My Life My Story Iris Edith Madden,2018-05-09 Taken into care at two years old along with three of her siblings Iris lived in an immaculate safe caring family home for over seven years Iris and her siblings were then returned to live with the birth parents they didn't know into squalor neglect and abuse Escaping from this as soon as she could Iris built a life alongside her childhood sweetheart only to suffer a life threatening illness and then heartbreak due to the betrayal by the person that she had trusted implicitly Her experiences enabled her to have the strength and determination to rebuild her life once more

My Rocky Road and Beyond Mary Muriel Hall,2014-12-03 Mary Muriel Hall nee Burns was raised in a humble four room house in Ennis Ireland In the 1940s In this touching memoir she vividly recalls her harrowing yet often humorous childhood Muriel became familiar with adversity at an unusually young age In this book she remembers family life as a toddler with an abusive alcoholic father and shares stories of a childhood marked by the tumultuous relationship of her mam and dad Muriel recalls with special fondness her grandfather who becomes the lone beacon of hope in her increasingly turbulent life She recounts the sudden death of her father a loss that combined intense sadness with an odd sense of family relief She remembers the family move to England that allowed her to shed the negativity which surrounded her childhood she started to look to a brighter future with mixed emotions Feelings of great highs but also the dread of a different educational system the meeting of new friends whilst at the same time trying to bury the past the same past which led her to pen this book My

Rocky Road Beyond accounting the early years in Ennis Ireland Circa 1940 The high expectations and hopes for the future Can this cloud have a silver lining or is it possible that this silver lining is in fact full of clouds Follow Muriel as she tells in her own words of the struggle to settle and shake the demons and the total disbelief when the unthinkable becomes a reality once again In all this is a book that weaves together personal stories to reveal the rich tapestry that was and Irish woman s life My Grandad Is Weird Tao de Haas de Haas,2020-05 Arts Literacy Inter generational relationship Positive aging My Grandad is Weird is a beautifully written story about the relationship between different generations cultural diversity the challenges of aging the arts and the passing on of life philosophy A true great gift for 8 13 year old age group plus all parents and grandparents My Grandad is Weird is a funny touching and authentic story about an old eccentric Dutch artist who lives by himself after his wife of 55 years passed away Based on real anecdotes the story is about the relationship between a grandson and his grandfather It is told through the eyes of his eleven year old grandson who experiences his granddad as being weird interesting funny impatient and grumpy at times While written for individual readers My Grandad is Weird is also used in schools as part of Project Based Learning The Grandparent Project **My Life, My Way. in the present to consider not just how performance commemorates but how commemoration performs We all know how this ends Anna Lyons, Louise Winter, 2021-03-18 Wonderful thoughtful practical Cariad Lloyd Griefcast Encouraging and inspiring Dr Kathryn Mannix author of Amazon bestseller *With the End in Mind* We all know how this ends is a new approach to death and dying showing how exploring our mortality really can change our lives End of life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day From working with the living the dying the dead and the grieving Anna and Louise reveal the lessons they've learned about life death love and loss Together they've created a profound but practical guide to rethinking the one thing that's guaranteed to happen to us all We are all going to die and that's ok Let's talk about it This is a book about life and living as much as it's a book about death and dying It's a reflection on the beauties blessings and tragedies of life the exquisite agony and ecstasy of being alive and the fragility of everything we hold dear It's as simple and as complicated as that **My Family and Other Strangers** Jeremy Hardy, 2010-03-04 When Jeremy Hardy decided to explore his ancestry it was in part to get to the bottom of his grandmother Rebecca's dubious claims that the family descended from a certain 17th century architect and that more recently Jeremy's great grandfather was a Royal bodyguard Other legends ranged from the great aunt who ran illegal hooch during Prohibition to the wronged Victorian servant girl who bore an illegitimate Hardy not forgetting the family's rightful claim to a large country estate Wild stories aside Jeremy sets out to such diverse locations as the Croydon one way system and the hostile waters around Malta in order to find traces of recognisable family traits and a sense of how he came to be With wry humour and a keen eye for the absurd and the frustrating Jeremy takes us on a by turns funny and moving journey into the world of family ancestry *My Family and Other Strangers* will be enjoyed by anyone who has tried to decipher the 1901 census records or simply wishes they too had asked their grandparents more about their lives **My Friend Jesus Christ** Lars Husum, 2011-07-07 Having lost his parents at an early age Niko has always looked to his older sister for protection So when she starts wanting a life of her own Niko tries everything he can think of to keep her attention taking ever greater risks with his life and the lives of others until the day it ends in a tragedy On returning to his flat after the grim event Niko finds an uninvited biker sitting on his sofa Big bearded and boldy asserting that he is Jesus the biker gently but firmly advises Niko to clean up his act And Niko does what he's told with surprising consequences Walk In My Shoes Mick Fleming, 2025-03-20 For years I've watched Mick's journey unfold at times full of hope inspired by his church and at his lowest in despair at the human suffering he has witnessed I've seen the impact of his ministry on him personally visiting him in hospital when he was close to death in spring 2023 But what has never changed is his resilience to carry on with the unwavering belief that there is more good than bad in the world and it is the good that will triumph ED THOMAS UK EDITOR BBC NEWS On the day of my consecration I confess to wondering What on earth am I doing wearing a strange pointy hat and my grandma's curtains around my shoulders Then

from the back of the church came the immortal words Get your hands off me Why is he getting made a bishop when I m sleeping on the streets Working with some of the poorest in society Mick frequently witnesses the miraculous power of God breaking through into places that you could never have imagined The homeless soul at his consecration is one of many who will be touched by God s grace Mick s own origins and wayward past my first arrest was at the age of 9 are another recurring theme in a volume full of warmth wit and compassion We read of him joining a passing NHS protest march en route to the Princess of Wales s Christmas Concert leaving the medical team responsible for saving his life with their own hearts strangely warmed trusting God to speak through him at a French Catholic festival and discovering that God loves prostitutes are exactly the right words Walk In My Shoes simply told utterly devastating and deeply hopeful draws us all into a remarkable and truly healing ministry
