My Private Heroes:

My Own Private Hero Julianne MacLean, 2009-03-17 In this delightful conclusion to the Heiress trilogy Julianne MacLean brings us a fresh twist on classic historical romance London society as seen through the eyes of a lovely light hearted young outsider Adele Wilson firmly believes life should be calm and entirely without emotional drama So the first landed gentleman her mother puts in front of her is the one she agrees to marry and wedding preparations begin as neatly as she hoped Until on the way to seal the deal her carriage is overtaken by ransomers And then the ransomers are overtaken by someone handsomer namely Damien Renshaw Baron Alcester cousin to her betrothed Prim stately Adele finds that she too is being overtaken by the manliness of this heroic albeit complicated man And Damien is not totally unmoved by her challenging nature which he believes hides a passion and recklessness never before explored If only he can get her to explore it with him there is no telling what kind of love and excitement the two of them might discover together Men of One Book Ian J Maddock, 2012-08-30 The proposal of this book is to guide the reader to the contrastive ministries of the two most dominant preachers of the eighteen century evangelical revival In a wonderful comparative approach the author draws John Wesley and George Whitefield s portraits and explores their life and practice as well as their relationship Committed to the principle that the whole world was their parish Wesley and Whitefield manifested their singular desire to be men of one book through preaching ministries that were equally committed to the spread of the gospel throughout the transatlantic world **Mollie's Prince** Rosa Nouchette Carey, 2021-04-26 In Mollie s Prince Rosa Nouchette Carey masterfully weaves a rich narrative that encapsulates themes of love social class and the transformative power of personal integrity Set against the Victorian backdrop the story unfolds through the eyes of Mollie a spirited young woman embroiled in a complex romantic dilemma that challenges societal norms Carey s nuanced character development along with her use of sharp dialogue and vivid descriptions reflects the emerging trends of the era s literature while simultaneously offering a critique of the rigid class structures of her time Through Mollie s journey Carey navigates issues of self discovery and moral fortitude making a poignant statement about the struggles faced by women during the period Rosa Nouchette Carey a prominent writer of the late 19th and early 20th centuries emerged from a background steeped in the literary traditions of her time Influenced by her own experiences as a woman within a patriarchal society Carey s works often explore the constraints placed upon women Her convictions about the importance of personal choice and agency resonate throughout this novel illuminating her passion for promoting women s independence and social equity Mollie s Prince is an engaging read for anyone interested in Victorian literature and feminist themes Carey s adept storytelling combined with her thoughtful exploration of love and morality makes this novel a compelling choice for readers seeking both entertainment and insight into the complexities of human relationships Dive into a classic that not only captures the imagination but also serves as a mirror reflecting the societal values of its time **Yellowbelly Hero** Susan Laine, 2015-08-05 Heroes at Heart Book One Yancy Bell was bullied in high

school for being a yellowbelly not because of any cowardice but because of his nervous bladder condition It s Yancy s first year in college and he s hoping to make a fresh start Three days before Christmas the campus is empty Having to pee on a midwinter night leads Yancy to meet Curt Donovan huddled in a dark shower stall Curt s a troubled jock whose coming out went badly so he plans to end it all But Yancy adamantly refuses to let Curt go through with his irrevocable plan With just one dark night to talk Curt around Yancy has to win the trust of a stranger who only sees one way out **Web of**

