Every person has a story to tell This is the story of a Bangladeshi who was born one cold December morning in the village of Lostimanika in East Pakistan and went on to traverse the world during the next sixty plus years It is a story of growing up in the peaceful Hindu Muslim community of Narayanganj of a Muslim boy being educated in Catholic schools and of leaving home to study in the West when he was merely seventeen That started a fifty year journey from his homeland to his present home in Canada Through it all he lived and worked in six continents and experienced the beauty and diversity as well as the complexities and hardships faced by peoples worldwide This book is a personal story a collection of snippets from his eventful journey through life The author shares many delightful anecdotes the scary moments that spelt danger and his occasional brush with death It is also a story of visits to many historical cultural and religious sites and of learning about man's contribution to humanity The author has worked with many governments civil society organizations academics the military and the media under challenging circumstances and often in hazardous environments It is in the end a story of surmounting all obstacles and of having lived a full and happy life My Journey Through Scripture Sandra Marquez,2023-04-21

For anyone who has ever felt like giving up Walking away seemed like the easiest thing to do at the time didn't it This life is just too difficult how will I ever survive this storm Surely this is the one that will cause me to sink In *My Journey through Scripture* Sandra shares deep heartfelt stories of her journey through sorrow and pain as well as many wonderful testimonies of everyday life and struggles In the midst of it all she learned to laugh again the importance of enjoying the simple things in life and spending time with those close to her It was in her desperate moments when the enemy tried to destroy her over and over again that she found a way to let out all her emotions It was through journaling her experiences that she felt a sense of peace and strength to move ahead It was on the pages and pages of her writings that she wrote out the scriptures that helped her through her most difficult times Each and every one of us is on a journey and though each person's journey is different one thing is for sure we will all face obstacles along the way If you've ever found yourself in this situation be reminded that you are not alone God is always near even in the moments when you feel lonely and afraid Through her stories and testimonies you will come to realize how vital it is to cling to the Word of God It is in the most desperate and trying situations you encounter that you will experience God's love peace and faithfulness You do not walk alone God will always give you his light to guide you on the path ahead **My Journey Through Time** Dena Merriam,2020-01-01

My Journey Through Time is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in

the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena s access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time
