My Once Upon A Time:

Playing with Fire R.J. Blain, 2017-01-30 Warning This novel contains excessive humor a fire breathing unicorn on a mission of destruction magic romance and bodies Proceed with caution Catering to the magical is a tough gig on a good day but Bailey has few other options Spiking drinks with pixie dust keeps the locals happy and beats cleaning up the world's nastiest magical substances She could live without serving Police Chief Samuel Quinn most days of the week especially after destroying his marriage But when she's targeted with a cell phone bomb containing gorgon dust capable of transforming her beloved home into a stone tomb she's tossed head first into a mess with her sexiest enemy Add in his ex wife angling for revenge and Bailey must use every trick up her sleeve to survive The last thing she needs is to fall in love with Manhattan's Most Wanted Bachelor Saving Manhattan will be tough enough **Once Upon a Time**, 1879 Once Upon a Time in New York... How I Painted My Masterpiece, *Booked for Murder* R.J. Blain, 2020-08-18 Life as a bodyguard and driver for the rich famous and powerful is dangerous on a good day and after sustaining a crippling injury while on duty Janette's left with few options Having signed a for life contract but unable to work she uses her skills to disappear Her new life as a librarian suits her Nobody cares she limps and sometimes requires a cane to walk She's wanted for her knowledge not her lethal magic She's surrounded by books a woman's best friend But when her former employer's best friend is murdered on the steps of her library old loyalties and secrets might destroy her or set her free Teaming up with her co workers to find the killer might keep her from being booked for murder but unless she's careful she'll find out exactly how far her ex boss will go to reclaim what is rightfully his Her For life Muse in the Gothic Tower Angelica Hancock, 2013-05 We glorify our good experiences but we learn and grow most from our heartache and mistakes This compilation is one person's twenty year journey through the emotional hardships and joys of being human Our past is light and dark as are we and to be truly whole is to embrace both Now upon this time I struggle to find meaning Now upon this time the day ends with no accomplishment Now upon this time my joy of work is absent Now upon this time I am defined by my role alone Thence upon a time will this pattern be broken Thence upon a time my satisfaction will be returned Thence upon a time a decision made will I present Thence upon a time will earned respect remain paid Indeed my once upon a time will end with happily ever after Indeed my once upon a time will become the tale of my present Indeed my once upon a time will no longer be the precursor By my honor by my deed by my vow thus made to me Lyrically Speaking Kay Bell, 2015-03-18 How many songs have we lost when a lyricist could not find a musician nor the musician a lyricist The answer for the bereft musician could well lie within the pages of *Lyrically Speaking* a plethora of superbly crafted lyrics from the soul of Kay Bell James Shipstone RCA Records BMG Records BMG Music Publishing Australia New Zealand 1977/1997 A song has the indefinable and irresistible power to instantly transport you to another place and time But before that song can reach its audience a rare and special partnership must be launched between the words and the music In this groundbreaking publication intended to inspire just such artistic

and therefore I was broken or wrong So I know that there are people out there who are needlessly suffering in silence and so I am going to take a step to break the silence and to hopefully begin to start a conversation or at least make people hear and see what mental illness can do Mental illness not only affects the afflicted person but it can trickle down to affect family members work environments and even whole communities Mental illness is becoming an epidemic in our society and no one is talking about it I have spent too many years being silent and afraid If you are reading this and you are suffering or you know someone who is you are not alone I have been there too and I have held on so that I could share my story and my love of writing and creative expression Enjoy

Summoned Kathleen Stauffer, 2019-04-05 Every life has a story Human nature looks for meaning in all circumstances Our journeys seldom unfold smoothly but amidst turmoil and tragedy mind numbing boredom or maddening frustration the mind weaves a narrative that tries to make sense of it all Kathleen Stauffer's previous novels have shown how God molds the lifelong spiritual journeys of those who seek him In this her sixth book she zooms in for a closer look at the nitty gritty of life *Summoned* includes a novelette and six short stories each of which portrays a unique individual facing unexpected challenges Despite the sometimes dark subject matter the characters are painted with such loving details and their stories are so well surrounded with the context of an eternal viewpoint that the general effect is one of hope Each protagonist in this book of stories is an affirmation that our stories too may be a part of a far reaching narrative and that our lives can be part of something bigger and beyond our imaginations
