My Jerusalem:

My Michael Amos Oz, 2005-11-01 Thoughtful self assured and highly sophisticated full of the most skillful modulations of tone and texture A modern Israeli Madame Bovary The New York Times Book Review Set in 1950s Jerusalem My Michael is the story of a remote and intense woman named Hannah Gonen and her marriage to a decent pragmatic but unremarkable geology professor named Michael Wedded too young emotionally unprepared for motherhood and forced to abandon her university studies Hannah grows bored frustrated and increasingly removed from the banal certainty of her immediate world As years pass and Michael goes off to war Hannah s heady fantasy life encroaches upon reality Hannah grows ever more estranged from her husband as the marriage begins to disintegrate A flickering multi toned Israeli novel which grapples with time s incursions love s deceptions and the diminishment of desire Kirkus Reviews My Michael is at once a haunting love story and a rich reflective portrait of a place and time that takes the reader into the fevered mind of a young woman The Guardian

My Journey Ramsis F. Ghaly MD FACS, 2020-01-17 My journey is documented in this two volume book numbers 14th and 15th of my series Christianity and the Human Brain My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words Son study all these books in my hand and I shall bless you and bless your patients Why medicine Why study the brain and the nervous system This is the story of my calling which had a pessimistic reputation among students and doctors at that time For me it was a window to experience the Hand of God in man and I dedicate all that I had to the Human brain and Neuroscience Nothing since then has been able to detour me from my intense mission and passion which my Lord set before me As I am a minority Christian in Egypt a religion persecuted continually with obstacles unending yet conquered Doors were shut before my eyes Unexpectedly plan A was surrendered as the right door opened Thus the birth of my divine journey in Medicine and Neuroscience began Today 35 years later I continue to dedicate my life to my Lord my patients and the residents I mentor The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations There are many stories and reflections to share with you Lessons learned in various topics It is my honor to share with you my journey and my Joy The two volume books contain 181 chapters distributed in twenty sections ten in each volume covering major highlights in my life journey In addition to deep reflections from my own life stories in faith and medicine topics include Jesus love patient care the human brain neurosurgery illness residents healthcare crises meditations and memories over four decades I hope you the reader to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me Blessed are those striving early on in their life to serve our Savior Jesus Christ to him is the glory for ever and ever Amen

My Inspiring Journey with God Barbara Kendall PH.D., 2020-06-04 My Inspiring Journey with God is a book of true facts It s about a little girl too young to know who God was yet He had total control of her life and led her on a fascinating journey This Inspiring story will keep

you in suspense make you laugh perhaps even cry Then just when you think you ve figured out what s going to happen next the story change One clue I will share with the reader is everyone has their own journey and different seasons in life There is a beginning of our journey no matter who we are At God s appointed time there will be an ending to all of our journeys Your journey will not have the same beginning or ending as the little girl in the story because God has made us different and unique in our own ways God is an inspirational God and will encourage or prompt us to do what may seem to be far fetched At least that s the way it was for the little girl who had an inspiring journey with God Get ready to sit on the edge of your seat as you spiritually travel with me on My Inspiring Journey with God *My Consulship* Charles Edwards Lester,1853

One of the significant advantages of My Jerusalem books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
