Cottage Lake Soliloquy John E. Shephard Jr., 2010-08-10 Cottage

Lake Soliloquy is a guide to spiritual enlightenment in the form of a novel. It is primarily a tale of transformation about a year in the lives of two people, husband and wife, as they confront personal and professional challenges with their children on a lake in the woods in the small town of Forestville. The narrative unfolds through alternating chapters on each protagonist while weaving their stories together. Jay, a psychotherapist, and Bea, the head of a Student Exchange company, encounter Leroy, part psychic, part teacher, who guides them on a journey of self-realization through a series of dialogues by using their problems as opportunities for growth. Elements of the story include intense and insightful therapy sessions, lush and lyrical descriptions of nature, travel to foreign lands, alcohol and drug use, romance, intrigue, deception, and betrayal. A handbook to awakening the saga intertwines poetry, songs, quotations, essays, and stream of consciousness thought in a unique and engrossing style of epic proportions while leading the reader towards his or her own spiritual awareness. No Hero Mallory Kane, 2012-06-01 *No Hero* by Mallory Kane. The bodies pile up and the game goes on. In New Orleans, the bodies of murdered homeless teens have started washing up on the shores of the Mississippi River. For detective Deveraux Dev Gautier, these killings are way past being personal. Each one of these kids is a resident of his shelter, a kid who got a chance for a second start. And Dev's only lead is held by the infuriating and undeniably sexy woman who flirted with him, kissed him, and then tried to ruin his life. Investigative TV reporter Reghan Connor stopped believing in heroes a long time ago. But when she discovers a potential lead in the case, she can't sit idly by. Even if it means working with a man who hates her and who still makes her knees weak with need. But now everything Reghan believed in is about to be turned upside down. Because sometimes the whole story hasn't been told. And while the good guys are willing to die for their beliefs, the bad guys are willing to kill. **The Annual Register**, 1843

The New Woman's Film Hilary Radner, 2017-01-20 With the chick flick arguably in decline, film scholars may well ask what has become of the woman's film. Little attention has been paid to the proliferation of films, often from the independent sector, that do not sit comfortably in either the category of popular culture or that of high art films, that are perhaps the corollary of the middle-brow novel or smart chick flicks. This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience. The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while

constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion s Top of the Lake Sundance Channel 2013
