My Journey To Freedom:

My Journey to Freedom Judith K. Lowe, 2005-03-10 My Journey to Freedom is a tale of a young girl growing up in war torn Romania and her trials and efforts to become a physician and practice medicine in communist Romania and free America On her plane flight to freedom she reflects on the difficult years as a young girl growing up in Romania during turbulent times Born to two Jewish physicians her comfortable life is soon shattered by war Initially the hardships of rationing give way to the terror of Jewish persecution and the destruction of combat After the war she becomes a doctor and is sent to a country practice in a nation now under communist control She vividly recounts her practice of medicine under difficult bureaucratic and sometimes primitive conditions Her story is peppered with heart wrenching medical cases about trying to provide optimal health care under these difficult circumstances Finally arriving in America she pursues her desire to continue her professional practice and recounts her struggle to achieve this goal Again the personal medical stories help demonstrate that her passion and dedication she showed in Romania are carried to her new country Her new family of patients though of different means shows adulation very similar to the more country peasants Though there are many stark contrasts between her practice under communist rule and that of her American practice there is a similarity of physician dedication and effort and in return the patients appreciation and gratitude I much enjoyed this book and found it very entertaining and well done It was quite interesting to see the ravages of WWII through a young Jewish girls eyes I especially liked reading about the specific medical cases and viewing them in the context of the hardships frustrations and challenges brought about the practice of medicine in an isolated rural area under communist rule I also took pleasure in learning about the contrasts and similarities in the medical care and technology in a communist controlled relatively primitive area and time versus that of modern treatment in America I delighted in the revelations that despite stark differences between these two settings doctor dedication and patient gratitude remains reassuringly very similar Jeffrey Hahn M D Diplomate in Internal Medicine and Endocrinology

My Journey To Freedom Mattie Mullet, 2012-05-01 I hope this book helps clear up the general population s misconceptions and confusion about the Amish I have read or heard things that aren t true or even near the whole truth This book is not written to harm anyone but to provide information so that others might better understand how to help Amish people There will be things written that don t apply to every community but it s very real and true in the communities I lived in I was born from generations of Amish and at age 51 I did the unthinkable I left everything I had ever known That would ve been impossible to do with all the shunning If it hadn t been for my precious Jesus I would have never found the strength to leave all that I d ever known Now it is my heart s sincere desire that everybody come to the saving knowledge of Jesus Christ and experience the joy of salvation and that includes my loved ones the Amish

My Journey to Freedom Patty Sanders, 2021-08-05 What she doesn t know is that she is waking up to a nightmare that will change her normal to living in hell s kitchen What is worse knowing what you lost or begging for something you can never have again

From fighting demons in the night to losing someone I never thought I could live without this journey takes me on a warfare in the mind It shows that when you reach a new level with God you will fight a devil you have never encountered My journey is desperate with a lot of blood sweat and tears It s my journey to freedom **The Escapes and My Journey to Freedom** Du Hua,2012-08-17 He was born in the warzone The invasions of the North Vietnamese Communists had caused total destruction throughout the entirety of his parents village when he was just four years of age He had witnessed the killings and the brutality of the evil Communists throughout his childhood After the Fall of Saigon his family had suffered great hardship from the Vietcong It was clear that there was no future for the young generation his family had determined to find ways for their son to escape the Communist regime He had tried numerous times to escape with no success nevertheless God had protected him and he did not get killed or caught by the Vietcong He finally escaped successfully on his eleventh attempt and his boat was so lucky to get rescued by a German ship in the unforgiving ocean He settled in the United States of America after years of long waiting in the refugee camp He has found the life of freedom and dignity in America from the hell of the evil Communists He has appreciated so much about his new country harboring him and he was determined to serve and help protect the freedom and democracy for his new motherland He joined the United States Navy and became a sailor serving multiple deployments He was very happy and dreamed to become a Navy jet fighter pilot someday Unfortunately he got injured while performing his duty His medical separation from the US Navy saddened his heart and soul Now he as a disable veteran had to fight for survival for himself and his family with two small daughters He had to return to college and further his education He overcame all major obstacles and impediments mentally and physically he graduated from a Doctor of Pharmacy program from Nova Southeastern University Since then he has been working as a pharmacist to support his family He was extremely happy to have another opportunity to serve his patients his community However his old injury continues to aggravate him over the years nonetheless he continues to fight to support his family and serve the people he loves The Journey to Freedom Matthew Bauer,2010-12-31 The Dark Night of Faith: My Journey from Abuse to Freedom Jennifer Faith,2021-05-25 Every day in America four women are murdered by their spouses or intimate partners This statistic does not change in the church In fact one reason many women remain in violent marriages is due to a narrow understanding of Scripture and of God s heart For these women Jennifer Faith has a word it is not God s will for you to be abused For over twenty years Jennifer lived a secret life a life of fear and shame a daily existence marked by powerlessness and oppression Yet God was always there long before she was able to distinguish between his loving voice of truth and the lies that kept her captive If she had not finally allowed Him to intervene Jennifer would not likely be here today to tell her story and to give Jesus her compassionate pursuing Savior all the glory With honesty and humility Jennifer recounts how she came to find herself in a violent marriage the red flags she missed the toxic thinking that made her a victim rather than a victor With courage she shares her journey from horror to wholeness She provides resources to help women answer the
