A Broken Comedian J Shield,2019-02-02 Decland Bunten a hopeless and lonely comedian who dreams of being as successful as his late idol Sal Turner finds himself trapped in a desperate situation when he is framed for murder Afraid that he himself has not got long to live he throws all his energy in to creating a legacy as a brilliant comedian before he is killed The tension in this story keeps building and the jokes get funnier and funnier till in the final chapter the jokes and the tension reach a riveting climax Apart from being an eye opening suspense through the protagonist this story pays homage through reference

to some of the world's greatest stand up comedians as Declan Bunten learns about the different styles and techniques used by such greats as Lee Evans Jack Dee Rowan Atkinson Bill Hicks Ross Noble Rhod Gilbert and many more **Annie Stanley, All At Sea** Sue Teddern, 2021-07-08 It's like a big hug in a book Janice Hallett author of *The Appeal* Sometimes the end is only the beginning Annie is single unemployed and just a bit stuck when her beloved father dies unexpectedly Furious at his partner's plans to scatter his ashes somewhere of no emotional significance Annie seizes the urn and on a whim decides to take it on a tour of the thirty one sea areas that make up the shipping forecast which her father loved listening to despite living in landlocked St Albans Travelling around the coastline of Britain searching for the perfect place to say goodbye she starts to wonder if it might be time to rethink some of the relationships in her life but is it too late for second chances A novel about love loss and the importance of living life to the full Annie Stanley *All at Sea* by Sue Teddern is proof that it's often the most difficult moments in life that show us what really matters Witty wise with wonderful characters I absolutely loved this book Katie Fforde author of *A Springtime Affair* **The Secret Ex-Boyfriend** Krista Ritchie, Becca Ritchie, 2017-01-31 Some love is infinite LUKA KOTOVA Barely anyone knows our secret We were more than teenage friends More than just two employees of the same Vegas acrobatic company And then we broke Aerial Ethereal's biggest rule together We've been paying the price ever since Corporate won't let me see her Or speak to her And we painfully signed on the dotted line in agreement Erasing our secret relationship from existence Now I'm twenty and I hate Corporate But I can't leave My family makes up one third of Aerial Ethereal's cast list I love them And I still love her BAYLEE WRIGHT Luka is back My undeniably hot secret ex boyfriend was just shifted to the Vegas show Infini We're working together again on a show that means too much to me No distractions Even if the sexy rebellious boy with hidden troubles completely stole my teenage heart Aerial Ethereal demands he remains my tragic secret This book was previously published with the title *Infini* ***An Indian Tantric Tradition and Its Modern Global Revival*** D.E. Osto, 2020-03-06 This book analyzes the contemporary global revival of Nondual aivism a thousand year old medieval Hindu religious philosophy Providing a historical overview of the seminal people and groups responsible for the revival the book compares the tradition's medieval Indian origins to modern forms which are situated within distinctively contemporary religious economic and technological contexts The author bridges the current gap in the literature between insider emic and outsider etic perspectives by examining modern Nondual aivism from multiple standpoints as both a critical scholar of religion and an empathetic participant observer The book explores modern Nondual aivism in relation to recent scholarly debates concerning the legitimacy of New Age consumptive spirituality the global spiritual marketplace and the contemporary culture of narcissism It also analyzes the dark side of the revived tradition and investigates contemporary teachers accused of sexual abuse and illegal financial activities in relation to unique features of Nondual aivism's theosophy and modern scholarship on new religious movements NRMs and cults This book shows that although Kashmir aivism has been adopted by certain teachers and groups to market their own brand of High

Tantra some contemporary practitioners have remained true to the system's fundamental tenets and teach authentic albeit modern forms of Nondualism. This book will be of interest to academics in the fields of religion and Asian philosophies especially South Asian tantric, neo-tantric and yoga philosophies, alternative and New Age spiritualities, religion and consumerism and NRMs and cults. Winner of the inaugural 2021 New Zealand Asia Society Book Award second prize.

Aquamarine A.L. Knorr, 2025-05-03 To most mermaids salt has a capital S but Eadie is not your average siren. If being a siren means I'll eventually have to leave everyone who ever meant anything to me then I don't want it. I'm the youngest of a set of triplets and I share little in common with my sisters Larimar and Lazuli. I don't seem bothered by the fact that they're destined to live their semi-immortal lives controlled by their salt cycle. But after it took Mom I flipped the ocean a set of double birds. The salt can't have me. My life is mine. My voice is mine. My fins and legs are both mine and I prefer the latter. I try to live as a normal highschool senior but I have my own personal bully who makes my life hell. I have a serious crush on Seth Foster who doesn't seem to know I exist and a reputation as a socially awkward science whiz. When I find a mermaid in salt flush trapped inside a wreck she is proof that the salt is a hateful master with no compassion for those whose lives it ruins whose memories and identities it erases. Can the weakest link in the Jackson chain figure out a way to free her when my hard-earned front as a normal teenager starts to unravel? Or have I picked a fight I cannot win? Return to the siren realm of A.L. Knorr with Pretty Little Mermaids which expands the lore established in Born of Water, Mermaid's Return and The Siren's Curse but is set before the events of the latter. Aquamarine is a true YA contemporary fantasy complete with high school angst, a prom, bullies, a sweet romance, team sports drama and family drama all intertwined with the author's beloved mermaid mythology.

