

MARTHA MOULSWORTH

"My Name Was Martha": A Renaissance Woman's Autobiographical Poem. Martha Moulsworth

Martha Moulsworth is known as a writer from a single autobiographical poem which is analyzed from feminist perspective. The fact that it is by a woman adds to its importance. Her poem also suggests a highly complex attitude toward her status in a rigidly patriarchal society, including her relations with her God, her father, and her three successive husbands.

Martha opens her chronological account of her life by presenting herself as part of the male academic tradition when she elaborates on the education that she received from her father.

Chapter 2 talks about of the various roles and experiences of Renaissance women. This chapter focuses on women's roles as daughters, wives, and widows, and it also looks at the status and limits of women's education during the early modern period. Chapter 3 attempts to view the poem specifically as a piece of autobiographical writing, since Moulsworth's work seems important as one of the earliest examples of such writing by anyone in England, male or female. Finally, Chapter 4 tries to view the poem in light of recent feminist theories about the nature and features of writing by women.

Viewing the poet from a modern feminist perspective highlights several aspects of the enduring female experience and thus may also help us further comprehend the evolution of women's social roles. Moulsworth relates her experiences as a young gentlewoman whose father taught her not "godlie pietie" – modestly and sobriety – all of these being traits that are in tune with the contemporary ideals of virtuous femininity. The father whom Martha loved so much seems to be partly creation of her imagination. The identification of her with father makes possible her entry into the patriarchal symbolic order. In her work, it can be seen that Martha mentions only the name of father and not of mother.

My Name Was Martha A Renaissance Woman's Autobiographical Poem:

My Name was Martha Martha Moulsworth, 1993 The poem offers a complicated mixture of self assertion and deference of shrewdness and wisdom of self respect and selfless love Essays placing the Memorandum in its historical literary and theoretical contexts follow the text of the poem itself The Muses Females are Robert C. Evans, Anne C. Little, 1995 This volume offers diverse perspectives on the recently published Memorandum of Martha Moulsworth a fascinating woman who in 1632 wrote one of the first autobiographical poems in the English language Moulsworth's poem which issues a startlingly early and radical call for educational equality provides one of our best inside views of the life of a Renaissance woman and the poem is also one of the few writings about widowhood written by an early modern widow Yet the poem is also highly sophisticated as a work of art and it has already proven its appeal to a wide variety of readers including both beginning students and noted scholars and critics The present book builds on the first edition of Moulsworth's poem *My Name Was Martha A Renaissance Woman's Autobiographical Poem* Locust Hill 1993 The new volume offers extensive additional biographical information about Moulsworth herself and it also presents readings of the poem as a poem and as a piece of autobiography The book also considers such broader issues as the myth of the muses the role of education in the Renaissance the status of wives and widows and the ideals and realities of early modern marriage Moulsworth's poem emerges as an even richer work when viewed from so many different perspectives Moulsworth however is hardly the only Renaissance woman writer examined in this volume Many essayists use Moulsworth as a touchstone for discussing numerous other authors including such figures as Roger Ascham Anne Bradstreet Margaret Cavendish the Duchess of Newcastle Lady Anne Clifford An Collins Queen Elizabeth I Elizabeth Grymston Lady Elizabeth Langham Aemilia Lanyer Bathsua Makin Elizabeth Melville Richard Mulcaster Katherine Philips Mary Sidney the Countess of Pembroke Rachel Speght Hester Wiat and Lady Mary Wroth to name a few *Renaissance Literature* John C.
