Bessie: Life & Death Jody Overend,2018-12-04 Fifteen year old Bessie MacIntyre has just endured the most traumatic experience of her young life sadly caused by a series of events she had personally set in motion in the

early hours of July 15 2002 Now back at home in Ravenspond Pennsylvania she has to deal with the tragic aftermath and learn to live with the consequences of her actions Will she find the inner strength to forgive herself and embrace life again What will happen to those she had to leave behind Was any of it real Or did Bessie just dream all that crazy stuff about Heaven and her buddy Angel Mel in his Hawaiian shirts Only time will tell what tomorrow may bring *Interview with a Spiritual Warrior* George Macias,2020-06-24 This book documents my unique firsthand experiences as a spiritual warrior for the Lord Jesus Christ For the past fifteen years I have been battling evil entities in the spiritual realm and thanks to the Lord I have successfully overcome them To begin the Lord had to teach me how to enter the spiritual dimension and travel outside of my physical body This book details my becoming a spiritual warrior of the Lord The Lord called me to my mission in 1984 when I was visited by the Blessed Mother who gave me the Lord s graces and blessings and awakened me to my spirituality Since then the Holy Spirit has guided me increasing my acceptance that I had a special gift As a truly charismatic Christian I have been blessed with the miraculous gift of being groomed by the Holy Spirit to fight spiritual battles on behalf of those whom the Lord has guided to me The Holy Spirit has taught me how to fight these battles not in the physical world but in the spiritual realm of our Lord Through this miracle I have traveled to the stars and beyond to far distant planets and to other dimensions outside of our galaxy to do the work of our Lord This book documents my fifteen years of experience as a spiritual warrior In a world full of ever increasing reports about people who have had spiritual encounters I have experienced life after death and as a warrior I have personally battled evil entities In 2014 I received a message from the Lord that instead of visiting people in their homes to pray for them I needed to write a book on my spiritual battles By writing the book it would enable me to help not just hundreds of people but literally thousands throughout the world I believe our salvation depends on having a deep awareness and understanding of our spirituality People also need to connect with their spiritual side in order to become successful and fulfilled in life We all want to live life to the fullest This book will help the reader to accept the Lord s blessings and the Lord s graces unlocking the secrets of your spirituality It will give people hope and increase their faith

Seeman,2019-11-01 In late medieval Catholicism mourners employed an array of practices to maintain connection with the

deceased most crucially the belief in purgatory a middle place between heaven and hell where souls could be helped by the actions of the living In the early sixteenth century the Reformation abolished purgatory as its leaders did not want attention to the dead diminishing people's devotion to God But while the Reformation was supposed to end communication between the living and dead it turns out the result was in fact more complicated than historians have realized In the three centuries after the Reformation Protestants imagined continuing relationships with the dead and the desire for these relations came to form an important and since neglected aspect of Protestant belief and practice In *Speaking with the Dead in Early America* historian Erik R Seeman undertakes a 300 year history of Protestant communication with the dead Seeman chronicles the story of Protestants relationships with the deceased from Elizabethan England to puritan New England and then on through the American Enlightenment into the middle of the nineteenth century with the explosion of interest in Spiritualism He brings together a wide range of sources to uncover the beliefs and practices of both ordinary people especially women and religious leaders This prodigious research reveals how sermons elegies and epitaphs portrayed the dead as speaking or being spoken to how ghost stories and Gothic fiction depicted a permeable boundary between this world and the next and how parlor songs and funeral hymns encouraged singers to imagine communication with the dead *Speaking with the Dead in Early America* thus boldly reinterprets Protestantism as a religion in which the dead played a central role
