My Secret Lover:

My Secret Lover Imogen Parker, 2003 Lydia knows she should be more serious It s meant to be the end of trivia but all she can think about when she watches the evening news is how the reporter on the front line manages to iron his shirt into such nice creases and why Will doesn t move about a bit more when he sings Lydia realises she should be happy She s got her health a job she loves a terraced cottage one down two up a nice steady relationship and a number of other things to be grateful for which her mother would certainly list if you were interested It s not that Lydia covets a high profile career like her beautiful sister Joanna nor a house from the pages of Hello which by the way she only reads for research but just occasionally she finds herself thinking there ought to be a higher point in her life than winning the regional pub quiz with Gordon And surely gratitude is not the primary emotion you should feel towards your boyfriend even if you are quite plain Lydia wonders who it is who creates the strange scientific sounding words that are the language of face cream and whether Visage or ReVitalift would make any Visible Difference It s what s inside that counts her mother always says Lydia s not even sure whether there is much inside until one New Year s Day she finds herself in a great outpouring of existential angst to someone on the other side of the world Resolution 1 Never click on Send when you re drunk and suddenly her quite ordinary life begins to turn extraordinary The question is A Can you fall in love with someone you ve never met B Can you only fall in love with someone you ve never met C Who is he anyway Teachers are supposed to know the answers but Lydia doesn t have a clue
