and the social mores of the eras in which they lived Their stories of courage resilience resourcefulness pride and independence help restore lesbian history that has been forgotten distorted or disregarded and provide the information necessary to meet the future needs of aging lesbians *Lives of Lesbian Elders* gives aging lesbians a chance to discuss their thoughts on a variety of topics including Coming out You didn't talk about it Until two years ago I never even referred to a lesbian or would I allow the word to pass my lips I used to sneak into libraries and read about homosexuality and back in that era it was not classy it was classified as a disorder of some type Identity The only difference between me and anybody else is that I just happen to be sleeping with a woman I think I grew up not really knowing who I was and I think probably fighting all my life trying to find out who I was Family I feel very connected with the lesbian community here I guess I would call that family Many years ago my sister said I think when they're ready you need to explain to the nieces what a lesbian is because I want them to hear the correct story I want them to hear what it really is and not all these stupid rumors that go around Work I was going to become a youth minister at one point and it dawned on me in high school that there was no way the church was going to let me work with kids I didn't really finish my career I still have dreams about the military and about not finishing It was my choice but it wasn't really my choice Aging and the Future I think financing of course is a real big problem for lesbian women I have a concern that if anything should happen to my partner in growing older of being isolated from the gay community and much more *Lives of Lesbian Elders Looking Back Looking Forward* also includes appendices that present demographic data on the women who were interviewed for the book information on historical timelines and suggested readings on lesbian history The book is an invaluable addition to the growing collective history of lesbians in the United States

A Legal Guide for Lesbian and Gay Couples Hayden Curry, Denis Clifford, 1991 America's estimated 20 million lesbians and gay men need to take specific legal steps to define and protect their relationships in the eyes of the law This practical guide shows them how to obtain domestic partner benefits plan for medical emergencies buy property together provide for each other at death understand the practical and legal aspects of having and raising children The guide includes living together contracts sample wills and a durable power of attorney The updated 14th edition now includes a new chapter discussing the laws of states that offer an equivalent to marriage plus information on ending such relationships

Married Women Who Love Women Carren Strock, 2020-05-01 This accessible book offers support and advice for women in heterosexual marriages who discover or are coming to terms with their lesbianism or bisexuality It also offers guidance for the single lovers of married women In sharing the author's personal story as well as the descriptive experiences of others this book provides validation and empowerment to multitudes of women in their search for their true identities In this third edition of *Married Women Who Love Women* the author gives women ways in which to structure and restructure their lives and their families after they realize their same gender sexuality

Chapters consider questions such as how women make this discovery reactions from loved ones and the outcomes for marriages and families Updated throughout with contemporary understandings of sexuality and gender this book includes a wealth of information fresh narratives and stories offering insight into women s experiences across the country This is an essential read for women and their partners who are discovering their true identity as well as therapists helping professionals and students of women s studies gender studies sexuality studies and LGBTQ studies programs Hate and Bias Crime Barbara Perry,2003 Soon after the September 11th attacks a number of Sikh men were targeted and killed mistaken as Muslims Children at a Jewish daycare centre in California were attacked by an anti Semitic gunman This title looks at issues concerning hate and bias crime
