John Piper

My Life My Times And The Future:

My Life, My Times, My Poems John Anthony Banfield, 2009-01-29 John's life started at the beginning of World War Two when he was evacuated from London as a baby to various homes in the South of England. Some were very good homes but others were a nightmare. My Life, My Time Richard Nicholls, 2012-06-14 Richard Nicholls I find the autobiography easy reading. However what is even more exciting is that the author has added life to his story by recreating the environment and circumstances in which each event took place as if they were occurring at the time of his writing. Weusi Tafawa More than a million thanks for patiently sharing your life's journey including your joy and pain. Your never ending love will continue to serve as a source of inspiration and as an eye opener to our windows to the future. Lawrence Nicholls I am amazed that my grandfather has been able to express his thoughts so clearly at the age of ninety one. You are truly blessed. Malika Tafawa After reading my grandfather's account of his life I now know the source of my courage strength enthusiasm and sense of adventure. Thanks grandad Omolara Tafawa Lyte This book is captivating as it tells of the sacrifices made by a man who was working towards the success of all his children. Nkasia Nicholls An awe inspiring short read. My Life My Time is an astonishing story written by a man of wisdom and imagination. Vilma Tafawa My Life, My Times: Letters From London and Other Musings Indrajit Bhowmick, 2025-11-04 After his retirement from work in 2016 Indrajit used to go to London every year with his wife Subhadra to spend a few months with their daughter Sudeshna and her family who lived in a quiet neighbourhood in East London. London offered a rich variety of pastimes which included visiting theatres musicals art exhibitions and museums. A number of historical castles and ancient churches were within driving distance. There was tennis at Wimbledon Cricket at the Lord's and soccer at the Wembley. And then there were the famous newspapers like the Times of London and TV channels like the BBC which together provided a rich fare for his mind. In his spare time Indrajit captured many of his explorations around London especially those that captured his interest and shared them with a group of his friends by email. He titled his mails Letters from London. The second part of the book comprises many layered memories from Indrajit's life. It is a mixed bag of his observations thoughts and opinions on a variety of subjects. These subjects are completely random and not sequenced in any particular order so the readers have the freedom to fleet through them in any order that suits them. Future Me Saves the World (and Ruins My Life) Leah Cypess, 2025-06-03 Ethan Koslov wants to be an ordinary kid but his future adult self has shown up demanding that he save the world by preventing his fourth grade class from making their substitute teacher so miserable that her future self becomes an evil dictator and starts a war.
