My God And Your God My Father And Your Father:

An Introduction to New Testament Christology Raymond Edward Brown, 1994 Examines christology s Or evaluations of Jesus identity and divinity based upon his words his public ministry and the Resurrection **The Family Expositor** Philip Doddridge, Nathan Welby Fiske, 1834 **The Incarnate Christ and His Critics** Robert M. Bowman Jr., J. Ed Komoszewski

, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

Cyril of Jerusalem E.J. Yarnold S.J., 2002-01-04 Cyril was bishop in Jerusalem from c350 351 AD until 386 AD His writings are an important source for the history of early Christian doctrine This book provides full English translations with explanatory commentary of his most important works The introduction covers Cyril s life his historical and archaeological context his theology and contemporary doctrine and practice This will be essential reading for students and scholars of patristics and those studying the history of the early Church and late antiquity **Christ Ascending** Henry Pendlebury, C. Matthew McMahon, 2015-02-20 This treatise on Christ s ascension is one of the best treatments of the subject in print Pendlebury works from John 14 2 I go to prepare a place for you and demonstrates that these words are the living speech of a dying Christ to his dear apostles and in them to all his people even to the end of the world The doctrine which he expounds is that Jesus Christ is gone to heaven for all true believers He went in their name and his business was for their happiness It is uncommon for Christians to think about the application of Christ s ascension and instead they concentrate solely on Christ s crucifixion and death But there is no help for the Christian in a dead Savior Christ must be seen as risen from the dead and ascending to the Father in order to send the Spirit to his people in power and aid them in their spiritual walk here on earth We must then look from the cross to the throne room of heaven and set our minds on Christ there seated at the right hand of God for his people An Appendix is also fixed to this work covering the teaching that the children of God have light sown for them in all their dark distressed and mournful conditions This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions *Expository*
