My Sergei:

My Sergei Ekaterina Gordeeva,E. M. Swift,2009-09-26 The Olympic gold medalist offers a poignant loving account of her life with her long time partner and beloved husband Sergei Grinkov from their first introduction and successive world pairs skating championships to their storybook romance and marriage to the fatal heart attack that took Sergei s life *My Sergei* Ekaterina Gordeeva,2014-05-21 Olympic Gold Medalist Ekaterina Gordeeva tells of life with her beloved husband and partner Sergei Grinkov who died in 1995 at the age of 28 in a deeply moving memoir and love letter 25 photos many in color

KATE Sarah Henley,2025-04-27 The old world order is fading For generations monarchs held sway but now the reins of power are shifting Yet whispers of a return to tradition are growing louder and a bold plan is hatched to reclaim what was lost At the heart of this ambition are three young individuals Sergei a descendant of a fallen empire Kate with a lineage of her own and Katrine tied to their destinies in ways they are only beginning to understand Entrusted with their safety are Dominic and Christine protectors whose loyalty runs deeper than duty As these five lives intertwine bonds of friendship and affection blossom creating a complex web of connections Their path towards the future requires knowledge and skill leading them to a unique centre of learning But the journey is fraught with secrets and unexpected obstacles that will test their resilience and challenge the very foundations of their plan Betrayals will sting memories will be lost and found and alliances will be forged in unexpected places As they navigate a world on the brink of change these young people will discover hidden strengths within themselves in the face of overwhelming odds Can they overcome the forces working against them and shape the future they envision **The Romanov Bride** Robert Alexander,2008-04-17 The bestselling tale of Romanov intrigue

from the author of The Kitchen Boy Book groups and historical fiction buffs have made Robert Alexander s two previous novels word of mouth favorites and national bestsellers Set against a backdrop of Imperial Russia s twilight The Romanov Bride has the same enduring appeal The Grand Duchess Elisavyeta s story begins like a fairy tale a German princess renowned for her beauty and kind heart marries the Grand Duke Sergei of Russia and enters the Romanov s lavish court Her husband however rules his wife as he does Moscow with a cold hard fist And after a peaceful demonstration becomes a bloodbath the fires of the revolution link Elisavyeta s destiny to that of Pavel a young Bolshevik forever **Real and Phantom Pains** ,2014-10-09 An anthology of ten plays embodying the Russian literary movement that began in the late twentieth century The plays selected for this anthology reflect the issues and styles typical of the new wave of dramatic writing in Russia New drama flourished almost exclusively in small spaces often in dingy basements that employed and accommodated small numbers of people The big theaters largely turned a blind eye to what was happening on small stages and in backrooms in playhouses libraries and community centers in a few chosen hot spots around Russia primarily Moscow Yekaterinburg and Togliatti In many cases they took actively hostile stances toward it This would change however And by the beginning of the century s second decade new drama was threatening to become a mainstream phenomenon Not every

theater staged plays associated with new drama but almost every one began staging plays influenced by the themes methods and language of the new drama movement Featuring work from Yury Klavdiev Olga Mukhina Pavel Pryazhko Vasily Sigarev Maksym Kurochkin Mikhail Durnenkov Vyacheslav Durnenkov Yaroslava Pulinovich Yelena Gremina and Maxim Osipov Few people know more about what is happening on the Moscow scene than John Freedman including few Russians As Moscow Times theater critic throughout the post Soviet period John could well have seen more theatrical productions in Russia than anyone else I can t imagine anyone who would do a better job Blair A Ruble Director Program on Global Sustainability Resilience Woodrow Wilson Center While other existing volumes focus on 18th 19th and early 20th century Russian drama Freedman s edition would present the unique and important contributions of the new generation of Russian writers portraying the realities and experiences of a post Soviet generation John has carefully selected a representative cohort of ten of the most visible productive and influential of these writers for the volume Thomas J Garza University Distinguished Teaching Associate Professor University of Texas at Austin
