Blackmon, 2017-12-26 One Foot on the Shore A Spiritual Journey to the Promised Land is the real life journey of a wife and mother from North Carolina to the Promised Land of the Lord It certainly was not an easy journey Laugh and cry with her as she stumbled through the Red Sea ruts and then conquered the giants in the land Her story starts simplistically with a call on her life that took years for her to recognize but once the Lord s salvation became real to her she was overwhelmed by His supernatural grace Obedience became the hallmark of her existence Spending hours in prayer and study of God s word produced many rewards seen and unseen at the time Obedience is better than sacrifice is a reoccurring theme throughout her life as she follows Him and His guidance Through her obedience to the Lord she has reached multitudes with the Gospel of Jesus Christ with her anointed jewelry designs like her signature piece the Gospel Pin™ This piece and many of her other Christian jewelry designs were on the QVC Shopping Network for many years As she shared her heart with her southern drawl on QVC many millions were blessed to hear the gospel shared in such a unique way on a secular TV outlet **The Book of Nature** Barbara Mahany, 2023 Before the sacred Scriptures were ever written there was a much earlier text The Book of Nature Barbara Mahany invites us to discover an ancient theology that focuses on the text of God first revealed through creation nature in all its kaleidoscopic turnings Sacred Spaces Margaret Silf, 2014-05-15 Popular author Margaret Silf introduces you to the seven traditional sacred spaces reflect on practises and scripture There are many books that explore actual physical sacred space and pilgrimage sites This is a different kind of book It introduces seven traditional sacred spaces but then leads readers into a deeper reflection on what such sacred space means in our own lives and experience The various sacred spaces explored are the Celtic Cross the infinite knot hilltops wells and springs causeways and bridges thresholds and burial grounds and

boundaries In each chapter the author introduces a sacred space as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience The ideas are then brought together by means of a scripture story

Walden,2015-05-14 My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God-fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as

I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun
