My Journey In Faith Response:

My Journey in Faith Jill Anthony, 1999-01-01 A companion to My Christian Faith My Journey in Faith provides an overview of the entire Bible Using a journey theme this two year course introduces and helps students understand how God uses His Word to guide them on their faith journey

My Journey Of Faith Charles Mutua Mulli, 2016-03-16 At six years old Charles Mulli woke up one morning to find he had been completely abandoned by both parents All alone he fell into a life of abject poverty forcing Mulli to wander from hut to hut begging for food for his very survival unable even to attend school As a teenager Mulli started a small taxi company which grew to be very successful Eventually he expanded his business ventures to include real estate insurance and oil and gas distribution becoming a highly successful businessman But despite all his success the growing struggle in his heart over the plight of thousands of Kenyan street children remained strong until one day he surrendered to the call of God on his life to sell everything he owned and begin rescuing street children from the slums of Kenya His story is told here in My Journey of Faith from his own perspective describing his incredible life of faith that is filled with love miracles and powerful answers to prayer and demonstrates persuasively how a close walk with God is accessible to all of us even today The reader will experience the amazing true stories of tragedy turned triumph where hopeless cases encounter the work of Charles Mulli s and discover a new life they could not have imagined

My Tsunami Journey Mark Dowd, 2022-04-11 How can we reconcile belief in a loving God with the suffering of innocent human beings and earthly creatures in the natural world This question as old as the Old Testament s book of Job has been mainly grappled with over the centuries by learned theologians and philosophers But in this groundbreaking work the author is sent on a journey across thousands of miles to speak to Hindus Muslims Buddhists and Christians like himself following the 2004 colossal tsunami waves that killed more than 230 000 people In the wake of such carnage why do some people lose their faith while others emerge with it intact and strengthened Are these events in the natural world really linked to divine justice as punishment for sin And if not what are the best possible explanations for why an intelligent and caring deity would fashion a world in which babies can die of leukemia and the elderly fall victim to deadly viruses such as COVID 19 This account will offer profound food for thought for troubled believers and curious agnostics alike

Finding Faith Today Bryan P. Stone, 2018-10-31 How do persons come to faith in our time Are they active seekers or brought in by others Is it a journey Or is it a more sudden conversion Are spouses relatives and friends most important to the process Do clergy matter What sorts of values practices and lifestyles tend to change for those who newly come to faith What are the differences among the various religious traditions in how one comes to faith This book presents the findings of a multi year study on how people come to faith in the US context It involves about 1 800 persons who recently made a new profession of faith or some other public commitment across various religious traditions in the US An initial study was conducted twenty five years ago on Christian populations in England by Bishop John Finney but surprisingly

little research has been done since then Finding Faith Today is an expansion and follow up of that study The book sheds new light on how people come to faith and what sort of spiritual practical and social changes accompany that The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity **My Path Of Faith** Barbie Schuchart-Carlisle,2019-02-28 Have you ever felt like giving up Abandoned alone or forgotten Author Barbie Schuchart Carlisle has lived through all of this and more As Barbie walks through her journey in her Path of Faith she will help anyone who finds themselves in a seemingly hopeless situation to see just how they too you can find the hope peace and love through Jesus as He has taught her over her lifetime As a survivor of physical sexual and emotional abuse Barbie s honesty and transparency in My Path of Faith will encourage and empower you in amazing ways Barbie s life s journey is a testimony as to how the love of God through a personal relationship with Jesus will ensure victory and triumph in the darkest of circumstances Fighting for your life is never easy but it is a fight worth waging when you realize whom God created you to be Barbie claims she is always first a child of God then a wife mother and now founder of My Hand in His Ministry which is being dedicated to restoring the broken Thru Jesus love He has it placed upon Barbie s heart that as every child of God reads My Path of Faith you too will come to learn in your life You are never alone You are very much loved How to see others through Jesus eyes How to forgive with a loving heart How to live a Christ filled life and most of all How to unconditionally love all thru Jesus eyes Bonus reflection time At the end of each chapter author Barbie Schuchart Carlisle points out for you Where was God in her Path of Faith Scripture relating to the Chapter and Praise to God for being in Her Path of Faith At this time please reflect on your own life Can you see Him working in your life Buy this book now to stop feeling alone unloved abandoned forgotten or being abused Read this book and you will see you are never alone and you are very much Loved To show you are never alone feel free to share how My Path of Faith had an impact on your life with Barbie Schuchart Carlisle

Mistakes I have made On my Journey of Faith Richard P. Holland,2022-11-15 I am writing about the mistakes I have made so that you may avoid them on your journey of faith If you have made similar mistakes I hope this book will help you realize that you are not alone I pray you will be encouraged that you can overcome those mistakes and they can be important

moments of learning that you benefit from as painful as they may be at that moment Mostly I hope that you will realize that Jesus Christ will forgive you of your mistakes If you have made mistakes if you have experienced despair because of them and if you have grieved over them I pray you will also find the peace and joy and the awe and wonder of Jesus Christ that you may not have experienced before peace joy awe and wonder that cannot be found anywhere else If you have struggled as I have to live more faithfully this book is for you Our mistakes do not deprive us of God s love but often reveal his love for us Often they teach us that Jesus Christ is the remedy the balm the redemption of all the mistakes we have made I pray you will discover that he is for you too **Beloved's Gift** Isaura Barrera,2016-01-18 Yet one day unexpected and un hoped for the world we had thought irretrievably lost may be returned to us In a moment of insight a sudden opening of the heart we may glimpse again the mysterious reality we took for granted as children We may once again experience its wonder and delight I Zalewski Who Is God This book tells of the authors unexpected return into that reality believed to be irretrievably lost as childhood was left behind It was written in real time as each step of that return unfolded its challenges and gifts Its message of making believing more than making believe is shared for all who remember or hunger to remember and relive that same reality in their own lives that it might inspire them to listen for and live into the love hope and faith at its core *The Journey of Life* Henderson Brome,2007-04 The journey of life from birth to death is a phenomenon that is common to all human beings It s an experience that transcends all the variables of our existence such as race religion and nationality How we reach our destination accomplish our goals and realize our God given destiny is contingent upon our ability to navigate the contours of that journey We can indeed celebrate the blessings and successes confront the obstacles and cope with the myriad experiences of life s journey This book is addressed to all who struggle to meet the challenges of life s journey Some chapters provide us with powerful and compelling stories of those who in the face of adversity and disappointment did not retreat nor surrender but who through faith determination patience and indefatigable will were able to triumph over the troubles trials temptation and tribulation of their experience Other chapters provide the reader with stories that serve as sign posts that allow one to make the appropriate detours and diversions in order to avoid the pitfalls and potholes of life s journey The content of this book provides us not only with a road map but also with some valuable tools for our survival kit as we traverse the diverse landscape of that journey
