Full Service Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood

Jesus First for Women BroadStreet Publishing Group LLC, 2022-04-05 When do you find time to connect with God Even if we try to be intentional about it everyday activities and responsibilities often find a way to take priority over our time with Jesus Prayer can happen at any time and of course it does but there is value in setting aside a specific time to communicate with the Lord The notion of getting alone with God to start the day was an example set by Jesus himself He got up before daylight to pray in a solitary place We don't know what about or who for we just know it was his way of connecting with the Father before doing anything else As you quiet yourself before him and meditate on these Scriptures devotions and prayers experience the goodness of his presence and be refreshed with his perfect peace When you prioritize Jesus above everything other concerns fade Hope dawns with the new day Tender mercies fall fresh Boundless joy springs up from a well within And you find the strength to walk through each day with grace for others and for yourself

Song of the Prophet John Harke, 2016-08-11 In the Song of the Prophet we learn that affection doesn't happen in isolation it happens in relationship with others However the moments when our soul is deeply affected by the Lord's divine presence the song of all songs does just that to our spirits God graciously gave the wisest man that ever lived a revelation of love a love that's real and not just a passing lustful thought a love where growth and maturity are free to exist through both pain and promise free from rejection and shame The Songs of Solomon give us a map of what love can become through the eyes of God Each phrase and each verse is the language of what heaven feels about those who are called Language is such a beautiful gift from our Lord that expresses many multifaceted emotions These eight chapters are an invitation to sit at his feet like Mary The Song of the Prophet shows us that the ways of God make abandonment the only way to live Giving our Lord everything isn't weighed because of what we might lose Jesus gave us his all so we give all

In Spirit and in Truth Jay Thomas Walls, 2012-10-05 What has the church done to worship

The modern day worship movement has succeeded in appealing to the masses and has set the standard of defining the worship experience in the church but at what cost. In *Spirit and In Truth* confronts today's church mindset and beckons our hearts to return to the life of genuine worship. The church's drive to become more culturally relevant has not been without serious repercussions. Somewhere along the way worship has become about the worshiper rather than the One who is to be worshiped. The prevailing attitude of serving self has usurped God's intention for His people to worship the Father in spirit and in truth. The fullness of the Christian life can only be experienced when through the life of worship the Lord is given supreme reign over our lives. In examining biblical insights as well as gleanings from years of worship ministry experience, Jay offers a fresh perspective that challenges the heart to respond to the Father's call to worship in spirit and in truth and to discover the possibility of intimately knowing God as He desires to be known.

Longing for More Timothy Willard, 2014-10-14 Catch your breath and sit for a moment. Now listen. What do you hear? Questions of trust, longing, disappointment, courage, and love. In *Longing for More*, Timothy Willard invites us to think and pray through our deepest needs and explores how the ebb and flow of life can be used for God's glory. Creatively organized in 52 chapters that follow the four seasons of the year, the daily readings point the way to a richer spiritual life. Timothy Willard is quickly becoming one of my favorite writers. His poetic words and soul-reaching insights leave me longing for more—more beauty, more depth, more Jesus, which is exactly what this book offers. Sarah Mae, author of *Desperate Hope for the Mom Who Needs to Breathe*. There are sacred moments when life catches you up in its beautiful mystery. Suddenly everything feels heavy and connected. You want to weep and cheer at the same time. You come away empowered, fully alive. Timothy sets you down in these moments. Get caught up in them and watch yourself come to life. Lacey Sturm, platinum-selling musician and author of *The Reason How I Discovered a Life Worth Living*.

Wanting More of God: How to Attain to the Fullness of Christ Mark Gilpin, Fiona Gilpin, 2025-11-03 The heart cry of many Christians today is that they want more of God. Maybe that is you. Anything is possible with God, and he works through imperfect people. Yet why is it we do not always see the more of God that we desire? Is it because we have clutter in our lives, leaving little space for God? In seeking more of God, have we missed him by not looking in all the right places? More of God is within our grasp. What can we learn from Jesus's example? If you are looking to recalibrate your understanding of discipleship, if you are longing to know and truly experience more of God and who you are in Him, if you want to understand a fruitful life from Heaven's perspective, this book is for you. It doesn't just offer excellent information; it provides a roadmap for you to experience a transformation. Janice Pleasants, Leads the Eastgate Online School of Spiritual Life. Do not be misled by thinking this is just another Christian self-help guide. Rather, it is a rich and reasoned journey into the heart of God, skillfully laid out by those whose lives bear witness of the More available to us all. Mark and Fiona's walk qualifies their talk, and is what gives this work substance. Mark Hendley, D.D., h.c. and Director of The

Stones Cry Out This inspiring book combines excellent insights from Scripture with brilliant engagement of today s Western culture on how to be filled with God s glory and pass it on to others It s a must read for the thirsty Derrick Burns Author Speaker and Founder of Ministry School International
