My Life As A Single Parent Love To My Children And Every Child:

My Life as a Single Parent Virginia Rosa Villery Broussard, 2004-08-01 My book is dedicated to my mother my children all single parents devoted unmarried parents and parents who have to raise their children on their own I decided to write this book because God inspired me to it was because of my mother she was an inspiration to me this help me to believe I can do anything with God s help After my husband abandoned me with three small children I prayed read my Bible and stayed in touch with God There were many good days and many bad days I had it easy sometimes and I had it hard With heartaches being mistreated talked about lied on turned down lift out You name it and I sure I had it But because God was always there to lift the dark clouds and make any impossible situation all right I raised my three children along with his help and they turned out to be blessed productive God fearing adults I had a lot of trails and testing from the devil but God was all ways there to help me through them In my book I will tell you of times when it god so hard and it seems like I was not going to make it but with God s blessing I made it I cannot and will not turn my back on the Lord Now I know every one goes through and is going through hard times This life story is about my children and my life as a single parent **The 10 Best**

until I started writing letters and she was sent to another school it was as simple as a telephone call At that time Mr Knight stated there was no money in the school district budget to have my daughter moved The downfall in an EI Special Education Classroom is that everyone has ADHD which was the biggest of my daughter s problems those boys who was really rough They were in trouble especially when they had nothing to do but play games for the entire day every single day They didn t have a teacher but they did have a babysitter in the classroom that was hired from the Kronk s Boxing Gym This man had no teaching skills I told Mr Knight I was very disappointed with what was going on in Jemeica s class I asked him if Mr Ronald was a certified teacher He replied no and stated they would be hiring a certified teacher soon I then asked Mr Knight where were the books and other learning resources in the classroom that was supposed to be the main teaching tools needed I asked how was it possible for my daughter to learn anything without a teacher or any other resources the classroom needed including books not one book in the classroom There was one black male student who checked in each morning but saddened by the fact he was not learning anything so he just walked out of school each day I would see him leave the school myself and no one seemed to care The Dearborn Heights Westwood school district could not find an EI Classroom for my daughter to attend Emotional Impaired Classroom This left her at home learning nothing for far too many days leading to months I was sending my daughter to school for an education and that is something she never received whether it was discrimination of her disability or her race Not when her psychiatrist gave the names of three schools she could attend and yet she could not find a school for her to attend

Kathy C. Watson,2006-10-01 For many many years you may have heard that God doesn t still perform miracles A Mother In Mourning will restore your faith if you are among the many who don t believe Kathy will tell you too of the many miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house A Mother In Mourning is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron s and is Kendrick s overseer in making sure that without a doubt their ultimate destination would be heaven A Mother In Mourning will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It s clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn t know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son s drivers license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her

that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron s name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end Nothing Has Ever Felt Like This Mary B. The Kindergarten-primary Magazine, 1917 These Three and Me Elizabeth Casper-Rolfs, 2010-09-17 In this narrative Elizabeth tells the story of how she separated from her three young children At the beginning of this book she had two goals in writing it The first was to give each of her children a picture of their childhoods from her perspective She had hoped that in expressing her love as well as her limitations their own healing would be enhanced The second goal was to offer support to every mother everywhere who has longed for freedom from the role of single parent even if she did not act on that and for every child who has felt abandoned in any way by these mothers no matter the reason There is hope and there is healing Elizabeth realized as she completed this story that there had been a third goal She has been writing this book for herself The process of writing has served as her own deep healing For this she is grateful beyond measure She accepts herself then and now and chooses to focus on this ever growing present that she lives in with these three All is well They are all co creating their life experiences in which they learn change grow and go on differently than before Elizabeth is humbled by the love of her children and she celebrates with honor their strong sense of family
