

My Pride And Joy

Fred Schoppet

My Pride And Joy:

Pride And Joy Terri Casey, 2011-08-02 *Pride and Joy The Lives and Passions of Women Without Children* is a collection of interviews with 25 women who have chosen not to have children. In lively stories and vivid voices these diverse narrators talk proudly of their contributions to their communities, causes, and families, and they speak joyfully of intimate relationships with husbands and partners, family and friends, work, volunteer and leisure activities, solitude, and connections with children. Their stories dispel the social myth that women must have children to be happy, and they debunk the stereotypes of childless women. For the 20 percent of U.S. women who are currently childless by choice or by chance, *Pride and Joy* offers validation and community. For the millions of women deciding whether to have children, it provides inspiration. For parents, siblings, and friends of women who have chosen or may choose not to have children, it offers insight. **Zanzibar Was a Country**

Nathaniel Mathews, 2024-04-09 *Zanzibar Was a Country* explores the transregional impact of the Zanzibar Revolution of 1964 through the historical memory of its exiles. Thousands of former citizens of Zanzibar and their offspring live in Oman and are a significant contemporary example of an Arab community that maintains a living connection to Africa in diaspora. These Zanzibaris, as they are often known in Oman, speak Swahili, sustain community originally formed in Africa, and continue to remember Zanzibar's history as an independent country. Drawing on their life histories, their historiography of Zanzibar, and the archival traces of their migrations, Nathaniel Mathews demonstrates how these exiles were important to nation building and economic development in Oman. *Motown in Love* Herb Jordan, 2006 Presents the complete lyrics to over one hundred Motown love songs grouped into such categories as lessons of love, the joy of love, and love lost, and including "I'll Be There," "My Girl," and "Please Mr. Postman."

Santa CONFIDENTIAL Fred Schoppet, 2022-06-10 What is it like to play Santa? How did you get started? How long have you been doing this? Do you have any interesting anecdotes or stories you can share? You bet! All those answers and more you will discover what it's like to represent the jolly ol' elf from the North Pole. You'll laugh, you'll cry, you'll ponder, and you'll remember what it was like when you believed in Santa. Pick up this anthology and enjoy. **An Ocelot in an Underwear Drawer**

Christopher Scott Ford, 2017-02-27 Chris took a long time to learn something wonderful. In an honest and intimate storytelling style, Chris relives triumphs, catastrophes, and plenty of moments that fell somewhere in between. With a friendly and nostalgic voice, he unfolds his adventures and misadventures one by one, has us laughing at times and choking back a tear at others, and shows us a good time along the way. From a lonely playground sandbox to a high snowy mountaintop, from raging whitewater, exciting baseball tournaments, and mysterious lava tunnels to the terrors of Junior High, from the bleak bottom of too many booze bottles to the joyful realization that there is a God who loves him, this warm, funny, heart-tugging and inspiring collection of adventures provides us with vivid reminders of the value of family, the strength of tenacity, the power of faith, the need for forgiveness, and the importance of always striving to be an ocelot in an underwear drawer. Angel Bumps Candace Joy, 2021-07-20 *Angel Bumps Love Taps from Heaven* is my very first collection of my

personal experiences and others with angels These experiences are genuine and messages from heaven Angels are messengers from God who come to us in many forms to deliver His message God used his sense of humor and this unique way of making me aware of angels surrounding me experiencing angel bumps What are angel bumps God works in the most mysterious ways to get our attention In my case it was angel bumps renaming goose bumps They were God s way of getting my attention we all know the sensation of goose bumps where our hairs stand up on end We get them from being chilled or because we are fearful of something In my case my experience with them was a very warm peaceful and a loving sensation They had a defined pattern of three a spiritual number used throughout the scriptures of the bible Angel bumps would begin in my arms travel into my legs and then into my face In many cases a repeat of the pattern of three My entire body would fill up with the abundance of the ultimate feeling of happiness
