My Morning Manna: Journey through the Bible Ed Nelson, 1990 **An Epic Journey through the Holy Bible with Jesus** Karen Marie Parker, 2021-04-22 Have you ever wondered how Christianity began Why do we have churches and how do priests know what to do in mass In this hectic world it is easy to take this for granted and value Christianity too lightly in some ways without thanksgiving or recognition for the thousands of years of fighting for it The Old Testament is an accurate record of Israel s history An Epic Journey through the Holy Bible with Jesus Volume Two explores the holy lands with the patriarchs prophets and kings Meet some heroes and villains while uncovering incredible stories about amazing leaders whose sole faith in God alone saved thousands brave prophets who were victorious in battle visionaries who could see the rise and fall of a kingdom in vivid color all by the hand of God kings with a heart of gold and kings with a heart of stone The Old Testament leads us to Jesus Christ who ministers through his miracles and parables He teaches us that through humility kindness and submission we become survivors of affliction These events are written with a perspective of topology and include evidence that archeologists professors and scholars have uncovered backing up and supporting the existence of these amazing stories in Sacred Scripture that shaped Christianity today This book will fill your curiosity with just enough facts about Israel s history that you will recognize the power and struggles it took for God s heroic believers May you be more thankful for God s never ending pursuit for justice peace and the love that He has for everyone May your faith be more enlightened as you journey with Jesus uncovering your roots finding your true identity as a child of God and may your soul be as courageous as the patriarchs prophets and kings Journey of a Rabbi Jack Shechter, 2014-07-22 This two volume Journey of a Rabbi consists of essays describing ventures undertaken events experienced and ideas articulated that reflect the life work of a rabbi and Jewish educator What threads its way throughout these writings is a persistent search for ways and means to revitalize Jewish life in our time Written in lucid and compelling fashion the story portrays early family influences and mentoring of a searching youth experiences of a rabbinical student army chaplain and pulpit rabbi that brought into focus the tasks ahead The story proceeds to detail the work as a denominational executive which broadened concern for the larger community and return to pulpit work devoted to fashioning a Synagogue Center It then segues into depiction of the comprehensive initiatives in education the arts and community outreach as Dean at the University of Judaism Interspersed throughout are thought essays about religious phenomena faith the personal life the land of Israel and lessons learned from a lifetime of experiences **An Exposition of the Old and New Testament.
