Fetzer, Amber Kaye, Sara Orwig, 1994 Four enchanting stories of magic and love include Love s Darkness by Cheryl Biggs Amy Fetzer s Rescued by Time Amber Kaye s Faery Magic and Nightspell by Sara Orwig Original **My Remains** Morgan Lupo, 2014-04-16 A small collection of dark poetry not meant for the fainthearted **Love Unfolded** Abdur Rahim, 2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life s most intrinsic desire and happiness The book is for the general public of all sections of global society and culture The three key messages readers shall take away from this book They are a love is the essence b marriage is a bond and c sex is the ultimate supreme pleasure of life Explaining these themes attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources historical periods cultures and philosophical perspectives along with contemporary empirical work from psychology sociology anthropology and neuroscience The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what social historical cultural political evolutionary or biological factors might influence them Nonetheless the substance of the book tells the inner most words of every men and women that are being preserved since their young age Finally the book will be of good values and understanding with readers own journey of love marriage and relationship These are the reasons why the readers will buy the book The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time **The Righteous** Renée Ahdieh, 2022-08-30 In this latest installment of The New York Times bestselling quartet that began with The Beautiful Pippa journeys to the treacherous and beguiling world of the fey in search of answers but instead falls in love Following the explosive events of The Damned Odette faces a vampire s final death The Court of the Lions have done everything they can to save her but have failed A healer from the Sylvan Vale could help her but only Arjun Desai as a half fey can cross the boundary between realms The Sylvan Vale is a world Arjun despises and in return it despises him But knowing it could save Odette he returns to the Vale with all haste leaving the mirrored tare between the two worlds open and unwittingly setting the stage for both love and war It s mere days until Pippa Montrose is to wed Phoebus Devereux and become a member of his well heeled family offering salvation to her own But Celine is missing Pippa has no idea where her best friend has gone but she s certain it s in the company of vampire S bastien Saint Germain and that Arjun can lead her to them Pippa enjoins the help of Eloise the daughter of a powerful sorceress to discover the gateway Arjun uses to travel between worlds Pippa tired of hesitating in life marches right through

in search of her friend But what she discovers on the other side is a dangerous duplicitous world full of mischief and magic she doesn't understand and most unexpectedly she finds love Author of the New York Times bestselling duology *The Wrath and the Dawn* Renée Ahdieh is back *The Righteous* is the can't miss lead in to what will be a much anticipated finale of a can't miss quartet *The Innocent* Candice Raquel Lee, 2014-01-14 I was eaten plain and simple It felt like being burned alive like every cell in my body was exploding Then everything stopped my breathing my pain my heart *The Innocent* is a passionate lyrical novel and modern myth at once a coming of age story and a guide to life's most mysterious and powerful force Love Reminiscent of A.S. Byatt's *Possession* and Paulo Coelho's *The Alchemist* *The Innocent* tells of a woman's mythic journey through sorrow and death toward fulfilment and understanding Alexa Wyndham is a painfully sheltered girl from Brooklyn with a mysterious past She is an innocent in every sense of the word her views of the world formed through the lens of the poetry and literary novels she reads Now on her own in college in Manhattan she finds the big bad city is waiting to devour her When she goes out with friends on Valentine's Day a stunning kiss from a stranger is her introduction to this new and dangerous world Her would be lover is after her flesh It contains a most powerful transformative energy and the supernatural creatures of the city are willing to do anything for a taste of it Eight hundred year old Lord of New York City Cristien LaRoche thinks he is just doing his job when he rescues Alexa from the clutches of a rabid night creature but she is much more than just a helpless victim He has not seen anyone like her in an eternity and he has been glad of it Alexa is an Innocent a nascent daemon on the verge of her change He will be damned if he helps her and damned if he doesn't Even if he can save her from those who seek her power he still won't be able to protect her from his own deadly past Alexa and Cristien may be the most unexpected couple to ever search for True Love but they are also fated to be together They will embark on the road rarely travelled facing terrible trials and crushing defeats in order to get that most coveted prize As these two souls struggle to find a way to be together they will learn about the wisdom of forgiveness the nature of suffering the seduction of evil and the power of unconditional love *A Case for a Stubborn Heart* Hobart G. Everson, 2011-03 This is a story about a country boy born into poverty in a community where almost every male of age worked in the coal mines The author's older brothers and father almost all of his uncles and cousins and non relatives in the community nearly all worked in the coal mines The author at a very young age vowed to himself that he would never go to work in the coal mines Where education was not rated very highly since none was needed to work underground in the dirty dangerous mines As this was quite a difficult vow at this place and in that time it proved to be a real struggle to escape the environment and the culture of the neighborhood How he managed to do this proved to be a struggle and a precarious journey for a shy country boy

Lovesongs, Lullabies, & Alibis - The EXTENDED Version , *Dagger of Black Eyes in My Heart* Hira Lal, 2024-04-30 Perhaps there is no person who doesn't love a man or a woman in life Nobody wants to lose their love but they rather want to live their life with love If you hope for such a loving life then every step must be placed on the path of love by rationality

otherwise the result can be truly terrible **Dagger of Black Eyes in My Heart** contains love loaded poetry Every poem deliberately tugs at the heartstrings which is where the feelings of every human heart are hidden touching the depths of the heart and presenting its mood In short this book brings out the dormant feelings of love If you want to explore the depth of true love then this book may be a perfect place to look **Ceaseless: Birth of the Phoenix** Mindy Marin,2015-02-11 As Ember celebrates her 18th birthday she struggles to find her true purpose in life In a world where men rule and women are viewed as objects to obtain love is often placed last on the list But everything changes when Elijah the son of a Native Shaman enters her life Knowing true love for the first time Ember s heart is broken when her father forbids her from seeing him again Manipulated into marrying a man she doesn t love Ember finds herself trapped in a sadistic game fighting to find a way back to her soul mate Elijah Will a reincarnation spell that binds their souls together be enough to save their love in this lifetime Ceaseless takes you on a magical journey of love and betrayal that will leave you asking what happens next

Where After Mariel Forde Clarke,2021-08-27 A journey that will compel readers to view life after death in a completely different way Where do our loved ones go After they die This is the question that has traversed the universe for centuries and is considered one of life s greatest mysteries While many of the world s renowned philosophers scientists theorists doctors and great mystics endorsed the existence of the afterlife no one book has been available to explore it all until now Mariel Forde Clarke asserts that whether you believe in God or heaven you can be comforted by the sense that an afterlife exists beyond the realm of one s physical comprehension Drawing on the findings of patients who have had neardeath experiences and visions and on those of renowned scientists and doctors Clarke helps the reader chart the journey of the soul and navigate their grief
