The Wandering Falcon Jamil Ahmad, 2011. The boy known as Tor Baz the black falcon wanders between tribes. He meets men who fight under different flags and women who risk everything if they break their society's code of honour. Where has he come from and where will destiny take him? Set in the decades before the rise of the Taliban, Jamil Ahmad's stunning debut takes us to the essence of human life in the forbidden areas where the borders of Pakistan, Iran and Afghanistan meet. Today the tribal areas are often spoken about as a remote region, a hotbed of conspiracies, drone attacks and conflict. In *The Wandering Falcon*, this highly traditional honour bound culture is revealed from the inside for the first time. With rare tenderness and perception, Jamil Ahmad describes a world of custom and cruelty, of love and gentleness, of hardship and survival, a fragile unforgiving world that is changing as modern forces make themselves known. With the fate defying story of Tor Baz, he has written an unforgettable novel of insight, compassion and timeless wisdom. It is true, I am neither a Mahsud nor a Wazir. But I can tell you as little about who I am as I can about who I shall be. Think of Tor Baz as your hunting falcon. That should be enough.

Wanderings and Memories John Guille Millais, 1919. [A Sportsman's Wanderings](#) John Guille Millais, 1920. **Wandering East Africa, Ethiopia, and Israel** Mike Metras, 2017-07-16. After leaving the army September 11, 1970 in Asmara, Ethiopia, I wandered six months in East Africa, Ethiopia and Israel. I wanted to use the Swahili that the army had taught me. I knew: If I don't do this now while I have a chance, I'll never do it. What a prophet! This book tells that story. Journals I wrote at the time supply the detail for this rendition of the journey that started on Ethiopian New Year's Day 1963 EC. The trip was my coming out. It was the first time I had ever lived and functioned alone. Home school and the army had taken care of me before I was really on my own at 27. I fared well.
