At Home in School (1988) Viv Edwards, Angela Redfern, 2017-09-29 Originally published in 1988 this book discusses

the gradual move from the separation of home and school to an increasing acceptance of the central role of parents as partners in their children's education. The book looks at the progress made towards real partnership with parents. An eminently practical account of the advantages of working with parents and the ways in which this can be achieved, it will be of special value to student teachers and practicing teachers and to parents interested and involved in their children's education. The authors review national trends and developments since the issue was first seriously raised by the Plowden Report in 1967. Then focusing on one urban primary school, Redlands Primary School Reading, they describe the changes which have taken place over a seven year period from the perspective of teachers, parents and children. The book includes a personal account by Angela Redfern, formerly Deputy Head at Redlands, of what it has been like to be a teacher during this period of change and telling comments from both parents and children on all aspects of involvement in school. Partnership with parents emerges as a course of action which reaps benefits for all concerned and the authors stress that the

developments taking place in schools like Redland are important for all schools irrespective of their social class or ethnic composition. Children and Decision Making Professor Ian Butler, Margaret Robinson, Lesley Scanlon, 2005-01-01 This book examines how children negotiate their involvement in family functioning, rule making and day to day decision making. **My World** Ami Charlize, 2024-07-18 Hey guys it's me Ami Charlize. For years I've been sharing my life online, the good and bad bits, but what you've seen only scratches the surface of the rollercoaster that's got me to where I am today. And it's been anything but smooth, trust me. From the tricky friendships and relationships I've navigated to the huge life-changing decisions I've made in this book, I'm ready to take you behind the scenes and reveal it all: the ups, the downs, and everything in between. Along the way, I'll also be sharing the life lessons I've learned that will help you chase your own dreams, whatever those might be. So whether you're wondering how to bounce back from a setback, wanting to find people who better understand you, or are ready to start out on your own, I hope you're ready to start shaping your world. I can't wait to get started together. Love Ami x

Be My Baby Zoe Barnes, 2012-12-27 Lorna has everything she's ever wanted. And then one day her beloved husband Ed dies, leaving her widowed and pregnant at 29. Eighteen months later, Lorna misses Ed as much as ever but knows she must get out and make a new life for herself and her kids. When her mum and dad suddenly find themselves desperate for somewhere to live, what could be more natural than for them to come and live with Lorna? It'll be a great opportunity for her to go back to her job as a midwife while they get to know their grandchildren. But that's before the mishaps, the arguments over childcare, or the rows that break out when Lorna announces that she's met a hunky doctor and is ready to start dating again. **Sacred Queer Stories** A. S. Van Klinken, Johanna Stiebert, Brian Sebyala, Fredrick Hudson, 2021 An invaluable insight into the narrative politics and theologies of LGBTQ life storytelling, a key text for those in African Humanities, Queer Studies, Religious Studies, and Refugee Studies. Presenting the deeply moving personal life stories of Ugandan LGBTQ refugees in Nairobi, Kenya, alongside an analysis of the process in which they creatively engaged with two Bible stories: Daniel

in the Lions Den Old Testament and Jesus and the Woman Caught in Adultery New Testament Sacred Queer Stories explores how readings of biblical stories can reveal their experiences of struggle their hopes for the future and their faith in God and humanity Arguing that the telling of life stories of marginalised people such as of Ugandan LGBTQ refugees affirms embodied existence and agency is socially and politically empowering and enables human solidarity the authors also show how the Bible as an authoritative religious text and popular cultural archive in Africa is often used against LGBTQ people but can also be reclaimed as a site of meaning healing and empowerment The result of a collaborative project between UK based academics and a Nairobi based organisation of Ugandan LGBTQ refugees the book provides a valuable insight into the narrative politics and theologies of LGBTQ life storytelling A key text for those in African Humanities Queer Studies Religious Studies and Refugee Studies among others the book expresses an innovative methodology of inter reading queer life stories and biblical stories