The Rule of Three Sam Ripley, 2023-06-22 The Rule of Three is a completely original, nuanced one sitting read that blew me away. Whip-smart dialogue, characters that haunt your dreams and a plot you might just die for. I loved it. CHRIS WHITAKER The Rule of Three absolutely blew me away. An incredibly intense and original creepy page-turner that made me keep turning the pages in a desperate need to finish it and find out the answers. Utterly paranoia-inducing and brilliant. I loved it. It came for me and now it will come for you. SARAH PINBOROUGH Ingenious, creepy and compelling. Sam Ripley is an exciting new voice in the field of chilling thrillers. ALEX NORTH The Whisper Man meets The Chalk Man with the paranoia of The Blair Witch Project in this chilling suspense thriller. That's the one. That's the girl who's going to die. I didn't believe in the Rule of Three. Not at first. It was just one of those urban myths you hear about all the time. A story my boyfriend told me about a girl cursed by the number three. A girl whose parents had killed themselves after her sibling had died in an accident. Which meant that she was doomed to die too because that's the Rule of Three. Bad things always happen in threes, they say, and they are right. Because it's happening again. But this time the curse is coming for me. And worst of all, it's coming for you too. How rare it is to devour a new thriller with a truly new premise told in a truly new way. In The Rule of Three Sam Ripley has achieved the near-impossible: blending innovative storytelling with fresh, surprising characters fighting for their

lives against the very narrative we are racing to read and keep up with This twisty dark delight plumbs our all too human
paranoias and proclivities upending our expectations of what a thriller can be GREGG HURWITZ The Rule of three is an
excellent twisty thriller that keeps you glued to the page right the way through Definitely my kind of book SIMON KERNICK
With The Rule of Three Sam Ripley has delivered a perfectly crafted nightmare Taut deliciously sinister witty and original I
couldn't get enough of all the creepy twists and turns CAZ FREAR The Rule of Three is a sinister tale that deftly blends
paranoia conspiracy and a rash of mysterious deaths to create a dizzying and gripping thriller The story sucked me in from
page one and I was caught up in this just one more chapter read until I raced to the conclusion making sure to read in a well
lit room at all times ROD REYNOLDS Ingenious and compelling in equal measure KEVIN WIGNALL A thrilling concept told in
a gripping unique voice CLAIRE MCGOWAN **Life's Unexpected Adventures** Joanne Rawson,2015-05-23 NO STRINGS

novel Buy Tain t What You Do to dive into this feel good romance today *True Tales of a Traveller Volume Two* Alix Lee, This book Volume Two of the True Tales of a Traveller series consists of three travel stories two substantial novella length stories separated by a story of short story length These stories can read separately but the best way to read them is to start with the first That principle applies to the whole series and also to this volume It isn't necessary however to read all the stories of Volume One to enjoy those related in Volume Two The book begins in late 1984 with the sixth tale in the series overall Culture Shock This story finds the young traveller myself taken from the relative orderliness of a life in London where he had been attempting with mixed results to pursue a career in travel related in the fifth story of the series A Career in Travel and throws him into the furious assault on the senses that constituted life in the Indian capital Delhi at that time The second story of this volume Just A Businessman is set in Indian administered Kashmir At nearly 17 000 words this account constitutes a lengthy short story which may need more than one sitting to read In addition to being a travel story Just A Businessman is also a story about religious and ethnic conflict and political upheavals and the extents to which these can affect the life of a traveller or an outsider Overlanding Part One is the third story in this volume and at over 46 000 words the longest story of the series so far for one of the shortest periods of actual travel Of all my travels in the 1980s in terms of time spent undoubtedly no journey made such a deep and lasting impression on me as this overland trip from Karachi to Rotterdam Not only did it unceremoniously blow away many of my own preconceived notions of life in Pakistan and Iran it was also a harsh lesson for me as a traveller in the virtues of being prepared for any journey into terra incognita Additionally the first part of the journey from Karachi to the Turkish border with Iran was relatively dangerous not due to involving difficult terrain but rather to man made hazards But overall the journey turned out to be something I originally had never suspected for a moment it would be an intensive course in the follies of racial prejudice and ethnic chauvinism Like all the other stories in the series these three stories provide not only entertaining reads but also information on all the places visited some relevant only to the era in which the story is set but most still relevant at the time of this book's publication
