Bite Me! Nikki Stafford, 2007-12-01 Take a deep dive into the TV series that brought us all into the Buffyverse including an episode guide a trivia quiz cast bios and more It s been more than a decade since Buffy Summers first walked into the Sunnydale High library and came face to face with her Watcher who told her she was the Chosen One who would save the world from vampires In the seven seasons that Buffy the Vampire Slayer was on TV we watched her kill her true love but he got better graduate high school by blowing it up discover she had a sister who uh was always there sacrifice her own life but she got better watch her sidekicks become heroes and villains and essentially grow up Bite Me Nikki Stafford s critical analysis of the show was one of the bestselling and most critically acclaimed books on Buffy

when it was released in 2002 Current up to season 6 the book examined Buffy s development and outlined the mythical religious and historical backgrounds to the episodes Nikki s guide to season 7 appeared in her Angel book but there was never one place where fans could get their Buffy fix all in one place Until now Revised and updated the 10th Buffyversary edition of Bite Me contains all seven seasons of this groundbreaking series chronicles what happened to all of its stars gives the background story to why the series ended and what legacy it has had and even contains information about the new Buffy season eight comic book series from Dark Horse Bite Me is the definitive guide for all Buffy fans Revenge of the Wrought-Iron Flamingos Donna Andrews,2006-02-07 Every year Yorktown Virginia relives its role in the Revolutionary War by celebrating the anniversary of the British surrender in 1781 This year plans include a re enactment of the original battle and a colonial craft fair Meg Langslow has returned to her home town for the festivities and to sell her wrought iron works of art Except of course for the pink painted flamingos she reluctantly made for her mother s best friend she s hoping to deliver them secretly so she won t get a reputation as the blacksmith who makes those cute wrought iron flamingos Besides she has taken on another responsibility making sure none of her fellow crafters ruin the historical authenticity of the fair with forbidden modern devices like wrist watches calculators or cell phones She s only doing it to keep peace with the mother of the man she loves And Michael himself will don the white and gold uniform of a French officer for the re enactment what actor could resist a role like that Meg s also trying to keep her father from scaring too many tourists with his impersonation of an 18th century physician And to prevent a snooping reporter from publishing any stories about local scandals Not to mention saving her naive brother Rob from the clutches of a con man who might steal the computer game he has invented It s a tough job at least until the swindler is found dead slain in Meg s booth with one of her own wrought iron creations Now Meg must add another item to her already lengthy to do list Don t forget to solve the murder Fortunately the more trouble Meg faces the more fun the reader will have and Meg faces plenty of trouble in this lighthearted and funny novel **Tales of a Driftwood** Gangadharan Menon,2016-03-12 Tales of a Driftwood is not a travelogue It does not tell you How to Get There Where to Stay and When to Go Instead it simply dwells on the innumerable joys of travelling especially when it is unplanned The journeys in this book cover more than 20 states in India and the neighbouring countries of Bhutan Malaysia and Africa It has stories of man animal coexistence and man animal conflict in Nature as also stories of history and stories of anthropology The language of the book is simple and lucid as it is written by a generalist and not a specialist And the sole purpose of the book is to encourage people to travel and explore the wonders of the world The author Gangadharan Menon is a writer cum photographer and his writings have been widely published in Indias leading newspapers like The Hindu The Times of India Hindustan Times DNA Mid day Hornbill and thebetterindia com **Sexual Difference in European Cinema** F.