Conspiracy, Book 1, Death of a Hero Herbert Grosshans,2011-07-16 When Detective Jeff Chartrand investigates a grisly murder his past catches up with him and flings him back into a world of violence he left behind years ago He meets a mysterious woman who reveals a secret and he has an unexpected sexual encounter **Lonesome Hero** Fred Stenson,2005 Meet Tyrone Lock born of farmers stock overeducated underemployed An inveterate pick nose and clandestine squeezer of Revels in the supermarket Disaffected in a way that Adrian Mole would recognize though as Tyrone takes pains to point out he s hardly a tortured artist his BA was in Economics Inexplicably involved with the lovely pampered Miss Athena Till The young couple are preparing for their first trip abroad the obligatory horizon widening sojourn in Europe the Land of the Forefathers and the Wellspring of Culture Except that this is an excursion that Tyrone would do anything to get out of His horizons are plenty broad thank you very much and he d rather spend his days taking walks with his dog fly fishing without a hook and composing such melodious odes to his native land as O Beaver Creek In the Foothills of Alberta s Rocky Mountains I would sooner have you Than a bunch of crappy marble fountains First published in 1974 and now released for the first time in paperback Lonesome Hero is a comic classic the award winning smartass novel that launched a spectacular writing career This new revised edition restores scenes deleted from the original and also features an introduction by the inimitable Mark Anthony Jarman and an afterword by the author who reflects how glad he is looking back at his first novel that Lonesome Hero still manages to embody the ironies of the era the fact that we often understood perfectly how cartoonish we were The early 70s was about avoiding work at all costs and trying to live amusingly during all one s waking hours about how weirdly far we would go to accomplish that The Life and Death of Sir William Wallace, the Hero of Scotland Thomas Lamb (Teacher, Corehouse School.),1867 Mollie's Prince Rosa Nouchette Carey,2018-09-20 Reproduction of the original Mollie s Prince by Rosa Nouchette Carey **Karna The Unsung Hero of the Mahabharata** Umesh Kotru,Ashutosh

Zutshi,2015-03-01 Then the exquisitely handsome body of Karna of generous acts who should have been worthy of perpetual happiness let go of that refulgent head with the kind of extreme reluctance evinced by a wealthy person in leaving his own prosperous home or by a saintly one in forsaking virtuous company The Mahabharata Karna Parva 91 53 54 In these lines of evocative pathos the Mahabharata pays its ultimate tribute to Karna who has hardly a rival in world literature to match his credentials as a uniquely nuanced heroes hero towering above Hector in righteous valour above Arjuna in generosity and above all else in conscientious attachment to the principles of noblesse oblige This is the intriguing story of a hero who

despite being born to royalty was like the Biblical Moses cast away by his mother Brought up lovingly by a lowly charioteer and his wife his whole life was one great struggle against cruel destiny and against all the odds placed in his way by the inequities of his time In the process he blazed a new trail of glory emerging as the adorable exemplar of purushakaara manly effort with tremendous achievements both as a man and also as a warrior Yet society never gave him his due despite being as upright as Yudhishtira as strong as Bhima as skilful as Arjuna as handsome as Nakula and as intelligent as Sahadeva Rebuffed and insulted by society at every step he developed some flaws engendered by a defiant spirit and nurtured by association with the evil designs of Duryodhana his benefactor prince But those very contrarities seem to enhance and enliven the dramatic appeal of his character as one of the brightest stars of the Mahabharata's star cast Written in an engagingly flowing style and with an imaginative transcreation of the epic storyline Karna the Unsung Hero of the Mahabharata should strike a responsive chord in the minds specifically of today's Mahabharata aficionados and generally of all lovers of exalted human drama

Music, Movies, Meanings, and Markets Morris Holbrook, 2012-01-25 Music Movies Meanings and Markets focuses on macromarketing related aspects of film music in general and on the cinemusical role of ambi diegetic jazz in particular The book examines other work on music in motion pictures which has dealt primarily with the traditional distinction between nondiegetic film music background music that comes from off screen and is not audible to the film's characters to further the dramatic development of plot character or other themes and diegetic music source music produced on screen and or that is audible to the film's characters adding to the realism of the mise en scene without contributing much to other dramatic meanings This book defines describes and illustrates another hitherto neglected type of film music ambi diegetic film music which appears on screen but which contributes to the dramatic development of plot character and other themes Consistent with an interest in macromarketing such ambi diegetic film music serves as a kind of product placement suitable for commercialization via the cross promotion of soundtrack albums for example and plays a role in product design It also provides one type of symbolic consumer behavior that indicates choices made by film characters when playing singing listening or dancing in ways that reveal their personalities or convey other cinemusical meanings Morris Holbrook argues that ambi diegetic film music sheds light on various social issues such as the age old tension between art and entertainment as it applies to the contrast between creative integrity and commercialization Music Movies Meanings and Markets explores the ways in which ambi diegetic jazz contributes to the development of dramatic meanings in various films many of which address the art versus commerce theme as a central concern
