Some Things Matter... Some Things Don't Anna D. Jaquith, 2007 In the big picture of life some things really matter and some things really don't matter Try to keep everything in perspective and live for what matters in the end It matters that you learn to let God be your best friend in the world Other people may fail you but He never will It matters that you keep the Ten Commandments God gave you these rules to follow because He loves you and wants you to have the best life possible It matters that you learn to view yourself as God views you He absolutely thinks the world of you and He made you the way that you are for a special reason It matters that you learn to resist the lies of compromise What have you gained if you've enjoyed everything the world has to offer but have lost your soul in the process If you've lost your soul you have lost all that there is to lose It matters that you learn to fight the enemy Live with your armor on Be a warrior and not a wimp Give it all you've got and do damage to the devil's camp Bottom line having God say Well done good and faithful servant is what matters in the end

Narrative and Grief Patricia English-Schneider,Deleasa Randall-Griffiths,2023-05-15 Grief and loss are fundamental aspects of the human experience Narrative and Grief examines the desire to make sense out of the nonsensical by exploring specific stories of loss and grief spanning from the loss of a parent child or partner loss within larger family systems and ambiguous and anticipatory loss to broader cultural aspects of grief The autoethnographic essays in this book reflect on the

unique and individual experiences of each contributor's story. Simultaneously these essays reveal that although each grief experience is unique it is also collective evoking broader cultural themes related to loss and grief. Scholars of communication sociology and family studies will find this book of particular interest. *Ladies of Clan McCloud* Victoria Pearle

It brings to life an era long ago when there was time for porch sitting and visiting with neighbors. When molasses making and taffy pulling parties were the social functions. Ben Jensen was very strict in his ways. He was compassionate toward his family especially his lovely daughters Katie and Dolly. Mammy Belle and Daddy Jensen raised their children in the ways of the Lord with church attendance a priority in their lives. One spring day while picking strawberries in the meadow below their home Katie and Dolly Jensen had their first glimpse of the two brothers Seth and Tom Hankins who were fishing in the creek nearby. They didn't know that this day they had come face to face with their destiny. Three years passed with only vague memories of the two brothers. Life continued on Tumbling Creek and Katie and Dolly grew into beautiful young ladies. They often wondered what became of the two brothers they had seen fishing on that long ago spring day. Mammy Belle was shopping at the local general store and she heard the news that the two brothers had returned from their three year journey across Clinch mountain where they had been employed on a cattle farm. Katie and Dolly could hardly contain their excitement. Soon romance blossomed and life was never the same again. Follow Katie and Dolly as they face great challenges while maturing into womanhood. Rejoice with them when they find true love and cry with them when tragedy strikes in the lives of each. This is a work of fiction with historical facts added in certain circumstances. By Violet June Richardson **it's a wonderful life** Nina Wernick, **Love Song** Sean Volpetti, 2011-07-22 For the Walker family life couldn't get any better. John and Lindsey have a loving marriage and a beautiful teenage daughter Kate. They live an enriched southern California lifestyle filled with faith happiness and love. And then as it does so often tragedy strikes. The Walker lives are turned upside down and the family they find strength and safety in is forever changed. Everything is

seemingly slipping away and John burdened with grief is able to do little about it That is until he is touched in an unimaginable way by someone who teaches him to love again If he can reach into the deepest oceans of his soul John can rescue himself and those who take this journey with him and in the process find that life even in the darkest moments is a blessing that sometimes we are given adversity to make us stronger if we recognize that there is purpose in all things And that the gift of love is boundless and never ending
